

HOLY GRAIL WILL SPONSOR SECOND DANCE OF SERIES

Trio of Dances for Fall Quarter Have Been Scheduled.

The Order of the Grail will offer its second dance of the current season tomorrow night in the gymnasium. The dance will begin at nine o'clock lasting through twelve. The music for the occasion will be furnished by Ty Sawyer's Buccaneers.

The first Grail dance was given October 28. Three dances were scheduled for this quarter. The third one will be given December 6 after the Carolina-Duke game. The Grail made every effort to give a dance after the Tech game, but because of the precedent established by the German Club and the Faculty Committee, no dances can be given on the Hill after the home-coming game.

Regular German Club regulations will be in effect at the dance tomorrow night, violations of these rules are to be punished. Freshmen are reminded by the German Club committee that they will not be allowed to attend. All men found guilty of violating this rule will not be permitted to attend Grail dances during their sophomore year.

The gym will be decorated in the University colors. Accommodations are being planned for a large crowd, as there will be two football games in this vicinity this week-end—the Carolina-Stacky game and the Duke-Kentucky game in Durham. Chaperones have been selected for the dance.

Accordingly the dean of the college, acting under instructions from the President, consulted the departments which the schedule shows are chiefly involved. With the consent of these departments the President decided to suspend all classes and laboratories for Friday afternoon as an expression of courtesy to Duke and her guest, the University of Kentucky.

Glee Club Members' Enthusiasm Forecasts Very Successful Year

By Robert Novins

With one hundred and fifty candidates out for the Glee Club prospects for a successful season seem very bright to the officials of the organization. Twenty-six of the thirty varsity members of last year's southern champions club have returned. The remainder of the squad is composed of new students and a few of last year's members who failed to make the varsity. The best talent in years has been discovered in this new group and everyone is expected to put up a hard fight for a place on the varsity.

The intense enthusiasm and interest manifested in the club predicts an extremely successful year, officials say. Members of the club attend every meeting, conserve their voices, and follow a training almost as strict as that of the football team, and there is absolute co-ordination and harmony existing among the members and the director of the club.

In the past the Glee Club members have followed the in-

structions and suggestions of Professor H. S. Dyer so well that at the end of the year they have practically received a year's voice training.

The Glee Club is one of the very few North Carolina activities that draws as its members students from every department of the University.

Last year's Glee Club was considered the best that the University has ever produced. It won first honors at the southern inter-collegiate Glee Club contest at Greenville, S. C., where 14 colleges participated. These colleges were scattered all over the Southeastern states from the University of Virginia on the north to the University of Florida on the south, and from the Atlantic Ocean on the east to the Universities of Alabama and Tennessee on the west. The club also placed in the National Glee Club contest at New York City.

The officers of the club have prepared an extensive program for the coming season and expect an enjoyable, profitable year.

ANDREWS OFFERS HUNDRED DOLLARS FOR PRIZE SONG

Raleigh Alumnus Hopes to Stimulate Search for Suitable "Alma Mater."

A. B. Andrews, prominent Raleigh lawyer, has offered prizes amounting to one hundred-seventy-five dollars for the music and twenty-five for the words of a new Alma Mater. Manuscripts for competition should be submitted to the music department on or before December 1 for the words and on or before January 1 for music.

The words will be available to those wishing to submit musical compositions shortly after the contest closes. The competition is being sponsored by the *Alumni Review*.

The new song is not to replace *Hark the Sound*, but is to supplement it. Carolina needs an original song all her own and suitable for all occasions, for *Hark the Sound* is intercollegiate and belongs to several hundred schools and colleges over the country, according to local musicians.

The committee in charge of the contest is composed of J. M. Saunders, chairman, Secretary of the Alumni Association; W. H. Yarborough, editor of the *Tar Heel*; R. C. Greene, president of the Student Union; S. A. Lynch, Jr., president of the

SINCLAIR LEWIS AWARDED PRIZE

Winner of Nobel Prize Names Wolfe as America's Most Promising Author.

For the first time, the Nobel prize for literature was awarded this year to an American author in the person of Sinclair Lewis. This coveted award is worth about \$47,000, and is given on the basis of the excellence in work—for the most distinguished work of an idealistic tendency.

The creator of *Babbitt* turned down the Pulitzer award in 1926, given him for his book *Arrowhead*, but indicated that he would accept the Nobel prize because the latter is an international award with no strings attached. The Pulitzer prize, on the other hand, is for the American novel published during the year which best presents the wholesome atmosphere of American life and the highest standard of American manners and manhood. According to Lewis, this suggests not actual literary merit but an obedience to whatever code of good taste that may chance to be popular at the moment.

Lewis intends to support a well-known young American author and his family with the prize money, and allow his protegee to continue his writings. For modesty's sake, he withheld the young author's name but said his initials are S. L.

The American author with the greatest future, according to Lewis, is Thomas Wolfe, graduate of the University of North Carolina, whose first book, *Look Homeward, Angel*, won him the Guggenheim scholarship last year.

Another American, Theodore Dreiser, was also considered by the Swedish Academy for the award, but the selection of Lewis was anticipated.

PHARMACY BOARD WILL MEET HERE

State Directors Will Conduct Examinations for Pharmacists On November 18.

The fall meeting of the North Carolina board of pharmacy will take place in Chapel Hill on November 18 to conduct examinations for applicants for licenses as registered and assistant pharmacists. The examinations will be given in Pharmacy hall.

The members of the board of pharmacy are: Dr. E. V. Zoeller, of Tarboro, president; F. W. Hancock, Sr., of Oxford, secretary-treasurer; and I. W. Rose, of Rocky Mount, J. G. Ballew, of Lenoir, and C. P. Greyer, of Morganton.

Dr. Zoeller in 1922 received the only honorary degree of doctor of pharmacy that has ever been conferred by this University. Dr. Zoeller and Mr. Hancock, who is the father of the recently elected congressman, F. W. Hancock, Jr., from the fifth district, have two of the longest records of service in the country as members of a state board of pharmacy. Since 1892 Dr. Zoeller has been a member of the board and since 1894 president. Mr. Hancock has served thirty-eight years on the board and thirty-three years as secretary-treasurer. Mr. Rose is an alumnus of Carolina, having graduated from the school of

PLANS ANNOUNCED FOR FALL DANCES BY GERMAN CLUB

Weede Meyer Will Play for Autumn Set in Gymnasium, November 28 and 29.

John Bullock, president of the German Club, announced yesterday that the Thanksgiving dances will take place Friday and Saturday after Thanksgiving, November 28 and 29, with Weede Meyer's orchestra of Huntington, West Virginia, playing.

The dances are scheduled for Bynum Gymnasium this year, since the Virginia game will be played at Charlottesville. It has been the custom of the German Club to stage the dances in Swain hall when the Thanksgiving game is played at Chapel Hill because of the unusual number of visitors. With the game played in Charlottesville less visitors are expected.

Decorations will be provided by a local firm. Thanksgiving colors will be featured.

Bullock stated that the German Club negotiated with several orchestras before engaging Weede Meyer. This orchestra, he said, has played at the University on a number of occasions in the past and according to reports has a much improved group of players this year.

Clyde Dunn has been elected leader of the set. He will be assisted by Edward Wood and Henry Anderson. The sophomore hop which is one of the features of the Thanksgiving set will be led by Robert Carmichael assisted by Arlindo Cate and Elliott Newcombe. There will be two dances Friday and three Saturday.

Cards for the dances will be available next week, Will Yarborough, treasurer of the club, states. He said that there were about twenty vacancies in the club's membership which are open to all members of the upperclasses. Applications for membership must be accompanied by a check for ten dollars and should be sent to him at the S. A. E. house.

The assessment for the set will be five dollars and the yearly dues twelve.

Opening with dinner at the Carolina Inn, the annual Alumni Assembly will convene here December 5, on the eve of the Carolina-Duke game. The conference will last through the following day. Various officers of the organization are to speak at the opening session, and an open discussion of University administrative problems will take place. The regular business meeting of the Assembly will be held the morning of December 6.

The Alumni Assembly is composed of representatives from alumni clubs over the state, and officers of the various class organizations.
