

# Blue Devils Triumph Over Kentucky Squad By Count Of 14 To 7

## GALLOPIN' BILL MURRAY IS STAR IN DUKE VICTORY

Blue Devils Count Touchdowns In First Two Periods; Pass Gives Wildcats Sole Score.

By Don Shoemaker

Durham, November 8.—A long-necked, sandy-haired boy with a stride like a kangaroo and a pair of hips like an eel, traveling under the cognomen of Bill Murray, tamed a snarling pack of Kentucky Wildcats in the Duke stadium here today as the Blue Devils romped to their fifth victory of the season, 14 to 7. In the wash of the Murray wake and on to the reefs sailed "Shipwreck" Kelly, Kentucky's only scoring hope, with a badly injured side that kept the stellar back on the bench during the greater part of the game.

Pushing across a touchdown in each of the first two periods, the Blue Devils led their northern visitors by two tallies at the end of the half, but came back in the third period to see a resolute and rejuvenated Kentucky crew pass for a touchdown and hold the ball deep in their territory for almost another. Within the shadow of the Duke goal, a doughty Blue Devil line held back charge after charge, and the Wildcats saw their last offensive threat fade into oblivion.

Offensively alert on the first play, Toth hurled a long pass over the head of Kid Brewer to Myer, sucking in the Duke offense that anticipated a line plunge. From then on until the whistle blew, Wildcat offense assumed the import of a litter of Persian kittens. Receiving the ball in midfield after an exchange of punts, Kid Brewer and "Gallop-in' Bill" Murray ran the oval to the Kentucky thirty-yard line, but their scoring stopped when Williams intercepted a Duke pass on his twenty-one yard line.

On the following play, an attempted off tackle plunge, Urbaniak, Kentucky halfback, fumbled on the line of scrimmage to Mason. In his characteristic "hobbled mare" stride, Murray swept the left end of the Kentucky line to score from the twenty yard line.

After an exchange of punts in the second period, Brewer and Murray pounded the Kentucky forward wall to the ten-yard line where Brewer carried the pigskin over after two short line stabs.

A rejuvenated Wildcat eleven took the ball after the half and penetrated deep into Duke territory. Playing for the breaks, the Wildcats took advantage of Murray's fumble on his own twenty-five yard line as he attempted to punt out of danger on the fourth down. Richards knifed off tackle for seven yards and Toth took to the air and hurled a perfectly timed pass to Andrews, Kentucky left end, who received the ball over the goal. Cavanda added the point for a 14 to 7 count in the opening minutes of the final period.

The remainder of the game saw Kentucky in scoring position on several occasions, but the Duke aerial defense tightened and the final whistle saw the ultimate losers vainly trying to pass for a score.

Frequent booting resulted in several sensational plays. Kicking from the fifty yard line, "Bo" Myer, stocky Kentucky quarter, booted the ball out on the six inch line to place the Duke punter in a hole. Murray ran back several punts for sen-

## U. N. C. SUPERIOR TO DAVIDSON IN 33-YEAR RIVALRY

Tar Heels Have Won Twenty Games to Wildcats Four and Four Have Been Ties.

Davidson, N. C., Nov. 8.—The University of North Carolina and Davidson College next Saturday renew a gridiron rivalry that has existed for 33 years. Twenty-eight contests have been played during that time, with the Carolina Tar Heels having a decided advantage over the Davidson boys. In those years, the University elevens have rolled up over four times as many points as Davidson. To be exact, Carolina has 325 points, compared to Davidson's 75.

Only four times in all those years has Davidson been able to take the measure of the Tar Heels, and four of the tilts have ended nothing-all. This gives Carolina a total of 20 games won. With the exception of two years, the Carolinians have never defeated Davidson over three touchdowns.

The all time record follows:

| Year   | N. C. | Davidson |

## MEXICAN STUDENT WINS DAVIDSON'S FIRST CAKE RACE

Davidson, N. C., Nov. 8.—R. C. Morrow, of Zituacaro, Mexico, won Davidson College's first annual cross country cake race for freshmen here yesterday afternoon when he came in at the head of a field of 45 contenders. His time for the one and seven-tenths miles course was 10 minutes, 30 seconds. John Laferty, Rome, Ga., came in second, and L. W. Pratt, Louisville, Ky., was third.

## Herb Nelson Proud Possessor Of Ball Used In State Game

Herb Nelson, star end on the Carolina football team, who was confined to his bed in Watts hospital, since the Wake Forest game, is the proud possessor of the football used in the Carolina-State game Friday. It was presented to him after the game by Captain Strud Nash, and sits enthroned today on his dresser in the Durham hospital.

Herb was able to get out of the hospital Friday long enough to view the game from the field house, but had to return to his bed where he will be confined for two more weeks.

Herb has been quite ill since he was confined to his bed the last of September, but now he is rapidly on the road to recovery, and is expected to be on his feet again soon. He has lost a great deal of weight during the course of his illness, but is rapidly regaining weight, and seems very anxious for the 1931 football

season to come along when he hopes to be back in shape and playing at left end for the Tar Heels.

In spite of his illness he has been following the Tar Heels through every game so far, and is keenly interested in the progress of the team.

## Hard Work Ahead For Tar Heels Preparing For Davidson Contest

Sizeable Group from Carolina Team Witness Duke-Kentucky Game.

TWO REGULARS INJURED

Slusser's Leg Is Cut and George Thompson Receives Injury Above His Eye.

The Tar Heels were idle yesterday after the game with the N. C. State Wolfpack and a sizeable group of them went over to Durham to see the Duke-Kentucky game. Things, however, will get started in the Tar Heel camp again tomorrow afternoon, and it is expected that there will be hard work ahead getting ready for the Davidson Wildcats at Davidson next Saturday.

In spite of the fact that the Tar Heels will be conceded the edge over Davidson, they will all be aware of the fact that Monk Younger is always after their scalp, and that their showing against State College Friday was not very impressive.

Coach Collins was in Durham yesterday attending the Duke-Kentucky game and could not be reached, but it is believed that he will send the team through a week of extensive and intensive training. Monday, as usual, probably will be taken up with light work to limber up sore muscles, and a short scrimmage for the "iron men," but Tuesday should see the Tar Heel camp busily engaged in drills at blocking, tackling and signal drills. The second team may be pitted against the freshmen in scrimmage.

The coaches seemed to be of the opinion that Carolina's inability to gain against State when within scoring distance was not the fault of the line or the backs, but to a general lack of coordination in the attack. Scrimmage last week was concentrated on power plays from the 10 to 15-yard lines, and it is not at all improbable that similar drills will be held again this week.

The State game left the Tar Heels with several of their regulars injured. Rip Slusser, when tackled outside the sidelines in the game, received an ugly cut on his leg which had to have several stitches taken in it. Coach Bob Fetzer said that he did not see how Slusser could get back in shape for the Davidson game but expects that he will be ready for the Thanksgiving classic with Virginia.

George Thompson received a cut above his eye, which also required stitches to close the

## FIVE FRATS LEAD IN FINAL STAGES OF INTRAMURALS

Ruffin and New Dorms Leading Dormitory Race; Ruffin Favored to Win Title.

The various clubs are taking their last wild swings for the championships and the leaders are strictly on the defensive to hold their coveted positions in the last week of the intramural tag football. At the end of the week Mac Gray and his assistants will declare the leaders of both the fraternity and the dormitory races and the play-offs will be held to decide the teams that will battle it out for the campus title.

Ruffin has practically put the dormitory title under lock and key when they toyed with the touted New Dorms outfit. Ruffin shoved across three touchdowns besides holding New Dorms scoreless. There still remains a potential stumbling block. On Thursday Ruffin squares off with Aycock, an outfit that has taken plenty but still carries a dangerous punch. With Longest throwing passes and Potter dragging them in, Ruffin has something to look forward to. Potter has shown mean ability to pack the ball in a broken field.

As usual the dopesters picked a bad one in the fraternity contest. Sigma Nu, which was expected to clean up, was defeated twice last week. The Kappa Sigs sneaked up from twelfth place and put across two touchdowns before the final whistle blew. The A. T. O.'s stayed at the top by whipping the same club.

The Deks and the Betas will fight it out on Friday for the

## TAR HEEL CROSS COUNTRY TEAMS WIN OVER DUKE

Varsity Wins 18-37; Freshmen, 24-35, as Baucom Sets Course Record.

Led by the record breaking performance of Captain Cliff Baucom, the Tar Heel cross-country team scored an overwhelming triumph over Duke, 18-37, yesterday at Duke. Heizer, who placed third for Duke, was all that kept Carolina from making a perfect score.

In completing the four and a half mile course in 23.05, Baucom bettered by five seconds the course record held by the Duke ace, Heizer. Baucom's performance was all the more noteworthy, since he was practically running on one leg. Captain Baucom injured his leg in the V. P. I. meet two weeks ago and it has only very slowly responded to treatment. In addition to Baucom, Jensen, last year's star freshman runner, suffered from stomach trouble, and as a result placed sixth.

The men broke away clean, with Baucom in the lead, who kept up that all the way. Jones and Heizer fought it out for second position, with the Carolina man triumphing. Hubbard, Cordle, and Jensen then finished almost hand in hand to complete Carolina's scorers. Flinton was the second Duke man to finish, placing seventh.

The Tar Babies, who ran the preliminary race, had almost as easy a time with the Blue Imps as the varsity, winning 24-35. Miles, Duke, ran a good race, covering the two and a quarter mile course in 14.15, to place first. Not far behind was Grover, Carolina, who finished in 14.40.
