

# Raleigh Defeats Durham To Top Eastern Section

**Goldsboro Vanquishes Wilmington To Assume Second Place While Winston-Salem Drops To Greensboro In Western Division.**

Continuing in the high school state championship race sponsored by the University, Raleigh defeated Durham high school 12-0 Friday to remain the only undefeated class A team in the eastern division. This win was Raleigh's fourth straight victory in the conference.

Raleigh's touchdowns came as a result of an intercepted pass, and a beautiful forty-nine yard run by Frazier, Raleigh end, after catching a pass. Penalties totalling 100 yards were called on the Raleigh team and the game was played on a very rough field.

Fayetteville and Wilson, also in the eastern division, played to a 0-0 tie. The game was bitterly contested, though neither team seriously threatened to score.

Goldsboro topped Wilmington 7-6 to give them second place in the standing of the clubs. Goldsboro scored in the first quarter in this tight battle and Wilmington scored in the last few minutes of play.

In the western division Greensboro knocked Winston-Salem from the top position by beating them 2-0 in the second quarter as the result of a blocked kick.

Salisbury, hitherto undefeated, lost to Statesville but this is not a conference game and so will not count.

Charlotte remained the only undefeated team in the west with its 30-0 victory over High Point. Funderburk, Charlotte quarterback, was the star of the game.

In the eastern Class B conference Henderson defeated Oxford 13-6 and Apex trimmed Hamlet 22-0. Apex now takes the title of group four of this division.

## Third of Students Have Athlete's Foot

The fact that thirty-seven and a half per cent of college students have athlete's foot has been revealed by a recent survey made by investigators from the department of Bacteriology and Preventive Medicine of the University of Texas and the Health Service of the University of Chicago.

Examination was made of three groups of students at the University of Pennsylvania, the first group composed of 278 men, the second of 181 women, and the third of 220 men. It was found that forty-six per cent of the first group, thirty-two per cent of the second, and thirty-five per cent of the third had athlete's foot.

Athlete's foot is a form of ringworm caused by a fungus which attacks the skin between the toes and causes blisters and the shedding of bits of skin. When these particles are shed in locker rooms, swimming pools, and gymnasiums they adhere to the feet and spread the disease. Many students do not know that they have athlete's foot and thus the possibilities of spreading the disease are increased.

The results of the survey led to a plea for strict examination of students in all colleges in order to prevent spread of the disease, and sterilization of college swimming pools and gymnasiums.

Directors of the West Texas Chamber of Commerce are reported to be planning to bring a million dollar suit against publishers of geographies making "scandalously and damagingly untrue descriptions of West Texas territory."

## INTRAMURAL RESULTS

### THURSDAY

#### Old East Forfeits

The Question Marks won their game Thursday afternoon by default when their opponents, Old East, failed to put in an appearance on the field.

#### Dekes Take Zetes

Delta Kappa Epsilon won a thriller over Zeta Psi by the score of five to four in first downs in one of the hardest fought games of the season. It was a hotly contested affair from start to finish and the outcome was uncertain until the last ten seconds of play. Chatham and Craig were the stars for D. K. E., while the big gains for Zeta Psi were made largely by Snow and Barber. This leaves D. K. E. topping the list with eight games won and none lost.

#### Aycock Wins Over Carr

In a game composed mainly of line plays and runs Aycock was the winner over Carr by the score of three first downs to two. This game is worthy of mention in view of its close, hard play throughout. Both teams fought hard in every moment of play and displayed an excellent brand of football.

#### Double Forfeit

A double forfeit occurred when both Mangum and Graham, scheduled to play Thursday afternoon, failed to show up.

#### Lewis Loses To New Dorms

In the first quarter of a lively game between New Dorms and Lewis a bad pass from the "J" center resulted in a fumble and the runner being tagged behind his own goal line. Lewis held the Dorms scoreless after the gain of two points until the last quarter when their opponents ran wild. Touchdowns were made by Shoats and Ferguson on intercepted passes. Hampton also scored a touchdown when he got loose on an end run. Crutchfield played a steady game for Lewis. The final score was 20-0 for New Dorms.

#### Phi Sigma Kappa Defeats K. A.'s

Phi Sigma Kappa showed fine form in winning a decisive victory over the Kappa Alpha's. A pass from Teachey to Thomas in the second quarter resulted in a touchdown. The extra point was successfully kicked by Thomas, thus chalking up the total of 7-0, which was the final score. The Phi Sigs showed an excellent passing attack during the entire game. This was their sixth game in the series and none of their opponents have crossed their goal line or scored on them yet.

### Intramurals

All games scheduled for Friday in the intramural tag football league were postponed due to the advancement of the Carolina-State game, which was changed from Saturday to Friday to allow football fans of this state to see both the Carolina-State game and the Duke-Kentucky game, both of which were scheduled for Saturday. All games postponed will be played off at a later date.

Dr. Herman Schneider, president of the University of Cincinnati hopes to eliminate many of the complexities of university organization by providing for five major university divisions. ## Davidson Ready for Game With Wofford

Davidson, Nov. 8.—The Davidson football team ran through a short signal practice here this afternoon, and then retired to their rooms to await the opening of the game with the Wofford Terriers tomorrow.

From observation this afternoon, it seemed evident that three new men would start Saturday's game, i. e., men who have not normally been in the original lineup. This trio will be Doc Mathis, at guard; Skinny Pearce at end, and Don McQueen, at full. They will replace Parker, Proctor and Brohard, respectively.

It is thought that the Davidson team will present a smooth offense to the Wofford Terriers Saturday afternoon as much of the time has been spent in offensive preparation. At the same time, they have perfected a strong defense against the Methodist plays, and will endeavor to play airtight football.

Baldy Williams, freshman was not badly injured yesterday afternoon as at first thought. He was back in uniform this afternoon after an over-night stay in the infirmary.

## State Forester to Lecture On Highway Beautifications

J. S. Holmes, State Forester, will give a lecture on "Highway Beautification" here in the Carolina theatre next Sunday afternoon at 3:15 o'clock.

A member of the North Carolina Social Service Conference, which is making a special study of highway beautification this year, Mr. Holmes will tell of what the State has done along this line and show how Chapel Hill, as a community, may help. He will outline a beautification program. The lecture will be illustrated with a number of lantern slides and a film entitled "What Is Happening to the American Landscape."

Mrs. Russell M. Grumman, president of the Chapel Hill Community Club, will introduce the speaker.

## State College Band To Honor March King

When John Philip Sousa appears in Raleigh with his band next Friday he will probably be greeted by the strains of his famous march, "Stars and Stripes Forever," played by the N. C. State College band. It will be "Sousa Day" in Raleigh, and the famous March King will present a concert that night in the Broughton high school.

Sousa's compositions are known the world over, but there is one especially that has endeared him in the hearts of State College students. It was he who composed the music for the song of their old alma mater, "Old State College Keeps Fighting Along," the words being written by Hardy Ray, of Raleigh.

The State band will greet Mr. Sousa at the Union station and escort him to the hotel. He has invited them to be his special guests at his concert.

Committees from the Raleigh Shrine Club, the American Legion, the Chamber of Commerce, and the Merchant's Association will also meet the Sousa train.

## Yellow Light Distracts Flies

New York, Nov. 8.—(IP)—That the common house fly has a preference for white light, and that he will not go near a room where there is a yellow light, has been discovered by scientists.

A firm of jam manufacturers in England first noticed the fact when they found that flies, attracted to a room where jam was stored, stayed outside the room in the corridors when yellow panes were placed in the room's windows, and that when yellow glass was put in the corridors, the flies left altogether.

## Teachers vs Research Workers

New Brunswick, N. J., Nov. 7.—(IP)—That teachers are due to receive the same rewards as research workers, is the opinion of Professor Parker H. Daggett, dean of the school of engineering at Rutgers University here. "The latter," he says, "not infrequently makes the front page of the newspaper; the former is all too often damned with faint praise."

## FIVE FRATS LEAD IN FINAL STAGES OF INTRAMURALS

(Continued from page three) right to enter the playoffs. The teams are evenly matched but the dopesters are laying any thing better than even money to come out on top in the playoffs.

The T. E. P. house, a team that carries a strong running offense besides the usual passes, will play Phi Gam, another undefeated team, on Friday. The T. E. P.'s are believed to have the edge. The A. T. O.'s according to the scorekeepers, have just one game against the Lambda Chi Alpha which if they win will put them in the playoffs.

The championship contest for the campus title should be run off the latter part of next week at a date to be set by Mac Gray. The standings are as follows:

FRATERNITY			
Team	W	L	Pct.
Tau Epsilon Phi	4	0	1.000

## TAR HEEL CROSS COUNTRY TEAMS WIN OVER DUKE

(Continued from page three) Nichols, another Duke man, copped third, but that ended Duke's scoring for awhile. Mead, McRae, Sullivan, and Farr, finishing in that order.

The Duke meet closed the regular competitive season for the Tar Heels, and the squad will devote all their attention to the coming Southern Conference meet, which will again be held in Chapel Hill on November 22. Although the Tar Heels engaged in only two meets this year, these were with powerful Conference opponents, and Carolina emerged victorious in both meets, defeating their last year's sole conquerors, V. P. I., 27-29, and repeating their triumph of last year over Duke.

## GALLOPIN' BILL MURRAY IS STAR IN DUKE VICTORY

## Hard Work Ahead for Tar Heels Preparing For Davidson Contest

(Continued from page three) wound. With careful attention to the injury and light work for him this week, he should be back in the lineup at Davidson.

June Underwood got into the State game for a few moments but was unable to do much with his injured hand, which had to be heavily padded. He probably will see action against Younger's Wildcats, but his injured hand will be a handicap to him for at least another week.
