

## Ashmore Leads Baseball Squad On Northern Tour

Team Will Meet Five Southern Conference and Tri-State League Foes.

### SEVENTEEN MAKE TRIP

Tar Heels Handicapped by Lack Of Practice Due to Rainy Weather.

Coach Jim Ashmore, Manager Art Sickles and a squad of seventeen baseball players from the University left here last night on a week's Northern tour which will carry them against five strong Southern Conference and Tri-State League foes.

Maryland, tied for the lead in the Tri-State, will be met at College Park Friday, with the first of the annual three-game series with Virginia to follow at Charlottesville Saturday. After a rest on Sunday the Tar Heels will jump back across the mountains to play Washington and Lee and V. M. I., both at Lexington on Monday and Tuesday, winding up at V. P. I. on Wednesday.

The seventeen players Coach Ashmore picked for this hard trip were: Captain Potter and Patisall, catchers; House, Peacock, Blythe and Croom, outfielders; Dunlap, Wyrick, Ferebee, Powell, Leonard and Moore, infielders; and Longest, Edwards, Shields, Hinton and Griffith pitchers.

Longest, Shields and Edwards have all been rested since last Friday, and Coach Ashmore will probably rely most on these three veteran right-handers of the Tar Heel mound corps. Which one of the trio will start at Maryland, however, hasn't been decided.

The Tar Heels will be handicapped by lack of practice as they fare forth on the tour, for five of nine games scheduled to date have been rained out, and there hasn't been a chance for much practice. The team hit and fielded well in opening victories over such Northern leaders as Cornell and Pennsylvania, but in its one previous Tri-State League start, it was an easy prey for Pitcher Williams and the hard-hitting Washington and Lee Club, 8-2.

## Symphony Orchestra To Play for Children

For some time the department of music has been engaged in working out a plan whereby the children of the Chapel Hill schools might hear a series of two or three concerts played by the University Symphony Orchestra, or a selected group of musicians from that organization. Miss Kathryn Brown, teacher of school music in Chapel Hill has been preparing the children for these concerts by a series of lessons of explanation utilizing pictures of the instruments in conjunction with the phonograph.

The date of the first concert has not been set but it is planned for the near future. There will probably be one concert in April and at least one other during May. Music suitable for the development of the power of appreciation among the children will be utilized with the various instruments individually and in groups being featured for special teaching purposes. Professor Harold S. Dyer is working with Miss Brown on the plan and will direct the concerts.

## INTERSCHOLASTIC TRACK MEET SET FOR THIS MONTH

Nineteenth Annual Meet for High Schools Will Take Place April 17.

The nineteenth annual interscholastic track meet for North Carolina high school will be run off at the University April 17. The complete list of high schools that will enter teams is not yet known but it is thought that the entries will not be less than those of previous years.

The committee in charge of this annual affair is composed of N. W. Walker, chairman, C. G. Credle, R. A. Fetzer, H. D. Meyer, J. P. Moore, E. R. Gruman, J. R. Hawkins, and W. F. Warren.

In the eighteen years of competition only five schools in the state have won the championship. In 1913, the first year that the meet was held, High Point High School won. For the next seven years straight the Friendship high school won the meet. Since then the Charlotte high school has held the championship except in 1928 when the Greensboro high school took the trophy.

The program consists of fourteen events, the usual thirteen in a regular track meet and a relay event. Ison of Charlotte high school is the only man to hold more than one individual record, holding the fastest time in the hundred yard and two-hundred yard dashes. His time for the hundred is ten and a tenth seconds and two-hundred in twenty-two and three fifth seconds.

## COMMUNITY CLUB LISTS PROGRAMS FOR THIS SEASON

The bulletin of the Chapel Hill Community Club for the coming season includes events of varied interest.

The citizenship department will meet Wednesday, April 7, at three-thirty o'clock in the Episcopal parish house. The Garden Club will meet at eight o'clock, April 8, in Davie Hall.

A representative of the Morrison-Neese Furniture Company of Greensboro will talk on "Interior Decorating" at a regular meeting Tuesday, April 14, in the social rooms of the Methodist church.

The two final programs of the year, which will culminate the year's activities, will be the program of modern Spanish music rendered by Mrs. T. Smith McCorkle on April 15 in the music building and a review of Selma Lagerlof's "The Ring of the Lowenskoilds," by Mrs. J. H. Valentine.

## INTRAMURAL BASEBALL SCHEDULE

**Friday**  
4:00 p. m.—(1) Alpha Tau Omega vs Delta Sigma Phi; (2) Phi Gamma Delta vs Phi Kappa Sigma.  
5:00 p. m.—(1) Delta Kappa Epsilon vs Theta Chi; (2) Pi Kappa Phi vs S. A. E.

## TAR BABIES WIN FROM WINSTON BY SCORE OF 17-10

Contest Turns Into Slugging Fest; Visiting Hurler Allows 19 Hits But Fans 11.

In one of the most listless games played this year, the Tar Baby nine won its second straight victory, trouncing the Winston-Salem team by the score of 17-10, on the freshman field Wednesday afternoon, Yerton, who started the game for the Tar Babies, worked a nice game for the first five innings, and allowed five hits but kept them well scattered. Clodfelter, the visiting hurler, although touched for nineteen hits, fanned eleven men and got a triple himself.

Coach Sapp used twenty-two men during the whole game and Phipps, Parker, Matheson, and McIver were the hitting stars. John Phipps drove a terrific homer into left field late in the game while Mabel Matheson, the redheaded catcher, had three hard singles for four attempts. Voss, visiting first baseman was the big gun for the losers, getting a double and a single, and on top of that he made a remarkable catch of a foul fly in the fifth inning which was nothing short of a miracle.

The Tar Babies have another game Saturday with the Campbell College team and this is expected to be a real test of the team's strength. So far the season's record of the yearlings shows a lost to Wardlaw and victories over both Roanoke Rapids and Winston-Salem. The team is anxious to win tomorrow and with two days of hard practice it should give the opposition some real trouble.

The game with Winston-Salem began with each team scoring two runs in the first stanza and was rather close. The visitors bumped Strickland and Crouch for five runs in the fifth. Then the Tar Babies came back with six runs in their half and then in the eight sewed the game up with four runs.

After the game Coach Sapp seemed satisfied with the hitting of the team but was seemingly irked at the work of the players afield. There was a total of at least six official errors recorded and the players made several "bonehead" plays which can only be cured by a lot of hard practice.

There seems to be a wealth of material at the disposal of the coaches and before the season ends there should have been ample time for each man on the squad to have shown his stuff and a very powerful nine rounded into shape. The pitching department seems to be the most uncertain at present. Yerton showed good form yesterday and should develop, and Elon Crouch has been doing some good work. Outside of these two men nothing definite is known.

The summary of Wednesday's game is as follows:

	R	H	E
Winston-Salem	10	13	4
N. C. Freshmen	17	19	6

Batteries: Clodfetter, Reed, and Carter; Yerton, Strickland, Crouch and Parker, Matheson.

## GRANT WILL NOT ENTER SOUTHERN MEET THIS YEAR

Carolina Net Ace Picks Hines And Sutter as Outstanding Southern Prospects.

Bryan Grant, ace of the powerful University of North Carolina tennis team, will abdicate the southern amateur throne this year and leave the field wide open to all comers for the first time since 1927.

The 64-inch sophomore announced during the course of a radio speech last night that he does not plan to defend the Dixie title he has held for three consecutive years. He said, however, that he would compete again in the national clay court tourney, which he won in 1930.

Grant, who ranks tenth on the national list, was a speaker on one of Chuck Collins "B. C. Sports Revue" programs broadcast by Station WPTF in Raleigh. He told his audience he rated Bill Tilden as the greatest player of all time, although he himself had held the tall Philadelphia to close scores in two matches.

Grant said he rather believed the court master was toying with him on those occasions.

The hardest match he ever played, said Grant, was against Cliff Sutter, national intercollegiate champion, in the finals of the southern tournament last year.

It was played in the broiling sun through five hard, close sets. Grant won, as he has be-jinxed the college champion every time they have ever met.

Grant picked Clifford Sutter, intercollegiate champ and Wilmer Hines, Junior Singles Champion, as the outstanding youngsters in Southern tennis today.

Wilmer Hines, Carolina's national junior champ, also a sophomore, and Coach John Kenfield made short talks as part of the program. Coach Kenfield, for 15 years a professional and coach, made interesting observations on his conception of tennis as a sport.

Kenfield said he always has advised his proteges to go out for a major sport in addition to tennis, but he thought golf and tennis would give them pleasure and enjoyment in later life, long after they're too old to be a half-back or a sprinter. To that end he supervises 40 tennis courts at the University and gives individual instruction to a large squad of ambitious hopefuls.

## PHI KAPPA SIGMA PLANS MAY DANCE

The Carolina Inn ballroom will be the scene of a dance held by the Phi Kappa Sigma fraternity Friday night, May 15. This is the second affair given by this group during this year and will be the final dance staged by the fraternity in this quarter.

Jelly Leftwich and his University Club orchestra has been secured by the committee in charge of arrangements to furnish the music for the occasion.

As the second unit in the series of two dances offered by the Phi Kappa Sigma and Kappa Alpha fraternities will come the tea dance of Kappa Alpha fraternity the following afternoon. This function will also take place in the ballroom of the Carolina Inn and Leftwich will play.

## Trackmen Entrain For Georgia Tech Tonight

ATLANTA HIGH TO MEET FRESHMEN IN TENNIS TODAY

Georgia School Will Invade Chapel Hill for Brace of Matches.

The Atlanta Boys High tennis team, runners-up for the Southern title last year, with two veterans back and added strength by the addition of an extra star in Billy Reese, will invade Chapel Hill this weekend for a brace of matches with the Carolina Frosh and with the Varsity Reserves.

The Frosh will probably be met at 3 o'clock this afternoon, the Varsity Reserves at 3 o'clock Saturday afternoon, although the order may be reversed.

The Carolina Frosh in their previous matches beat Wake Forest Yearlings 9-0 and Raleigh High 5-2. The top four who will be picked to play the strong Boys High team will probably be Dillard, Shuford, Morgan and Dockery.

For the varsity reserves the lineup will probably be Phil Liskin, Captain Ed Graham, Lenoir Wright and Lucas Abels.

The Carolina Frosh also have a return date with Wake Forest's Frosh for the weekend. If Boys High is met here Friday the Baby Deacons will be played at Wake Forest Saturday, or if the Freshman matches with Boys High are set for Saturday, Wake Forest will be met there Friday.

Tar Heels Hold 104-27 Win Over Atlanta Cinder Squad; Tech Without Eddie Hamm.

## CAROLINA STRONG IN POLE VAULT

Clash With V. P. I. Next on Schedule; Contest Is Set for April 18.

Carolina's Southern Conference track champions will leave Chapel Hill tonight for Atlanta where they will meet the strong Georgia Tech cinder squad Saturday afternoon. Last year the Tar Heels swamped the Techmen by a score of 104 to 27 in their second meet of the season, but the boys from the "Flats" of Atlanta are said to have a much stronger team this year and are out for revenge.

Tech will be without Eddie Hamm, the great broad jumper who led their scoring last spring, but they still have enough veterans left over to make things interesting if the new material lives up to early promise. Doug Graydon, the boy who has been doing such outstanding work with the javelin for the past few years, will be one of the veterans back. Graydon, along with Hamm, accounted for the majority of Tech's points last year.

The Tar Heels will present their greatest strength in the pole vault where Brodie Arnold
