

Blue Devils Overtake Tar Heels In Last Minutes To Win Close Game, 36 To 32

Phantoms Appear Stage Struck At First and Trail 15-4 at One Stage of Game.

RALLY IN SECOND HALF

Carolina Comes Back and Leads 31-25 With Six Minutes to Play; Thompson Stars.

The Duke Blue Devils halted the White Phantoms in their victorious march last night in Durham before a capacity crowd by the heart-breaking score of 36-32.

Led by their brilliant center, Jim Thompson, who racked up fourteen points for the night, the Devils led 17-13 at the half. The first half play was clearly Duke's. The Phantoms appeared stage struck and nervous, dropping passes, allowing their opponents to cut clear, and missing numerous shots from everywhere. At one time in the initial period the Devils held a lead of 15-4, and it was not until the half was nearly over that Weathers shot two one-handed beauties, Aitken got one in a beautiful shot under the basket, and Long, subbing for Hines, sank one. As the half closed the Tar Heels were beginning to become adjusted to the game and were outplaying the Dukemen.

Carolina Gets Started
Captain Hines returned at the opening of the second half and Carolina began to work on the Duke lead. Hines sank one from the floor, Brandt got a foul and then rubbed it in with a beautiful shot from the floor as Carolina shot ahead for the first time 18-17. On the next tip-off Jim Thompson connected, and the Devils were in front 19-18. Then a double foul was called

TAR HEEL BOXING HOPES RAISED BY WIN OVER V. M. I.

Coach Rowe's Fighting Machine Looks Impressive in Saturday's Victory.

The Carolina boxers returned to training with plenty of pep Monday after their decisive victory over the V. M. Cadets and they are determined to make their last home stand a successful one against the undefeated and untied Cavaliers of Virginia this Saturday night. It now begins to look as though Captain Marty Levinson's boys will have a better than even chance to come through with an upset.

Saturday night's fights showed that Coach Rowe's boys are back in high gear after the previous tie with State, and that the chances of the team against Virginia are first-rate as the Tar Heels were able to get the same margin of points over the Cadets that Virginia did and in a more impressive manner.

Norm Quarles knocked out Mickey Doyle, the boy who extended Bobby Goldstein the previous week. Doyle was never troublesome to the Tar Heel Express who rolled over him in masterful fashion. Boxing fans are talking to themselves because of what might happen this Saturday night when Norm meets the mighty Goldstein. This fight was hot right from the beginning of the season and now, after Quarles has three straight knock-out victories, it appears that the lightweight brawl alone would fill the Tin Can.

V. M. I. Editor Impressed
The sports editor of the V. M. I. paper, *The Cadet*, was quite certain before the fight that Doyle would defeat Quarles or

Tin Can Tales

by MARLING SPIKE

Perhaps we should be all hot and puffing about the Duke-Carolina basketball game, but since that's all a matter of history now, we've decided to bounce off on the subject of boxing.

Saturday brings the much-heralded Virginia fights which promise to be very much in the humdinger class, although we must admit that Carolina's chances of winning over the conference champs are problematical at best.

The biggest single event of the Virginia card will be the Goldstein-Quarles fight, which, if staged alone, would probably draw as large a crowd as the average program of sixteen bouts.

Having watched boxing here for several years and seen some rather startling reversals of form on the part of favored pugilists, Marling Spike has become a bit skeptical about picking a winner in advance without due hedging, but this time he's going to indulge—

COACHING STAFF CONDUCTS EARLY DRILLS IN TRACK

Fetzer Adopts New Card System for Checking Each Man's Records.

Coach Fetzer yesterday afternoon paraded his runners before the time watches with hopes that his men would improve with the seasoning which the early track drills will give.

The track coaching staff has devised a system of cards with the names and records of each individual aspirant for the team. The coaches hope that by these cards on file they may check each man's daily work. The managers will give out each day the work prescribed by the coaches for the man and he must see how closely he can measure up with the requirements of the Tar Heels' mentors.

Yesterday the men were given easy laps with some prescribed time to work by, and remarkably enough, a large number of the candidates easily bettered the goals set by the coaches. This just goes to show the fine condition that the Carolina tracksters are rapidly rounding into; however, a large number of the likely looking candidates for the team have not been out. Some of these men have been hindered by football practices, examinations, and even influenza has kept its total out.

Some of the weight, discus, and javelin men have been going through their paces and are gradually hitting their strides.

Changes In Football Rules Are Advocated

A couple of new football rules have been planned for presentation to the national football rules committee at its meeting in early February.

The most important deals with the forward pass. Lou Little, Columbia, says that the penalty for two unsuccessful passes in the same series of downs should be increased from five to fifteen yards. Dick Hanley, Northwestern mentor, declares that forward passes should be permitted from any point behind the scrimmage line, replacing the present restriction that the ball must be thrown from a point at least five yards behind the line. Another suggestion is that a forward pass caught by the defense after it has touched an ineligible receiver be ruled an intercepted pass, instead of an incomplete pass as has been the case.

The other important change suggested is that the ball should be brought in from the edge of the field without the loss of a down, before it is carried over the sideline.

Coach Fetzer yesterday supervised some hurdle drills for the men out for this event.

It is still not too late for all men, freshmen or upper classmen, who want to go out for the track team to report at Emerson field. Workouts are being held daily at 3:15 and 4:15 o'clock. Two different times to suit the times for the individual candidates.

GENERALS WILL PROVE HARD FOE FOR WRESTLERS

Varsity Mat Coach Puts Charges Through Series of Hard Drill In Practice Yesterday.

Coach P. H. "Chuck" Quinlan, varsity mat mentor, put his men through a series of hard drills yesterday afternoon, priming his charges for their next wrestling meet with the Washington and Lee Generals in Lexington Saturday night.

The Lexington school is reported to have another strong wrestling club, equal to its last year's edition. For the past three years, the Washington and Lee wrestling teams have been undefeated in Dixie while amassing a record far surpassing that of its next door neighbor, V. M. I. Since these two schools do not have athletic relations with one another, both schools, undefeated in the south, claim jointly the title of the southland. By comparative ratings of the records of the two schools, the Generals have the edge.

Coach Gloomy

"Carolina will be lucky to count five points," said Coach Quinlan yesterday afternoon. "The Tar Heels are looking better since their V. M. I. meet, and should be in an improved condition Saturday; however, the Lexington team (Washington and Lee) has five likely looking sophomores who did well last year as freshmen in addition to a veteran trio of seniors which

TWO TEAMS KEEP PERFECT RECORD IN FRAT LEAGUE

Swain Hall Retains Its Lead in Dormitory Group by Defeating Lewis 28-18.

Tau Epsilon Phi, Zeta Psi, and Swain Hall retained their positions among the undefeated quintets in the two intramural basketball races yesterday, but the two fraternity outfits were hard-pressed to keep from dropping decisions.

T. E. P. gained its fifth win of the season, 23-22, at the expense of a hard-fighting D. K. E. five which fought to the last second. The Dekes trailed 6-4 at the end of the first quarter, and 13-10 at the half, but pulled up to take a brief lead of 19-18 as the third quarter ended. The last period was close. While the whistle blew the game's end with the score 22-22, a double foul involving Eisenberg of T. E. P. and Alexander of D. K. E. occurred. On the free shots resulting the game was decided, for Eisenberg sank his, while Alexander's was no good. Alexander had been the leading factor in keeping the Dekes in the running, however, having scored seventeen of his team's points. Lusson and Jacobs scored seven and six respectively to lead the T. E. P. attack.

Zeta Psi Wins

Theta Chi dropped its fifth game in six starts to Zeta Psi yesterday, 30-28, but in doing so ran the game into an extra period

There are other good cigarettes, of course.

To TELL you that Chesterfield is the only good cigarette . . . that the makers of Chesterfield Cigarettes are the only ones who can buy good tobaccos and manufacture cigarettes scientifically . . . would be nothing short of foolish.

For all tobacco is sold in open auctions—where anyone can buy if he will pay the price. Even the machines on which different cigarettes are made are alike.

This much, however, is true: By using the right kinds of Turkish and Domestic tobaccos in just the right proportions . . . by blending and cross-blending them together in the most careful way . . . we make Chesterfield what smokers say it is . . . a cigarette that's milder, that tastes better. Just try them.
