

Heels Out For Revenge Over Duke Five Tonight

Leadership in Conference and State Races at Stake in Contest in Tin Can at 8:00.

FROSH TEAMS WILL PLAY

Game Between Blue Imps and Tar Babies to Act as Curtain-Raiser for Varsity Game.

The Carolina basketball squad has been working its hardest of the season this week and is expecting to be at its peak for the all-important return game with Duke here tonight at 8:30 o'clock.

A Carolina-Duke freshman game starting at 7:15 will precede the varsity contest.

Big Crowd Expected

Extra bleachers are being put in readiness, and there should be plenty of seats for all comers, early and late. The biggest crowd of the season is expected.

This should mean that a royal thriller is in store for the great crowd that is expected. Duke is undefeated in the Big Five, while Carolina's one loss was at Duke, 36-32.

Conference Lead at Stake

Moreover, the conference lead will hinge in the balance. Both teams are otherwise undefeated in the conference except single losses at Maryland, and both teams hold victories over two teams, V. M. I. and Washington and Lee, which beat Maryland away from home.

With so much at stake, these old rivals are due to be primed

FROSH RINGSTERS LEAVE TODAY TO MEET OAK RIDGE

Tar Babies Will Be Forced to Forfeit Heavyweight Bout Due to Loss of Kanner.

Ten freshman boxers will set out for Oak Ridge this afternoon at 12:30 o'clock where they will meet the prepsters in a dual meet tonight.

With a glorious record so far this season, the chances for the team continuing its undefeated string tonight is uncertain. With the same team that took Virginia over the hurdles last week, the Tar Babies would have been a hundred to one shot to come through for Virginia was reputed to be the best frosh outfit in the south, but with several untried boys working and with one bout already lost to Oak Ridge by forfeit, Coach Allen's maulers have the odds against them.

Murry Kanner, lost to the team, leaves a vacancy in the heavyweight class which no one has as yet applied for, leaving Coach Allen nothing else to do but forfeit that bout.

Dean, who got a little experience in the intramurals, will work for the first time tonight. He fights as a welterweight and as he is big and rangy, he may develop into a good fighter. Horner, another newcomer, will get his chance tonight in the 155 pound division.

Eutsler, flash little bantamweight who stole the show last Saturday in the frosh meet, will go in his usual capacity. He is undefeated this year and is one of the best prospects on the team.

Frucht or Edwards will see action in the featherweight class, while Glenn, Flaherty, or Genrette, another new boy with promise, will go along as lightweights, Coach Allen being uncertain as to which of the three he will use.

Ellisberg, undefeated middleweight, and Owlick, who fought once and lost a four round decision, complete the line-up.

Tar Heel Star

Stuart Aitken, smart Tar Heel, who is expected to figure greatly when Carolina and Duke meet in the Tin Can tonight. In the first game between the two teams this season, Aitken scored seven points and led the Heels on the floor.

FRESHMAN CAGE TEAM WINS OVER DARLINGTON PREP

Tar Babies Set to Play Blue Imps in Tin Can Tonight At 7:15 O'clock.

Carolina's freshman cagers continued their unbeaten record over prep school teams by downing Darlington 41 to 26 in a fast but loosely played tilt last night.

Darlington had a fast passing team but could not make their shots count. The Tar Babies also missed frequent throws at the basket. Carolina's yearlings jumped into a six point lead before Darlington was able to count. The prep school then took the upper hand and got a 10 to 9 lead before the Tar Babies could steady their defense. From here on the freshmen were never in danger, and led by the shooting of Moore, they ran up at 21 to 12 lead before the opening half was over.

With Rankin leading the way, the Tar Babies continued building up a big lead, holding a margin of 36 to 16 after the teams had been in action only six minutes of the second half. Coach Dameron then sent in his second team which finished the game. Darlington clearly outplayed the second team but not enough to overtake the wide margin.

Jim McCachren, newly elected captain of the Tar Babies, led the play of the winners. Captain McCachren played a beautiful defensive game and also added much to the offense. Potts, forward, and R. Hackett, guard were the stars for the visitors, both playing steady floor games throughout. Moore, freshman forward, led the scoring with

CAMPBELL'S 'BLUEBIRD' MAY RACE TOMORROW

Sir Malcolm Campbell and his fourteen-cylinder "Bluebird" may roar down Daytona Beach tomorrow in an attempt to better the Englishman's own world speed record.

The speed ace is waiting only for the beach to be whipped into suitable shape for high speed racing. "It's much better than at any time since my arrival," said the British daredevil Thursday. "While it's impossible to say when everything will be ready because of the contrary weather, it seems that the beach should be in shape by Sunday or Monday at the latest."

PHI DELTA THETA SMOTHERS ZETA BETA TAU, 74-6

Ruffin, Old East, Betas, Sigma Nu, and Sigma Chi Are Other Winners.

Phi Delta Theta crushed Zeta Beta Tau, 74-6, yesterday in the intramural race, with all five men on the winning team scoring twelve or more points. Moffitt had nineteen, Tucker sixteen, Mosier fifteen, and Hershey and Parker twelve each. Brown and Shell scored all the points for Zeta Beta Tau.

Ruffin Wins

Ruffin, campus champion last year, disposed of Mangum as a pennant contender, handing the hitherto undefeated five a 26-22 setback in an overtime game.

The eventual winners got off to a good start, taking a lead of 6-4 in the first period, but Mangum staged a comeback to hold a 16-6 advantage at the half-time whistle. This lead dwindled in the second half, but with three minutes to go Ruffin was still trailing.

Sigma Nu downed Kappa Alpha, 34-22, with Joe Griffith scoring thirteen points for the winners. Bost added ten to this score, while Skinner's thirteen stood out for Kappa Alpha. Ed Everette's bid for scoring honors was halted temporarily as he scored only two points.

Old East, conquerors of Ruffin earlier in the season, kept up its high-powered scoring, crushing Manly, 53-11. Fox and Hinson got nineteen and twelve points respectively to add to their high totals for the season to date. Wright's six points were the best single contribution to the Manly total.

Betas Down Phi Gams

Holding their opponents scoreless throughout the first three quarters, the Betas smothered Phi Gamma Delta, 36-3. Billy Tenille shone for the winners, amassing fourteen points, while Trainer and Dunn got ten and six respectively. Henry Anderson's fine defensive work was instrumental in holding the Phi Gams to three lone points, scored by Hoggard late in the final period.

Sigma Chi outscored Sigma Phi Sigma, 16-11, in a dull contest. Phelps and Brayhill for the winners and Froneberger for the losers all scored six points.

MAT WIN FAILS TO IMPRESS QUINLAN

The varsity wrestlers broke into the win column for the first time this year when they decisively downed Duke's grapplers 20-8, but Coach Quinlan, Tar Heels' mat coach, was not impressed with five time decisions and only one fall.

"The varsity mat men were up against tough enough competition, but they certainly looked better against V. M. I. and Washington and Lee than in their bouts last night," Quinlan said in a statement yesterday afternoon.

Carolina's varsity and freshmen mat candidates will be given a short termination of training until Monday when they will resume practice, priming themselves for the Davidson meet, February 25.

DEACONS LOSE CAGE TILT TO WASHINGTON

George Washington University cagers stopped Wake Forest Thursday in Washington to the tune of a 38-28 tally.

The Deacs pulled quite a surprise by holding the capital city lads to a 14-all deadlock at the half, but the North Carolina boys couldn't stand up against the Colonials when they cracked down in the second period.

DEPENDABLE DUKE GUARD

Herb Thompson, Blue Devil guard, will probably be in Coach Eddie Cameron's starting line-up tonight. Both the Big Five and Southern Conference leads will be at stake when the opening whistle blows at 8:30 o'clock.

WEATHER FORCES RUNNERS INDOORS

Tin Can Work-outs Will Probably Continue Due to Nearness of Conference Meet.

Inclement weather forced Carolina's track team to seek refuge indoors yesterday afternoon. This might be termed as a gesture on the part of Providence in that the Tar Heels must start priming themselves in earnest for the conference indoor track meet which is little less than a month off.

Coach Dale Ranson supervised the work-outs in the Tin Can yesterday. Some of the hurdling candidates were out for work and drills were held on the wrestling mat. Hawthorne, Abernethy, and Glenn looked best among those clearing the single hurdle used in the short workout.

Ranson announced that the entire track squad will have an indoor drill Tuesday night at 7:30 o'clock in the Tin Can, and if the snow and sleet continue the Tar Heels will hold all their weekend drills indoor.

Virginia a Threat

One of the main reasons that the Tar Heel track men are plunging into their work at present may be due to the fine form Virginia showed in trouncing Washington and Lee 63 2-3 to 26 1-3 in a dual meet held at Charlottesville. Coaches Fetzer and Ranson are anxious that their charges should look good in the conference meet and are therefore beginning work.

In the Virginia-Washington and Lee meet, one of the most

LOYOLA COACH ELECTED TO SUCCEED AL STAGG

Clark D. Shaughnessy's appointment as successor to Amos Alonzo Stagg as gridiron coach at Chicago University has been officially approved by the board of trustees at the Windy City institution.

Shaughnessy, who gained a reputation at Loyola, New Orleans, as a "one-man coaching staff," was chosen by Thomas Nelson Metcalfe, new Maroon director of athletics.

The new coach is the second ever had by the University of Chicago. Stagg had served ever since the inception of athletics there forty-one years ago. Now that the latter has passed President Robert Maynard Hutchins' age limit of seventy, the old maestro has taken the advice of Horace Greeley and gone out west into the football country.

FOOTBALL STARS WILL SCRIMMAGE

"Georgia Tech" and "Vanderbilt" Will Clash in Practice Game This Afternoon.

Carolina's other pair of winter practice grid teams, "Georgia Tech" and "Vanderbilt" will swing into action with a game in Kenan stadium this afternoon at 2:00 o'clock. "Georgia" trounced "Virginia" 24-13 in the first of the series of bi-weekly round-robin games Wednesday.

"Tech" Is Veteran Team

Of the teams to clash Saturday, "Georgia Tech" has veterans all along the line and in the backfield. "Georgia Tech" looks like the team Coach Chuck Collins hopes will come through for Carolina next fall.

Julian Frankel and Leo Manley man the flanks. Jim Tatum and Bill Collins are at the tackles, George Barclay and Edwin Kahn at the guards, and Gordon McIver at center. In the backfield there will be an all-star quartet of Pepper Martin, quarterback; Johnny Phipps and Kay Thompson, halfbacks, and Bill Croom, fullback. Every man is a letterman except Manley and Martin. Martin played frequently last fall, and Manley has showed much promise in practice.

"Vandy" Line-up

The "Vanderbilt" line-up will be Bill Moore and Bus Arthur, ends; Tom Evins and Sam Hobbgood, tackles; Stevens and Emmett Joyce, guards; Murray Kanner, center; Charlie Woollen, quarterback; Red Phelps and Johnny Daniel, halfbacks; and Herman Snyder, fullback.

This line is an all-freshman affair except for Stevens, who

TERRORS WIN THIRD IN BIG FIVE RATING

North Carolina State College Red Terrors took third place in Big Five cage rankings Thursday night when they bowled over Davidson, 39-16, at Davidson.

Leroy Jay, forward, and George Beageen, center, were the big guns in State's win. Beageen piled up eleven points. Jay scored nine. Dickerson topped the 'Cats with seven tallies.

Previously State had lost contests to Carolina and Duke, but now they have attained a percentage of .250 for one win in a quartet of games. State is good for third place in the Big Five.

TAR HEELS WILL BOX PENN STATE MITTMEN TONIGHT

Strength of Both Teams Uncertain and Outcome of Meet Difficult to Predict.

In the first meet away from home in a month, the Carolina varsity boxers will engage Penn State tonight at State College, Pa. The team arrived yesterday and will weigh-in this afternoon.

As both teams' strength is uncertain, the outcome of the meet would be difficult to predict. State has lost several of last year's letter men through graduation and its line-up tonight will present many new faces. Carolina's line-up will have most of the boys who faced Virginia starting, but they have been shifted around in the heavier divisions and the result of the shift, whether favorable or otherwise, will not be known until the fighters answer the gong.

Giddins and Brown Swap

Sam Giddins, Peyton Brown, and Tom Parsons all figure in the change. Giddins, regular middleweight, will be fighting for the first time as a 155 pounder, while Brown will have Giddins' old post instead of his usual lightweight spot. Parsons, who has seen action once this year, will be the 175 pounder.

In another change, Pete Ivey will work for the first time this year, stepping into Cliff Glover's place as bantamweight. Ivey is a fairly good bantam and is in

ALBRIGHT PLANS FOR INTRAMURAL INDOOR CONTEST

Director of Graham Memorial Announces Tournaments in Bowling, Ping-Pong, Pool.

Mayne Albright, director of Graham Memorial, announced yesterday that the long promised bowling, ping-pong, and pool tournaments for the winter quarter will start in a few days. The indoor games will be part of the intramural program.

In the bowling tournament, each dormitory and fraternity may enter a three man team. Each team will bowl at a scheduled time in a qualifying round. Teams qualifying will be bracketed and seeded, and then the elimination rounds will begin. The winner of the fraternity tournament will meet the dormitory champion for the campus title.

The bowling alleys will be reserved from 2:00 until 5:00 o'clock every week day and games will be scheduled between these hours. No cost will be involved in entering of players in the tournament. Teams should apply for entrance to Mayne Albright at Graham Memorial before 6:00 o'clock Tuesday, February 14, and no teams will be registered after that time.

Generous allotment of points in intramural standing will be allowed organizations entering teams in the competition. Each team participating will receive twenty-five points. The winner of each bracket of the tourney will receive forty points, the other finalist thirty points, the eliminated semi-finalist twenty points, and the eliminated quarter-finalist ten points. In the fraternity league the teams eliminated in the preliminaries will receive five points. In the Grail scoring toward the individual cup, the men on each team will be given five points for winning or one point for losing.

The ping-pong tournament will be run at the same time and
