## ITALIAN SPEAKER OPPOSES FORMS OF DICTATORSHIP

(Continued from first page)

a monarchial dictatorship, which was strong physically and weak morally, just as present dictatorships are. When the war was over the government and country collapsed, and now the people are under the rule of Hitler. As for Hitler, Count Sforza told the audience that a mixture of "Big Bill" Thompson, ex-mayor of Chicago, and some Ku Klux Klanmen would produce a Hitler.

His hatred of dictatorships was shown by the Count when he declared that countries which permit themselves to be subjected to a dictatorship deserve the lowering of national character that is brought on by that form of government.

The Fascist idea, according to the Count, is turning toward a rebirth of the Roman Empire, which is a foolish and impossible ideal. In conclusion the Count stated the reason for the support of dictatorships by so many writers. He said that democracy seemed so perfect to everyone that when a small part of it failed, they attacked the whole system instead of merely the party which showed the weakness.

Wilson high school, boxing champion last year, will participate in the tournament this year, but Durham, 1932 wrestling title-holder, has not as yet entered to defend its crown.

## Sponsored by University

The sports affair is conducted by the University through the extension division and under the supervision of E. R. Rankin, chairman of the high school athletic association committee. Coach Quinlan will be in charge of the contests.

The Wilson mitt outfit boasts five undefeated ringsters to defend the laurels, including Andrews, last year's 115-pound champion. Goldsboro also boasts a strong team, with Langston, 155-pounder, and Evans, 145-pounder, both unbeaten in competition this year. Rocky Mount, Charlotte, and Raleigh are other strong boxing aggregations that have entered.

## Wrestling Favorites

In the wrestling tournament, Barium Springs undefeated, has the best record. It has already beaten Durham, the 1932 victor, twice in pre-tournament matches, and overwhelmed Leaksville. Wilson has also entered these events.

## BOXERS BEATEN FOR FIRST TIME DURING SEASON

(Continued from page three)

fans who had Marty doped to go undefeated this season. His opponent boxed in superb fashion much after the fashion of Bobby Goldstein and he was piling up points before Levinson realized just what he was up against. The Tar Heel came back strong and made the fight very close in the latter half; but Napoleon had it sewed up and Marty could not overcome his early lead, though a he came within a hair's breadth of stopping his tiring foe in the third.

Platt Landis, who has not been forced beyond the first round since the opening meet of the season against V. P. I., showed that he could still travel the distance and win handily. Although his knockout string was broken, Landis never looked better, boxing his rugged adversary and handling him nicely throughout. He is still the best bet to take conference honors.

Fighting in his natural division as a lightweight, Furches Raymer subbed for Quarles and turned in Carolina's other victory of the night in beautiful fashion. Raymer looked smooth in his second start this year and he won in clear-cut fashion from a rugged Stater who went out to get the Tar Heel from the opening bell.

In the welterweight bout, Nat Lumpkin made a strong comeback and nearly took the decision from Johnny McAndrews, Penn star. It was close all the way and, at times, Nat appeared to have it won, but McAndrews came strong to take one of the closest verdicts of the meet.

## Ivey Proves Himself

Pete Ivey, filling in for Cliff Glover, injured bantam, did a top-notch job of it and gave Miller of State all he could handle for the full time. Pete is to be complimented for making the fight so close, for Miller is one of the toughest bantams in college boxing in the north.

Swinging leather as a middleweight for the first time this year, Peyton Brown engaged in a furious argument with Slusser of State and dropped the verdict after three fast rounds. Although Peyton copped their last year's affair, Slusser has improved tremendously and has developed a terrific sock in either hand, particularly in his right.

Nabel of State did not have much to spare over Tom Parsons, light-heavy, at the end of their encounter. Parsons nearly stole the show by putting up a whale of a scrap against the Pennsylvanian and coming down the stretch to make a strong finish.

With four regulars missing from the line-up the Tar Babies also fell for the first time of the season, losing to Oak Ridge 5-3. Edwards, Jeanette, and Ellsberg conquered for the freshmen, while their mates Eutsler, Flaherty, Owlick, and Hornaday dropped decisions. Carolina forfeited in the unlimited division.

## How To Avoid BONERS

AN INCUBATOR  
IS SOMETHING YOU  
BURN RUBBISH IN

TSK! TSK! Isn't it too bad! Bill Boner thinks a blizzard is something you find inside a fowl!

Why doesn't somebody give him a good pipe and some tobacco? For a pipe helps a man to think straight. Of course, it's got to be the right tobacco. But any college man can guide him in that. A recent investigation showed Edgeworth to be the favorite smoking tobacco at 42 out of 54 leading colleges.

Which is only natural—for in all tobaccoedom there's no blend like the mixture of fine old burleys found in Edgeworth. In that difference there's a new smoking satisfaction, a new comfort, for the man who likes to

think and dream with a pipe between his teeth.

Buy Edgeworth anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All sizes—15¢ pocket package to pound humidifier tin. If you'd like to try before you buy, write for a free sample packet. Address Larus & Bro. Co., 120 S. 22d Street, Richmond, Va.
