

FULL SCHEDULE FOR UNIVERSITY DAY ANNOUNCED

Exercises in Memorial Hall Will Be Featured by Address Of Judge Winston.

Combining the customary observation of the founding of the University and the program for parents which is being sponsored by the Graham Memorial student union tomorrow, will present a full day's program.

The 140th University day will be officially observed at exercises in Memorial hall, beginning at 11:00 o'clock, and featured by an address, "Aycok: His People's Genius," by Judge Robert W. Winston, of the University class of 1879. Other features of the morning exercises will include an appearance of the University Glee club under the direction of H. Grady Miller, announcement of memorial tablets installed in Memorial hall during the past year, and a tribute to University alumni and students who have died during the year.

The Founders' day oration, delivered by Judge Winston, is fittingly and timely chosen. Judge Winston was a college-mate and law partner of the late Charles B. Aycok, whom North Carolina delights to call her "Educational Governor." Judge Winston has been spending the major part of the summer collecting material for this address.

The first co-ed dance of the year begins this week-end's social activities. Johnny Long and his Duke Collegians have been signed to play for the dance, which will be given in the Tin Can, beginning at 9:30 o'clock.

The Georgia game Saturday afternoon is the high-light of the week-end and the Tar Heels will be hard pressed to uphold their end in the encounter.

The Order of the Grail will present its second dance of the current quarter Saturday night in the Tin Can at 9:00 o'clock. Johnny Long will also be music-master for the evening.

The battered scene of winter sports will be resplendent in festive garb. Purple and white crepe paper will form the ceiling, these being the colors of the Grail.

The Duke Collegians, a relatively new band at Carolina functions, will play for both dances. The band played all summer at White Lake and was acclaimed there as one of the outstanding of college orchestras. The band gave auditions to the leaders of the Grail Friday night and met with instant approval.

STUDENT COUNCIL UPHOLDS BARNES

Morty Ellisberg Will Retain Position as President of Second-Year Class.

The Student Council Monday night unanimously upheld Harper Barnes' appointment of Morty Ellisberg to the presidency of the sophomore class, and Barney Keeney to the position of vice-president of the class.

The resolution which the council passed is as follows: "The vice-president of the sophomore class shall automatically succeed to the office of president, and the chairman of the executive committee shall succeed to the office of vice-president."

The council based its decision, which over-ruled a resolution of the sophomore executive committee, on parliamentary procedure and on precedent. Last year vice-presidents succeeded to the presidency of the sophomore class on three different occasions, each time upon appointment to that office by the president of the student body.

Elections for the secretary, a position left vacant by Vance Young's failure to return to school, will be scheduled at the discretion of the president of the class.

INJURED WORKERS REPORTED BETTER

Brown and Baldwin Improving At Durham Hospital; Minor Recuperating Slowly.

C. R. Brown and A. G. Baldwin, painters for the University buildings department who were injured Monday by falling from a scaffolding while painting Phillips hall, were both reported in slightly improved condition yesterday at the Watts hospital in Durham.

Brown sustained a number of serious injuries from the fall, fracturing his skull, both arms and right leg, and badly bruising his right side. Baldwin was less seriously injured, receiving a fractured ankle and contusions of the chest.

The accident occurred shortly after 1:00 o'clock Monday as the men were painting from a scaffolding swung in the rear of Phillips hall about 40 feet from the ground. They were standing on a ladder swung between ropes and covered by a thin board, when the ladder broke and the board gave way beneath their weight.

Brown, of Hillsboro, was formerly a student in the University. Baldwin is a local man.

Sidney Minor, University freshman who was injured in an automobile accident Tuesday, is recuperating slowly, officials at Watts hospital said yesterday.

Minor sustained a fractured vertebrae of the spine when a car which he was driving swerved from the Hope Valley road and ran into a field. Maurice Hoggard, a freshman from Lewiston, was also injured in the accident, but has been released from the hospital after treatment.
