Services for Dean of Faculty to Take Place in Episcopal Church Here.

Funeral services for Dr. Walter Dallam Toy, distinguished and beloved member of the University faculty, who had served this institution for nearly half a century, will be held here tomorrow afternoon in the Episcopal church at 3:30 o'clock, with the Rev. Alfred S. Lawrence, the rector, officiating. Burial will be in the Chapel Hill cemetery. Dr. Toy, who was the oldest member of the faculty and had been its secretary for 43 of the 48 years he taught languages here, died Tuesday night following a brief illness.

Tributes to Dr. Toy and messages of sympathy poured in upon the family today. They came from associates here and from far away points, for Dr. Toy had a wide circle of friends.

President Frank P. Graham said of him:

"The University has lost a precious part of its own life. In 48 years his spirit has been woven into the inner texture of the institution that can never let him die. A teacher, an eminent scholar, and a gracious and courtly gentleman, he carries with him the love of all the people of this community and many generations of University students."

Robert B. House, executive secretary of the University, who succeeded Dr. Toy as secretary of the faculty a year ago, said:

"He was the finest possible example of the scholar and gentleman, and the most beautiful illustration of the spiritual quality of the University."
