McRae was Mangum's chief scoring threat with two touchdowns and as many extra points. Efland's play was outstanding throughout. Moser and Thompson were best in line play of Mangum. Yandell and Barron carried off honors in the play of the New Dorms.

Kappa Sigma was victorious over Sigma Chi in a hotly contested game by a 6-0 score. The lone tally was made on the last play in the first half. Eagles punted to Keeney, the ball glancing off his shoulder and rolling over the goal, Rosser recovering.

Both teams threatened to score several times in the last half but were unable to register. Hubbard and Thorpe aided the Sigma Chi cause, while Eagle's running featured for the Kappa Sigs.

Although Phi Kappa Sigma and Phi Alpha were deadlocked at 6-6, the former held a slight margin of five first downs to three to take the contest. Dos-

Andrews Says Hurry

Students who have not visited Wootten-Moulton's on schedule for their Yackety Yack pictures are urged by Alex Andrews, year book editor, to have their photographs made immediately or within the next few days.

The schedule was arranged to facilitate the photographic work but pictures can be taken at any time before November 1, the deadline. A last minute rush, however, would seriously impair the work of the photographers and for this reason, Andrews urges action.

GARY COOPER TAKES LEAD IN SHOW TODAY

"One Sunday Afternoon," which plays at the Carolina theatre today, gives a good idea of the cultural and economic life of a small mid-western town in the early 1900's through the unusual props employed in the picture.

Gary Cooper takes the starring role, and his supporting cast includes Fay Wray, Neil Hamilton, Frances Fuller, and Roscoe Karns. The film was adapted from the Broadway stage success of the same name.

There will be a special showing of "My Weakness," featuring Lillian Harvey and Lew Ayres, tomorrow night at 11:30 o'clock. The doors will open at 11:15 o'clock. Due to a conflict with the Georgia game Saturday, "My Weakness" will be closed during the game, but will be reopened immediately afterward.
