

Second Team Licks First Club In Winter Football Drills, 14-13

Gene Barwick and Buck Feature Second Team's Triumph by Scoring Touchdowns as Results of Beautiful Aerial Offensive Game.

YEARLINGS COME THROUGH

Shaffer, Veteran Back, Big Noise In First Team's Offense, Playing with Reckless Abandon.

Displaying plenty of spirit and driving power, the blue second team licked the first white eleven, 14-13 yesterday afternoon in another of a series of Saturday intra-squad contests which are being held during winter practice.

Coach Snavely was again well-pleased with the showing of the squad, especially the blocking of the second team. He plans to bring the winter work to a close next Saturday with a final intra-squad scrimmage which will be in the form of a regular contest.

The freshmen featured the play most of the afternoon. Dashiell, passed, punted, and ran in great style; Fleming ripped off several beautiful runs; Cooner and Hutchins hit the line for some good gains while Stuart blocked and ran well. Wrenn, tackle; Buck, end; and McIver, guard, also starred in the line.

Charlie Shaffer, veteran back, continued his good work and was especially outstanding on a reverse around left end run. Gardner, center, was the outstanding lineman during the afternoon, getting in on play after play, while Evins, Moore, and Joyce were other lettermen in the forward wall to star.

How They Scored

The second team scored soon after the scrimmage started, passing and running from their own 30-yard line to the zero marker. Dashiell's passing and Stuart's running were best, with a pass, Dashiell to Barwick, accounting for the touchdown.

The White team came right back to tie the score at 7-7. Cooner intercepted a pass on the 50 and ran to the 37. Hutchins and Shaffer drove for a first on the 24. Shaffer went on a reverse to the 8, and then after the second team held for three downs, Hutchins hit the middle of the line for the marker. Trimpey, tackle, kicked the point.

Another pass netted the second club a second touchdown. Taking the ball on the varsity 37 as a result of a fumble, the second team could gain but two yards in three downs. On the fourth, however, in kick formation, Dashiell shot a pass to Buck on the 10-yard line and the lengthy end fell over the goal. Wrenn, tackle, faking a drop-kick, tossed a short pass to Fleming for the extra point.

The second team was also responsible for the last touchdown when half of them changed to the White team. After Dashiell had sent a quick kick from his own 15 to the White 20, a distance of 65 yards, the last drive started. With Fleming doing some beautiful running off-tackle and Cooner hitting the line for gains the first team made five first downs and a marker when Cooner went over from the 8.

The first string team was made up of Buck and Moore, ends; Trimpey and Evins, tackles; Barclay and Kahn, guards; Gardner, center; Dunham, quarterback; Cooner and Shaffer, halves; and Hutchins, full.

The second team lined up with Barwick and Ray, ends; Wrenn and Mizell, tackles; Joyce and McIver, guards; Pendergraft, center; Stuart, quarterback; Dashiell and Montgomery, halves; and Yeager, fullback.

RUFFIN-S. A. E.'S MEET FOR MURAL TITLE TOMORROW

Dormitory and Fraternity Champions Meet for Campus Intramural Basketball Crown Tomorrow Night in Tin Can at 7:30 O'clock.

BOTH FIVES SIX FOOTERS

Each Contingent Plays Intirely Different Type of Basketball; "Fur Likely to Fly."

Intramuralia's two undefeated basketball quintets will vie for all-campus honors tomorrow evening at 7:30 o'clock in the Tin Can when S. A. E., fraternity title holder, and Ruffin, dormitory champions, clash in the final round for the University title.

Both teams have defeated all their opponents, while Ruffin has had the distinction of vanquishing every contingent entered in the dorm group of the tourney. It is fairly well ascertained that the dormitory champions are the highest-scoring outfit in the program.

Have Big Boys

Height has played a major part in bringing both the aforementioned aggregations together. Man to man, S. A. E. and Ruffin have the tallest players in the competition.

McDonald, Minor, Scott, and Morgan are all six-footers on the S. A. E.'s team with Freeman, alone lacking that height. Ruffin lines up in a similar manner, four of its men measuring six feet.

Style of Play

The respective champion contingents are evenly matched insofar as height, a determining factor, is concerned, but both Ruffin and S. A. E. differ widely in their style of play.

The fraternity champs play more of an offensive game than does Ruffin. Fighting every moment for possession of the ball, the S. A. E.'s do not remain in their own territory waiting for the opposition to pass mid-court, but force the play on every part of the court.

Minor Stays in Hole

The lanky "Ike" Minor, high-scoring center goes down into a pivot position on the offense and covers the foul district on the defense. He is the sole S. A. E. man employing a zone defense.

Ruffin uses a man to man offense and defense, relying mainly on accurate passing and fine shooting to tally. Most of Ruffin's points this year have been tallied from inside the foul line.

The probable line-ups:

S. A. E.	Pos.	Ruffin
Freeman	l.f.	Henson
McDonald	r.f.	Weathers
Minor	c.	Fox
Morgan	r.g.	Peacock
Scott	l.g.	Furches

TAYLOR TO READ O'NEILL COMEDY

(Continued from page one)

masks denoting the double-facedness of life, no pseudo-Freudian soliloquies, no sedulous spring of Aeschylus. O'Neill reveals a new facet of his genius."

W. P. Eaton, in "Booklist," says of "Ah Wilderness!": "If O'Neill wished to prove he could write a 'normal' play, he has certainly done so. If he wished to prove he could write a play which would be popular with the masses, across the continent, he has also done that."

There will be no admission charge.

INDOOR MEET STARS

Above we have just a few of the many track luminaries who will be featured in the fifth Southern Conference indoor meet which will be run off in the Tin Can Saturday, March 10.

Top left, Odell Childers, flashy Carolina sprint and broad jump star; center, Captain Bob Bird, great Duke distance man; and right top, Frank Abernethy, spectacular hurdles ace for the Tar Heels.

Center insert, Luther Williams, Duke's big shot-putter, who will compete with Captain Bob Coles, Virginia (lower right hand corner), in the weights.

Grover Everett, Virginia's star hurdler, who tied the world's record in the 50-yard lows at Catholic U., will be another one of the shining lights of the meet.

Galaxy Of Fast Track Stars Entered In S. I. C. Indoor Meet

Entries were in from nine of the conference institutions today with a chance that the 10th would send a small group of stars, making this the first of the indoor meets in which every team in the conference has competed. Prospects are for a correspondingly large and brilliant field in the other divisions of the big meet, the non-conference, freshman, and scholastic.

Duke won the indoor and Carolina the outdoor championship of the conference last year, with Virginia nosing Carolina out of second place indoors and Duke taking second place over the Cavaliers outdoors.

Hurdles to Be Good

Two of the feature events this year will be the hurdle races between Grover Everett, Virginia, who tied the world record for the 50 yard low hurdles at the Catholic U. games this winter, and Frank Abernethy, Carolina, who is the conference high hurdles champ outdoors and who split honors with Everett in their races last year.

Captain Bob Coles, Virginia, who is remembered as a star tackle on the Cavalier eleven of last fall, came within a half-inch of equalling the shot put record at the 1933 meet. The duel between Coles and Luther Williams, Duke's sophomore big shot, is thought certain to produce a new mark in this event.

Two-Mile Duel

Bob Bird, who captains the Duke team, will run the two-mile against Bill Dunaj of Washington and Lee, who deposed him as conference cross country champion this year in another feature event.

Odell Childers is Carolina's star sprinter-broad jumper. The 60-yard dash will feature Childers with several other football sprinters, including Earl Widmyer of Maryland, the record holder, who holds one victory over Metcalfe, the national intercollegiate champion, and Tarrall of Duke, who finished second last year.

W & L Beats Duke In Last 14 Seconds

Pette, Great General Forward, Shoots Goal with Less Than 14 Seconds to Go to Give Washington and Lee 30-29 Victory.

(Special to the DAILY TAR HEEL)

War Memorial Auditorium, Raleigh, March 3—Pette, stellar forward for Washington and Lee, shot a goal with less than 14 seconds to go, giving the Generals the Southern Conference basketball title in downing Duke 30-29, here tonight before a capacity crowd.

The Blue Devils had hopped off to an early lead, and by intermission led the W. & L. five 23-17.

But the Generals came back strong during the last canto out-scoring the North Carolina quintet, 13-6.

Captain Joe Sawyers, high scorer for the tournament, was the big cog in the offensive machine of the winners, although his teammate, Pette, outscored him by one point, garnering eight markers.

Duke's Jim Thompson, lanky forward, continued to set a dizzy pace, making 10 points to lead the scoring machinations for both quints.

The Washington and Lee Generals came through the tournament as the proverbial "dark horse," licking Maryland, N. C. State, and Duke. In none of these games did the "boys in the know" concede them a prayer. But!

And the Lexington, Va. team had been seeded a poor sixth in the tournament drawings.

Scoring: W. & L. (30)—Sawyers, f, (7); Pette, f, (8); Smith, c, (6); Fields, g, (5); Jones, g, (4); and Ellis, g, (0).

Duke (29)—J. Thompson, f, (10); Bell, f, (2); Mack, c, (7); H. Thompson, g, (6); Weaver, g, (2); and Ferguson, g, (2).

Carolina Fencers Lick W & M Swordsmen In Close Matches

Co-ed Bowling Tourney

All co-eds interested in bowling are asked to sign up at once for the tournament which is scheduled for Tuesday, March 6, in Graham Memorial. Bowling will start at 7:00 o'clock and the bouts will be gratis to the co-eds.

Each lassie will be allowed to roll a trio of games; the eight highest scorers will be eligible for the final play off and tourney.

So come on and sign up, girls, the line forms on the right... you can sign at either Spencer hall or at the alleys in the Student union.

Here's your chance to get more points toward a varsity letter.

Requirements Outlined

(Continued from page one) in education, elective. The subject matter requirements are as follows: for English, 24 semester hours, including grammar, composition and rhetoric, English literature, and American literature with sufficient electives.

For history, 24 semester hours, including ancient and medieval, modern European, United States, political science, with electives from economics, sociology, and North Carolina history.

For modern languages, 18 semester hours above two entrance units, three years of college Latin being recommended.

For science, 30 semester hours including biology, chemistry, physics, and geography or geology.

For mathematics, 15 semester hours, 24 being recommended.

ORATORICAL AWARDS

All students interested in competing for the Mangum medal and the Peace prize are asked to confer with Professor George McKie of the department of English at his office in room 210 Murphey hall.

The Mangum medal is an annual award, established in 1878, which is given to the member of the senior class who delivers the best oration at commencement. The Peace award is a money prize offered by the Peace society.

U. N. C. Fencing Contingent Licks William and Mary Club 10-7 in Hard Fought Match Play; Fight for Three and a Half Hours.

MACK FEATURES LOSERS

Elmendorf, Snowden, Tobey, Litten Feature Tar Heel Attack With Two Wins Apiece.

Carolina's fencing team came through yesterday afternoon with a 10-7 victory over the William and Mary swordsmen. Some 350 fans witnessed the slow matches which were run off in the Tin Can.

Captain Jim Mack, leader of the Sovereigns, displayed faultless technique in his brilliant wins over Chapin Litten, Carolina captain. Their matches were much closer than the scores would indicate. Both men used different styles of sword play, Mack, slow and deliberate whereas Litten was quick on his feet, parrying and thrusting with ease.

Elmendorf-Tobey Star

John Elmendorf, star freshman for the Tar Heels, came through in good form, winning twice in the sabre and epee. Brad Tobey, another yearling came through with a pair of wins in the epee event.

The Tar Heel fencers took four out of the nine events in the foils division. Here are the men who came through with victories: Snowden 2; Smith, and Captain Litten.

The two clubs split evenly in the sabre play while in the epee Carolina's entrants prevailed.

The match lasted three and a half hours.

The summary:

Foils: Captain Mack (William and Mary) defeated Captain Litten 5-2; Snowden (Carolina) licked Cederbaum 5-4; Smith (Carolina) downed Woodward 5-2; Cederbaum, William and Mary) defeated Captain Litten 5-3; Snowden (Carolina) won over Woodward 5-3; Captain Mack (William and Mary) bested Spies 5-3; Captain Litten (Carolina) downed Woodward, 5-1; Cederbaum (William and Mary) nosed out Friedman 5-4; Captain Mack (William and Mary) licked Snowden 5-3.

Sabre: Elmendorf (Carolina) licked Captain Mack 5-3; Elmendorf (Carolina) downed Hoken
