

Fifth Annual Southern Conference Indoor Track Carnival Opens In Tin Can Today

Twelve Close Events to Feature Annual Conference Indoor Games Today.

SPRINTS HEAD THE MENU

880 Yard Run Will Hold Field of More Than 25 Men; Dunaj, W. & L., and Wellford, V. M. I., Top List.

Twelve close events will feature the fifth annual Southern Conference indoor track meet which will begin at 1:30 o'clock this afternoon in the Tin Can. Many outstanding stars of past seasons will take the lead in each division.

The 60-yard dash is led by the man who holds the conference record, Earl Widmyer, Maryland, with 6.3 seconds. Close on his trail is "Snooky" Tarrall, Duke, who finished second last indoor race, Odell Childers and Charlie Hubbard, Carolina; Mauney, South Carolina; Dick McAninch, Duke; Joe Sawyers, W. & L., and Pritchard, V. P. I.

All these men lead a field of 22 which looks like a free for all with Widmyer taking the inside track.

Hurdles Stars

In the hurdles Everett, Virginia, and Abernethy, Carolina, will take the role as favorites to cop honors. From a group of 15 star low hurdlers the outstanding men are Atkinson and Deemer, Duke; Slye and Beers, Maryland; Antrim and McDonald, Virginia; Schule, W. & L.; Lyne, V. P. I.; and probably Hawthorne, Carolina, who has a bad ankle. In the high hurdles most of the same men will take part.

The 440 run will present a feature run between Al Reichman, Duke, and Hill Wellford, V. M. I., indoor and outdoor champs, respectively.

Other leading runners will be Evans, Maryland; Bast, Virginia; Hazell, W. & L.; Rutchow, V. M. I.; Pugh, V. P. I.; Montgomery, Keeney, Gunter, and Pruden, Carolina.

Large 880 Field

The 880 holds a large field of 25 men with Dunaj, W. & L. and Wellford, V. M. I., being the leading runners of a close race. Other men who should be well in the money, include Everhart and Crist, Duke; Beall and Cronin, Maryland; Dudley, Virginia; Mothershead, V. P. I.; Kimrey and Marsden, Carolina; and Sease, South Carolina.

The distances runs will bring together practically the same men as in the cross country run last fall. The mile will be led by McRae, Carolina; Dunaj, W. & L.; and Heritage, Duke. Other promising stars will be Paiste, Duke; Ashton, Maryland; St. Johns, Virginia; Turner, V. M. I.; Line, V. P. I.; Waldrop and Curlee, Carolina; and Cardwell of South Carolina.

Duel in Two Mile Run

The two mile run will bring together two arch rivals, Bob Bird, Duke, and Geo. Dunaj, W. & L. The rest of the leading runners are Louis Sullivan and Louis Conte, Carolina; Deventorf, Maryland; Fallon, N. C. State; and Burruss of V. M. I.

The relay match will include the men who have featured in the mile and two mile runs. The four teams which probably will place as the first four are Duke,

Southern Track Dean

Coach Robert A. Fetzer, dean of southern track coaches, will pit his Carolina charges today against a heavy field of stars and favorites in the fifth Southern Conference indoor meet today.

Coach "Bob," as he is popularly called by "his boys" on the University campus, has hung high some fine track records while here as the Tar Heel coach.

No longer do sports scribes term his charges "Tar Heels," but rather "Flying Heels," for during his regime here at Chapel Hill the Carolina aggregations have met defeat only twice in dual meets in the interim of 13 years while garnering a dozen state crowns.

He has coached several teams to conference indoor and outdoor titles.

Operas Broadcast Today

Students are invited to hear the broadcast of two complete operas, "Pagliacci" and "Salome," beginning this afternoon at 1:50 o'clock, over the radio in the lounge of Graham Memorial.

Playreaders to Meet

Dr. J. P. Harland will direct a reading of "Nothing But the Truth" at a meeting of the Playreaders at the Episcopal parish house Wednesday evening at 8:30 o'clock.

Carolina, Maryland, and V.M.I.

The high jump is led by Bob Reid, Carolina, Atkinson, Duke, Craige, South Carolina; Beers, Maryland; Tucker, Virginia, and Kerns of V. P. I. in a field of unknown abilities. Likewise in the pole vault, the qualities of the group are unknown potentialities.

Baer, Tar Heel, Out!

With Carolina's biggest hope, the new-comer Baer, gone the field is open to Don Jackson and Acee McDonald, Carolina; Carmen and Viol, Duke; Armstrong, Virginia; Corbett, W. & L., and Hartman, V. P. I.

Shot Put, Fast Field

The shot put will have a fast and close field. George Coles of Virginia is probably the outstanding man and not far behind are Luther Williams and "Steve" Stevens, Duke; Milan Zori, N. C. State; Craige, South Carolina, and Tom Evins, Carolina.

The broad jumpers are led by Childers and Hubbard, Carolina, Plump and McAninch, Duke; Beers and Slye, Maryland; Everett, Virginia; Sawyers, W. & L., and Hutt of South Carolina.

880 to Feature

A brilliant race is expected when Frazier of Davidson, and Bullard of William and Mary, meet in the 880 at the Southern Conference Indoor games here, Saturday. Frazier won both the half and mile at the state meet his last year in high school and took first place in all of Davidson's cross country meets last fall. Bullard won the freshman 3/4 mile run at the 1933 meet.

PATRONIZE OUR ADVERTISERS

Largest Scholastic Entry

Atlanta Boys' high school, second in last year's scholastic indoor track meet, enters the largest field of contestants in the scholastic division Saturday. Twenty boys will participate in the meet. Ward and Arnold are their stars, particularly efficient in the dashes and the high jump.

Proceeds to Scouts

Proceeds from the showing of "David Harum" at the Carolina tomorrow will go to the Chapel Hill Boy Scout troop.

OUTSIDERS HAVE GALAXY OF STARS

Competition Open for First Time to Non-Conference Varsity Contingents Draws Stars from East and South.

LITTLE LEADS FAST FIELD

For the first time in the history of the Southern Conference indoor track meet, non-conference varsity competition has been included in the attraction. A half-dozen entries in the non-conference events have been received. These entries are of the finest type of competition sans conference in Dixie and the east.

Field of Entries

Two teams from Washington, D. C., Georgetown and Catholic U., head the list. Two fast clubs from the Old Dominion commonwealth, Richmond University and William and Mary (the defending freshman titlists) are also entered. While Wake Forest and Davidson round out the list from this state.

One of the featured stars in the meet will be "Monk" Little, of William and Mary, who will do the honors in the broad jump and the sprints.

He has already been seeded by many experts to be a member of the 1936 Olympiad.

Little's Record

Little won the collegiate broad jump in New York this winter, jumping 23 feet 9 1/4 inches while at Harvard, the Sovereign jumper did 24 feet and a fraction of an inch.

He fairly burns up the century with the excellent time of 9.8 seconds!

FACULTY AND STUDENTS PLAN TO GIVE "DRACULA"

A group of students and faculty members, including Dr. Urban T. Holmes, Dr. Meno Spann, and Joe Brown, who will be the director, has announced its intention to give a performance of a dramatized version of "Dracula" in Memorial hall sometime in April.

The cast has not been completed but tentative selections are as follows: Dracula, Dr. Spann; Van Helsing, Dr. Holmes; Lucy, Miss Burch; the maid, Miss Forgraves; and Dr. Sewart, Joe Brown.

Record Holders Back

Widmyer of Maryland, Reichman of Duke, Everett of Virginia, Smither of William and Mary, Evans of Davidson, and Ward and Arnold of Atlanta Boys' High are the seven who hold records for the Southern Conference Indoor Games and who will be back for the 1934 meet here Saturday.

This Afternoon's Scrimmage to Be Finale of Winter Football Drills Under Snavelly.

NO TRACK MEET CONFLICT

Fans Will Get Chance to See Results of Intensive Work on Snavelly's New System; Yearling Grid Talent Is Unusually Strong.

Coach Carl Snavelly will bring winter grid practice to a close in Kenan stadium this afternoon, matching the freshmen against the varsity in a regular football contest. The game is scheduled at 3:30 o'clock, and will not conflict with the indoor track meet.

Coach Snavelly and his assistants, Max Reed and Ellis Fysal, sent the squad through a final workout yesterday, spending most of the time, drilling on plays. The Tar Heels now have two formations of the wingback system, besides a regular punt, balanced-line formation.

The pre-season practice as a whole was satisfactory to the new coach, who was pleased especially with the quickness that the team adapted itself to the new style and also with the pep and hustling shown. He will probably call the squad out again for regular fall work on Labor Day, September 3.

Tentative First Eleven

In the closing practice Coach Snavelly worked a first team, composed of Buck and Moore, ends; Trimpey and Evins, tackles; Joyce and McIver, guards; Gardner, center; Stuart, quarterback; Cooner and Shaffer, halfbacks, and Hutchins, fullback. However, Jackson, halfback; Tatum, tackle; Barclay and Kahn, guards; and Daniel center, were not out yesterday, but are strong candidates for the leading eleven.

In today's battle of the "Vets" and Frosh the upperclassmen will probably start with B. Moore and Barwick, ends; Tatum and Evins, tackles; Barclay and Kahn or Joyce, guards; Daniel or Gardner, center; Yeager or Dunham, quarterback; Woolen, left half; Shaffer, right half and G. Moore, fullback.

The yearling team will likely be Buck and McCarn, ends; Trimpey and Wrenn, tackles; McIver and Oberne, guards; Pendergraft, center; Stuart, quarterback; Dashiell, left half; Fleming, right half; and Hutchins, fullback.

Early Arrivals

Late last night, the following track teams had arrived in Chapel Hill for the big indoor track carnival today: V. P. I., V. M. I., Columbia (S. C.) high school, Georgetown, William and Mary, Morristown (Tenn.) high school, Boys' High of Atlanta, Asheville School, Catholic University, Maryland, Portsmouth (Va.) high school, and Williamsburg (Va.) high school.

V. P. I. Jumper Good

Bill Kerns, V. P. I. star, has been high jumping 6 feet consistently in practice this winter. His coach, S. D. Tilson, thinks he has a good chance of breaking the record of 6 feet at the conference indoor meet here, Saturday.
