

# Carolina Baseball Team Trounces Davidson Wildcats 15-4

## McKeithan, Soph, Allows Losers Only Four Hits

Tommy Irwin, Blond Shortstop, Features Winners' First Big Five Game by Getting Home Run, Double, and Two Singles, and Fielding Well.

(Special to the DAILY TAR HEEL.)  
Gastonia, March 31.—Carolina's baseball team continued its big scoring ways today, going on a spree to down its old Davidson rival, 15-4. It was the opening Big Five game of the year, giving the Tar Heels an edge over the team that tied them for last year's championship.

McKeithan, sophomore right-hander, twirled the entire contest for the winners, setting the Wildcats down with only four hits. The rookie hurler was wild in spots, walking four men, but had lots of stuff on the ball, two of the hits being doubles and the other two singles. He got three men by the strikeout route.

Another soph, Tommy Irwin, featured the Carolina attack both on the offense and defense. At bat the blond shortstop cracked out four hits in five. He got a double and a home run, the only one so far for Carolina. In the field Irwin had a perfect day, turning in three assists and three putouts.

## FROSH DRILL FOR BASEBALL GAMES

Yearlings Open Season Friday Against Roanoke Rapids.

Although a practice for freshman baseball was scheduled for 2:30 o'clock yesterday afternoon, it had to be called off because of the soggy condition of the field.

For the past week Coach Wright has been giving the freshmen stiff workouts every afternoon. On Friday the playing of the squad as a whole seemed to be improving. The first team has not been definitely selected as yet.

With the spirit shown at practice, however, a well functioning organization ought to be on the field, April 6, to meet Roanoke Rapids high school in the opening tilt.

On Monday regular practice will begin again, and before many days have passed Coach Wright expects to have his first team working together.

## INTRAMURAL BOXERS

Coach Rowe announced yesterday that all interested in intramural boxing report to the Tin Can between 4:00 and 6:00 o'clock tomorrow afternoon. The boxers will use 12-ounce gloves instead of 10-ounce.

## Undefeated Captain

Ralston LeGore, co-captain along with Ed McRae of the track team. LeGore is the Southern Conference record holder in the javelin throw and continually tosses the spear better than 190 feet. He once got a 208 foot 7 inch throw. He is a senior and has never been beaten in his event while at Carolina.

## SPORT TEAMS TO SEE MUCH ACTION

Varsity Baseball, Golf, Track and Tennis Teams Will Have Nine Encounters This Week; Tennis and Track Here.

Carolina's sport teams will swing into their schedules in a big way this week, the varsity baseball, tennis, track, and golf teams taking on nine opponents.

Only two of the encounters are carded for the University and these on Monday and Tuesday. However, two of the golf meets will be played on the Hope Valley course which is just a short distance from Chapel Hill.

Monday the tennis team opens its season in the meet with Boston College on the University courts. On the same day the baseball team will have a second engagement with Davidson. This tilt will be played at Concord as usual on Easter Monday.

Track Meet Tuesday  
Tuesday the track team will perform in its first outdoor meet against the strong Dartmouth outfit. The tracksters were supposed to start their season against Davidson a week ago but the meet was rained out.

Both the tennis and golf teams will continue their play Tuesday. The golfers battle State on the Hope Valley course, while the netmen journey to Wake Forest. Nothing is on the schedule for Thursday.

Friday the diamond club takes on its first opponent of a Virginia invasion, battling V. P. I. at Blacksburg. On the same day the Tar Baby baseball edition will open its play against Roanoke Rapids high school on Emerson field.

The track, baseball, and golf outfits all see action Saturday in the biggest day of the week. The trackmen journey to Williamsburg to meet William and Mary; the baseball club continues its trip, battling V. M. I. at Lexington; and the linksmen play Georgetown University on the Hope Valley course.

The tennis, golf, and track yearling teams will also probably have several encounters during the week but the complete schedules have not been arranged.

## High Jump And Pole Vault Stars Here Tuesday

### NINETEEN MEETS; THREE TOURNEYS ON TENNIS CARD

Carolina Netmen, with 62 Victories Behind Them, Will Have Tough Time in Keeping Record Clean; Northern Trip Scheduled.

Coach John F. Kenfield yesterday announced a difficult schedule of 19 dual meets for the University of North Carolina tennis team, topped by participation in the state, conference and north-south tournaments, and by a week's trip into the tennis strongholds of the north and east.

This year's northern invasion will carry the Carolina racquet wielders against Navy, Johns Hopkins, Princeton, Army, Yale, Amherst, and Dartmouth.

The Tar Heels have made three such trips in the past three years and each time have come off undefeated with first claim to the national team championship. An unbroken line of 62 victories lies behind them, their last defeat having been by Princeton in 1929.

### Stars to Be Missing

Due to heavy losses from the varsity and freshman teams of last year the Tar Heels will be hard put to maintain their brilliant record. Graduation removed the number one and two players, Wilmer Hines and Lenoir Wright, while the two top-ranking freshmen, Friedman and Lott, did not return to college.

Coach Kenfield will build the new team around five lettermen, Harvey Harris, Rickey Willis, Harley Shuford, Walter Levitan, and Captain Dave Morgan, and three reserves from last year's squad, Bill Minor, John McGlenn, and Bob Lovill.

The complete schedule follows:

April 2—Boston College, here  
April 4—Wake Forest, there  
April 9-11—North-south tourney at Pinehurst

April 14—Lynchburg Country club, here

April 16—N. C. State, here  
April 17—Wake Forest, here  
April 18—Davidson, here  
April 19-21—State tournament, here

April 23—Roanoke College, here

April 26—N. C. State, there  
April 28—Davidson, there  
May 2—Maryville College, here

May 5—Navy at Annapolis, Md.

May 7—Johns Hopkins at Baltimore, Md.

May 8—Princeton at Princeton, N. J.

May 9—Army at West Point, N. Y.

May 10—Yale at New Haven, Conn.

May 11—Amherst at Amherst, Mass.

May 12—Dartmouth at New Haven, Conn. (Pending)

May 15—Duke, there

May 17-19—Southern Conference tournament at Charlottesville, Va.

May 22—Duke, here

### Masons Meet Tomorrow

The local Masonic lodge will meet in regular communication tomorrow evening at 8:00 o'clock in the Masonic Temple on West Franklin street. All Master Masons are invited.

Strong Dartmouth Track Team Has Good Men in Almost Every Event; Carolina Captains to Figure in Two Feature Duels.

The customary order of events will be varied in the Carolina-Dartmouth track meet here Tuesday afternoon, Coach R. A. Fetzer announced yesterday, so as to feature two events, the pole vault and high jump, in which Dartmouth has two of the finest performers in the country.

These are Steve Woodbury, who beat Harold Osborn and George Spitz and tied the college record of 6 feet 5 1/4 inches at the K. of C. games in New York this winter, and Dick Brister, who soars over 13 feet 3 inches in the vault and took fourth place in the IC4A meet last year.

The pole vault will start the meet off at 2:30 and will hold the center of the stage until the running events start at 3:00 o'clock, and the high jump has been set back to 3:15 o'clock. The two events ordinarily are run off at the same time.

Dartmouth is reported to have a strong, well-balanced team with a long line of fine performers in the other events. The Tar Heels hold the state and conference indoor and outdoor championships and have lost only two dual meets in ten years. The meet between the northern

## SPORT PROGRAM FOR GIRLS MADE

Tennis Matches with Duke University and Peace College Have Been Arranged; Plans for Archery Competition Made.

Plans for the spring intramural sport program for co-eds were announced yesterday. Preparations for tennis and archery matches have now been begun.

As soon as it is possible, tennis courts for the co-eds will be put into playing condition. Matches have been arranged with Duke University and Peace College, and those interested in trying out for these contests and in learning to play tennis are asked to sign with Barbara Henderson, manager.

Vivian Grisette, archery manager, is ready to assign all those interested in archery to groups for competition. The first practice will be held Tuesday afternoon at 4:00 o'clock.

All co-eds, whether or not they have had archery experience, are asked to report.

There will be a contest Monday, April 16, between a team of freshman and a combined team from the other classes.

and southern leaders should be a brilliant one.

On the basis of past performances the Carolina and Dartmouth entries appear to be well matched for some especially fine races in the dashes and hurdles.

Dartmouth has a ten-second

## NETMEN TO FACE BOSTON COLLEGE

With Last Year's Stars Missing and Several More Not Ready to Go, Chances for Another Undefeated Season Look Slim.

With a brilliant record behind them, Carolina's netmen will open their season here tomorrow afternoon against Boston College. The first matches are scheduled for 2:30 o'clock.

Chances of keeping their great record intact seem slim as the Tar Heels prepare for the first battle. Besides losing last year's number one and two men, Wilmer Hines and Lenoir Wright, four other outstanding candidates will also be missing tomorrow.

The first two ranking freshman players last year, Friedman and Lott, transferred to another institution, while as a result of an automobile accident Harley Shuford, southpaw star, will not be able to start. A few days ago it was announced that Harvey Harris, present ranking number one player, had not entered school and so would probably not be ready to go.

### Five Veterans

At present Coach Kenfield has Captain Dave Morgan, Walter Levitan, John McGlenn, Richard Willis, and Bill Minor, old regulars, along with "Red" Johnson and Mark Lynch, sophomores, to pick the starting lineup from.

The club seems to be in pretty good shape, having worked much
