

## PRESIDENT OPENS EDUCATION MEET WITH TALK HERE

Regional Conference on Vocational Guidance and Education Continues Today.

### 100 EDUCATORS PRESENT

President Frank Porter Graham yesterday opened a convention here of the members of the Southern Regional conference on vocational guidance and education, sponsored by the National Occupational conference. The sessions will continue at the Carolina Inn through Friday.

#### Addresses One Hundred

Dr. Graham addressed the group of 100 educators from 17 southern states on "The Human Values of Occupational Life." Franklin J. Keller, director of the conference, related its purpose in a speech following that of the University president.

The National Occupational conference, which is administered through the American Association for Adult Education, is interested in all aspects of occupational adjustment and in co-operative effort to study this problem. At present it is concerned primarily with assembling information about occupations and making such information available for the public through effective publication.

#### Speakers Yesterday

Other speakers yesterday were: Ben D. Wood, director of the bureau of collegiate educational research, Columbia University; Sidney B. Hall, superintendent of public instruction, state board of education of Virginia; and Kendall Weisiger, assistant to the president, Southern Bell Telephone Company of Atlanta.

The conference continues today with addresses scheduled by Donald G. Paterson, profes-

## LIBRARY TRADES DUPLICATE BOOKS FOR EARLY PLAYS

Books from University of Chicago Added to Collection.

The University library has received on exchange from the library of the University of Chicago 39 early American plays as an addition to the Archibald Henderson collection of American drama.

The volumes were sent in return for duplicate books from this library. The policy of the library this year has been to exchange with some other library, volumes of which it has duplicates for volumes of which it has no copies. By this method numerous books have been obtained this year from the University of Chicago library, the Congressional library, and the New York public library.

The Archibald Henderson collection of American drama, to which the volumes are being added, was established several years ago by Dr. Archibald Henderson of the University department of mathematics.

The University library has been steadily adding to this collection since the time of its establishment, and at present it totals several thousand volumes, many of them illustrative of the early period of American play writing. Many of the volumes in the collection were personally collected by Dr. Henderson.

## Prospective Teachers To Register at Once

Seniors and special students in the University preparing for teaching positions in public schools, and desiring the assistance of the Teachers bureau in securing positions for the year 1934-1935 must register with the bureau at once.

N. W. Walker or Mrs. Pickard will attend to registration in room 127 Peabody. Calls are beginning to come in from school officials, and the Teachers bureau is in a position to be of service to qualified students desiring its assistance.

## VOTE WILL DECIDE COUNCIL'S POWER

Students Will Vote Tomorrow on Allowing Student Council to Settle Official Disputes.

Students will vote tomorrow in a special election in Graham Memorial on proposals drawn up by the present student government administration to give the Student council the power of making rulings, subject to referendum of the student body, in case of disputes between student officers or boards.

The polls will be open from 9:00 to 5:00 o'clock in Graham Memorial.

The recommendations for balloting tomorrow also pertain to the organizing of the Student Entertainment committee. Under the plan for the reorganization of the group, the proposal states that three faculty members are to be appointed in rotation by the president of the University.

#### Student Members

One scholar on the board will be a hold-over Student council member, one student is to be elected from the school of liberal arts, and one individual is to be elected from the school of commerce, thus giving representation to each of the schools which benefit by the student entertainment features. The director of Graham Memorial is proposed to be chairman of the group.

The section of the plan for the centralizing of student government reads as follows: in case of dispute as to the action of any student officer or the governing board of any student activity the Student council shall make definite rulings subject to referendum of the student body.

These recommendations have been suggested because of the numerous disputes which have arisen regarding the actions of student boards and officers and because of the lack of consolidation in the present student government system.

#### Senior Committee Meeting

A meeting of the Senior Week committee will take place in Graham Memorial tonight at 7:15 o'clock.

#### Staff Meetings

The various departments of the Daily Tar Heel staff will meet in the Graham Memorial office today at the following hours: feature board, 2:00 o'clock; editorial board, 2:30; city editors and desk men, 3:00; and reporters, 3:30.

Failure of any member to attend these meetings unless otherwise excused will mean that he will be dropped from the staff.

## GROUP TO SHOW PLAY PRE-VIEWS

Will Present Plays Which Are to Go to Folk Festival Tonight at 8:45 O'clock.

A pre-view of the three plays which the Carolina Playmakers are producing at the National Folk Festival will be presented tonight at 8:45 o'clock in the Playmakers theatre.

The plays were written by former Playmakers. "Job's Kinfolks," is by Loretto Bailey; "Quare Medicine" by Paul Green; and "On Dixon's Porch" by Wilbur Stout.

Members of the National Occupational conference will attend the performance as guests of the Playmakers. For others the admission will be 25 cents for adults and 10 cents for children.

#### Special Program

After the performance, Professor Samuel Selden will escort the members of the conference on a tour of the theatre, scene and costume shops. Friday night, Phoebe Barr and her dancing class will present a program in honor of these delegates.

The Playmakers troupe leaves tomorrow for Elon College, and from there it will continue to Louisville, Kentucky, and St. Louis, Missouri.

#### BUC MEETING TONIGHT

Editor Pat Gaskins has called his first meeting of the Buc staff for tonight at 7:15 o'clock in Graham Memorial. All those who expect to continue work on the staff must be present. New men are invited to try out for the Buc.

## GRISSETTE TO TALK TO VARIED GROUPS

Meeting Sponsored by Association of American Colleges.

Felix A. Grissette left here early last night to speak at a meeting of representatives from colleges, trust institutions, insurance companies, and the American Bar association.

The meeting, to take place in the Bellevue-Stratford hotel in Philadelphia, is sponsored by the Association of American Colleges.

The object of the assembly is to discuss ways and means whereby those four groups can co-operate in raising funds for colleges. Grissette represents the colleges on the program.

From Philadelphia, Grissette goes to Skytop, Pennsylvania, where he is to be joined by J. Maryon Saunders. They will attend for the rest of the week the annual meeting of the American Alumni association, of which both are members of the board of directors.

Grissette is to speak on "The Responsibility of the Alumni in the Present Educational Crisis." Saunders will address the assembly on "The Ex-student—How to Treat him in Files, Clubs, and Classes."

#### AMPHOTEROTHEN TO MEET

The Amphoterethon honorary discussion club will meet at 6:15 o'clock tonight in Graham Memorial for its bi-weekly banquet. Agnew Bahnsen, newly-elected president, will take office.

All new members initiated last week and all old members are urged to be present.

## ENGINEERS' FETE STARTS MONDAY

A. I. Ch. E. Will Bring Dr. Curtis, W. A. Perry, R. C. Bardwell, and H. S. Taylor.

Chemical Engineers' Day, sponsored by the American Institute of Chemical Engineers, will be held here next Monday from 9:30 o'clock in the morning until 8:30 o'clock in the evening. All meetings will be held in the main lecture room of Venable hall unless otherwise specified.

Dr. Harry A. Curtis, chief chemical engineer of the Tennessee Valley authority, will be the speaker at 9:30 o'clock in the morning. Dr. Harris, who will also speak, has not as yet announced his subject.

At 11:00 o'clock William A. Perry of the R. J. Reynolds' Tobacco company will speak on "The Manufacturing of Cellophane and Its Use in the Tobacco and Food Industries."

#### Bardwell To Speak

R. C. Bardwell, superintendent of water supply for the Chesapeake and Ohio railroad will speak at 3:00 o'clock on the subject "Railroad Water Softening." At 4:00 o'clock Dr. H. S. Taylor, head of the department of chemistry and chemical engineering at Princeton University will conduct a seminar under the auspices of the Sigma Xi fraternity.

A subscription dinner will be given at 6:30 o'clock in Graham Memorial. The price is 75 cents.

Dr. Curtis will deliver a public lecture at 8:30 o'clock in the Hill music hall on "The Work of the Tennessee Valley Authority." The public is invited to all meetings.

## P. U. BOARD MEETS THIS AFTERNOON

Yackety Yack Bids and Tar Heel Plans to Be Discussed.

The Publications Union board will meet this afternoon at 2:00 o'clock in Graham Memorial to consider photography bids for the 1935 Yackety Yack. The new members of the board will attend.

Lonnie Dill and Bob Page, new editor and managing editor of the DAILY TAR HEEL, will appear before the board to present plans for the coming year requiring the boards approval.

Over the week-end the board decided to provide the members of the Southern Regional Conference on vocational guidance and education, now in session at the Carolina Inn, with free copies of the newspaper for the week. The issues will be sent beginning with today's edition.

#### DEBATE SQUAD TO MEET

The debate club will meet at 9:00 o'clock tonight in Graham Memorial for its regular weekly meeting.

Various members of the debate squad will talk and give their opinions and ideas on "Debating" which is the subject of an informal discussion by the group.

The purpose of the discussion is the attainment of a better understanding of debating as practiced at the University. This aim is in line with the general purpose of the organization, which is the understanding of debating and the gaining of practical experience in speaking.

## Co-eds to Conduct Run-offs Tomorrow

Run-off co-ed elections for the offices of house president of Spencer hall and secretary of the Woman's association, for which no candidate received a majority in the ballots Wednesday will be held tomorrow.

The remaining candidates are: for house president, Isabel Nelson and Lois Byrd; for secretary of the Woman's association, Nancy Gordon and Harriet Taylor.

The polls in Graham Memorial will be open from 9:00 until 5:00 o'clock tomorrow.

## SENATE TO MEET AT 7:15 TONIGHT

To Plan New Floor Organization Methods for Use at Subsequent Meetings Tonight.

The Di senate will convene tonight at 7:15 o'clock in the senate chamber in New West. The feature of the evening's program will be the planning of a new method of floor organization to be used for the first time at the meeting to be held one week from today.

The senate will be divided into two opposing factions, each with a leader who will be chosen tonight. Several queries will be suggested for the debate by the ways and means committee, however, senators are free to submit queries of their own choosing if they so desire. One of these subjects will be picked for the debate experiment. The object of the new method of conducting discussion is to give practice in organized debate and in delivering prepared speeches.

#### Discussion Bills

The first bill which will occupy the senate's attention, one which was tabled for further discussion at the last meeting of the group, reads: Resolved, that the curriculum of the college of liberal arts be revised so that the student will be allowed to take either Latin or Greek in the place of mathematics and so that only one language will be required.

Other bills which will be discussed are: Resolved, that the Di senate go on record as favoring the move of the DAILY TAR HEEL in securing an Associated Press service; Resolved, that the present federal police organization is inadequate and should be enlarged; Resolved, that the Tugwell-Copeland pure food and drug bill should be made a law of the United States.

A committee will be appointed to meet with a representation from the Phi assembly to make arrangements for the annual Bingham debate, which is held between the two societies.

#### COUNCIL ELECTS OFFICERS

The Freshman Friendship council elected the following officers in Gerrard hall last night: Phfl Kind, president; Eli Joyner, vice-president; Jim Daniels, secretary; and George MacFarland, treasurer.

#### Alpha Psi Delta Tea Today

Alpha Psi Delta, honorary psychological fraternity, will receive all members of the fraternity and their wives at an informal tea in New West this afternoon at 4:00 o'clock. The tea is being given in honor of visiting psychologists.

## FACULTY PASSES PLAN OF REVISED CURRICULA HERE

Question of Advanced Credit by Examination Is Deferred for Later Decision.

### NEW PLAN IS OUTLINED

Except for deferring for later consideration the specific subject of credit by examination for advanced standing in the University, the faculty passed yesterday the plan of curricula changes submitted by the faculty advisory committee.

University officials also referred to the administrative boards of the schools concerned the question of special problems relating to the degrees of B.S. in medicine, A.B. in music, and other B.S. courses.

Curricula for these special science courses will be worked out in harmony with the different departments because of the difficulty to incorporate the curricula of these special courses with the general plan. The new changes in courses for scientific degrees will be worked out so as to preserve the value of the special studies.

#### Aim of Changes

The central idea in the new program is one of unity between high school preparation and the first two years of college. This unity consists in the attempt to carry forward the humanities, social sciences, and the natural sciences.

The new plan in brief states that in the freshman year the first-year man must take the following courses: English, three hours a week throughout the year; foreign language, three hours a week throughout the year; mathematics or classical language, three hours a week throughout the year; biological science, three hours a week throughout the year; and social
