**CLIC, FPL Will Hold a Joint Meeting At 8 O'clock In Grail Room**

The Carolina League for International Cooperation will hold its first meeting of the quarter in the Grail room of Graham Memorial tonight at 8 o'clock in a joint session with the Foreign Policy League.

This meeting is the first of its kind in the attempt by Ralph Bragdon and Henry Nigrelli to bring the two organizations into a closer relationship. The cardinal objective of this meeting is to make plans for and discuss the forthcoming Peace conference which is to be held in May. Both groups are planning to collaborate with the Southern Conference on International Relations in this event.

**Distinction**

Both organizations deal with the study of vital international problems and conflicts—the distinction between the two lies in that the CLIC has the particular aim of internationalism; the FPL maintains a neutral outlook.

Because since there are many members of the FPL who believe in the principles of the former, it is hoped that the configuration will entail a more effective program by both groups.

With both groups gaining considerable strength this year, the ultimate objective of their current program is to establish the May conference permanently by holding it annually with the Human Relations institute.

**Miss Mengel Will Present Folkplays**

**Program To Be Given At Carrboro Friday**

Miss Ruth Mengel, who completed work for a degree here last quarter, will present "Carolina Folkplays" at the Carrboro schoolhouse Friday night at 7:30.

After completing her work here Miss Mengel began to prepare a bill of Carolina folkplays for the Community school at Carrboro, where she has discovered some rather promising material.

The plays to be presented are: "In Dixon's Kitchen," by Wilbur Stout, and "Funeral Flowers for the Bride," by Mary Hamer. Also on the program will be Miss Ida Mann's children chorus and Tom Evan's orchestra. Admission prices will be 10 cents and 15 cents.

**Rood, Stephens Stage Duel**

(Continued from page three) broke through on a close net fight to annex the set 11-9.

Carl Rood was far from beaten though and shot right back with a fiery aggressive game of ball to quickly make it one-all in sets, winning 6-3 before Stephens could quite recover from his opponents snappy retaliation.

**The Finale**

On came the final six. Stephens, whose turn it evidently was to click, worked his way to a 4-2 advantage but Rood soon took the lead 5-4. Stephens tied the works at 5-5. Carl Rood at match point sacrificed all on a job—which Stephens bungled up, giving Carolina the match-set at 7-5.

Johnny Foreman provided the fastest game of the afternoon, shellacking Norm Dalrymple in straight sets one and one. The powerful drives and serves of Foreman's unusually fast game were far too much for little Dalrymple to handle. Charley Rider, smashing a 6-2, 6-2 victory over Kingsley, came close to taking all the credit from Foreman.

**Carolina Losses**

The running score, as the results came in, credited Frank Farrell with the first Carolina loss when he dropped his third set at 8-6.

Aston Beadles, in a nip and tuck contest, pulled himself out of a match-point rut in his second set and then had the tables turned on him when he was stopped some eight or ten times at his own match-point, finally losing all, 6-2, 6-8, and 9-7.

Unexpectedly simple wins came in for the driving Tar Heels in the doubles. The Farrell-Carl Rood vs. H. Stephens-M. Stephens match was called off because of darkness with the Carolinians one set to the good and the second one tied at 5-all. MacGuire and Richards paired together and came out with the only Yale doubles point, defeating Beadles and John Henderson in straight sets.

**Summary:**

**Second Annual Scholastic Press Institute To Convene**

**David Stick To Direct Meeting April 29, 30**

Friday and Saturday, April 29 and 30, delegates from high school newspapers all over the state will convene in Chapel Hill for the second annual meeting of the North Carolina Scholastic Press institute, to be sponsored again this year by the DAILY TAR HEEL. David Stick, University freshman, will replace Stuart Rabb, last year's director, as head of the institute.

Conceived first by Rabb in the fall of 1936, the institute soon turned from a dream to reality when some 45 delegates, representing 14 North Carolina high schools, came to Chapel Hill for a two-day session.

**Bigger and Better**

Plans for this year's meeting are bigger and better. The institute will be begun with a general get-together Friday afternoon and will be concluded with either a banquet or a dance Saturday night.

A tentative schedule of events for the coming meeting will run something like this: Friday afternoon the institute will be formally opened when delegates will assemble at headquarters on the second floor of Graham Memorial. At that time the purpose of the institute will be explained, the plans for the following day will be discussed, the delegates will be introduced to representatives from other schools, and rooms will be assigned.

**Table Discussions**

Friday night some sort of social function, probably an informal dance, will be held. Saturday will be devoted almost entirely to round table discussions, which will be led by prominent newspapermen who are especially adept in the kind of journalism they will discuss. Each of the speakers will give a brief talk and then lead an informal discussion on his subject.

The group is scheduled to make a tour of the campus Saturday noon, and that night the institute will be concluded with another social function.

**Purpose**

Tuesday night Stick explained the purpose of the institute to the University club, following which the group agreed to help in securing rooms for the high school boys and girls.

Pete Ivey has turned over the meeting rooms on the second floor of Graham Memorial for headquarters, and tomorrow afternoon the Graham Memorial board of directors will be asked to cooperate still further in making the institute a success.

R. M. Grumman, director of the University Extension division, has made arrangements for his department to supply the stamps and envelopes necessary for correspondence with the various schools.

Roy Armstrong, pre-college guidance director, has donated stencils and mimeographing paper to be used for bulletins. The YMCA will supply the machine and the labor for this work.

Innumerable other departments and individuals in the University have either already given support, or have pledged themselves to help, but as Stick explained yesterday, it is impossible at present to give a complete list of these helpers.

**Artist Antics**

**Fetzer Believes Gift Will Receive Name Of Woollen**

By WILLIAM L. BEERMAN

Offices of the Athletic association, which for over three years have been located in Graham Memorial, were moved yesterday into the new and larger quarters of the gymnasium.

According to Robert A. Fetzer, director of athletics, the new offices will fulfill a long-felt need by the staff for a more complete and roomier housing of the organization.

**Western End**

Placed on the first floor, the offices take up the entire front portion of the western end of the building and are as yet in an unfinished condition. Divided into two spacious rooms at the present, the large expanse of floor space will shortly be partitioned in order to provide for a business and ticket office in the front, a reception room, and four individual offices in the rear.

The many windows, together with the red and black checked floor of asphalt-tile, the separate storing closets, and the large built-in vault, present a vast improvement over the cramped space that was available in Graham Memorial.

**Expected Date**

Coach Bob, looking over his new domains yesterday, stated that he thought the gym and its facilities would be opened to students by the 15th of this month. The swimming pool is ready for use, and all that remains to be done is the assembling and training of a corps of life guards.

Asked about the rumored proposal to name the structure in honor of Controller C. T. Woollen, Fetzer said:

"That is left up to the meeting of the Board of Trustees, of course, but I believe without a doubt that it will be named for Mr. Woollen."

**Controller On Hand**

Incidentally, Controller Woollen was on hand during the afternoon to show some eight cars of visiting women from Winston-Salem through the plant.

The football offices, still located in Graham Memorial, will shortly be moved to the second floor of the gym, and will occupy one of the 10 rooms, probably on the western side. The physical education staff will locate on the eastern end of the same floor.

**Athletic Staff**

The Athletic association, headed by Coach Bob, lists the following men in its organization: G. E. Shepard, O. K. Cornwall, R. B. Wolf, W. F. Lange, C. P. Erickson, J. H. Vaught, W. D. Skidmore, M. D. Ranson, J. F. Kenfield, Bunn Hearn, Johnny Morrison, Herman Schnell, Floyd Stewart, M. Z. Ronman, P. H. Quinlan, and J. J. Keller.

Employed in a student and graduate-student coaching capacity are George Barclay, R. H. Strayhorn, Ed Coffin, W. G. Dunham, Lester McCarn, and Fred Fletcher.

and 2 o'clock are brought to an amusing climax with a discussion of dinner. The witness closes it by saying "Both of us look like the picture of hungry fellows: we look as if we were kept on starvation allowances."
