Full of new ideas about football subsidization and the re-vamping of the Southern conference, the Old Prophet arose early, about 11 o'clock, one morning and after his usual bracer-upper went to talk things over with the Athletic Dictator of the University of North Carolina.

But on the threshold of the gentleman's spacious suite of offices, the Old Prophet was stopped by several armed guards, bearing signs ("Football builds character; it is for the student's recreation") around their necks.

"Disbeliever," they snarled. "Get thou out of this sacred place. A traitor to the Cause is not admitted to the Holy Sanctum of Pureness and Light."

Sadly the O. P. turned away, denied an audience with the Great One. "I am mmisunderstood," he moaned pitifully. "No one will listen to my plea. Dear, dear. What will become of football without a true champion of its purpose?"

So, disgusted and weary, he jogged over to EKUD university in MAHRUD. There, welcomed into the luxurious quarters labeled Football Office, he was given a cigar and told to sit down. Both the athletic director and football coach shook hands with him. "What can we do for you?" they asked.

"Gentlemen," began the O. P., instantly at his ease, "I am investigating the football situation in the Southern conference. Over at North Carolina I find they do not believe in helping the athlete other than in an educational manner. The true American, the red-blooded football player, is hampered at every turn by an Athletic Dictatorship which

personnel on the starting line-up. Chuck Kline, still suffering from an eye badly bruised in the Duke game, and Horace Palmer, first string flankmen last week will sit the start of the game out today in favor of sophomores Jim Mallory and Paul Severin.

Dan Desich will continue at right guard in place of Chuck Slagle who is still laid up with a bad knee. Bob Smith has recaptured the opening center post from Bob Adam.

In the backfield, Tony Cernugle the man with the most famous knee in the Southern conference will come back from two seasons of obscurity to a starting fullback position. Playing excellent, hard driving, ball in practice, Tony has pushed Jack Kraynick to the side-lines.

### THAT CERNUGLE KNEE

Two years ago, they were hailing Cernugle as the most brilliant sophomore back in the conference. He bore that prediction out in the first game of the 1936 season against Wake Forest. Tennessee was next on the program and near the end of the first half, a Vol tackler hit Cernugle too hard and his knee was hurt. He was out all the rest of the '36 season, all last year, and saw only light service this season until he started to flash in practice the past week.

Carolina goes back into big time competition next week in the game against Fordham at the Polo Grounds in New York. Wolf in practice during the week has concentrated on running plays, and it is believed he will use ground plays against the Gobblers, saving the fancier pass plays for the Rams. Although Fordham will be heavily favored, it should be remembered that the Tar Heels have won three games in New York in the past three years.

But there is no disposition among the Tar Heel official football family to take Virginia Tech lightly. The Gobblers, hopped up after the pushing around they gave State, are expected to be plenty tough.

## A Comebacker And The Gobbler Captain

The comebacker being Tony Cernugle who starts at fullback for Carolina against the Gobblers of Virginia Tech at Kenan stadium this afternoon. Frank Pierce is captain and left-end of the invaders. He weighs 173-pounds and hails from Suffolk, Va.

## LOCAL HARRIERS WILL CLASH WITH MARYLAND TODAY

(Special to the Daily Tar Heel)  
ANNAPOLIS, Md., November 4.—The University of North's cross country team suffered its first defeat of the season here this afternoon, bowing to a strong Navy outfit, 25-33. The Tar Heels move over to College Park tomorrow for a meet with the Maryland harriers.

Although Captain Bill Hendrix took first place, Tom Crockett placed fourth and Frank Wakeley ran sixth for Carolina, the well-rounded Navy crew won on the placings of its slower men. Hendrix's winning time was 20:53.5; Barney Oldfield, the Navy's great distance runner who was the second to cross

## AYCOCK DEFEATS OLD EAST, 20-0

Yesterday's Results  
Aycock 20, Old East 0  
Unofficial  
Phi Kappa Sigma 2, Chi Psi 1  
Ruffin 12, Manly 6  
DKE 7, Kappa Sigma 0  
Zeta Psi 13, Kappa Alpha 0

In the only official game of yesterday afternoon Aycock trampled Old East, 20-0. The winners scored in both halves and were never in danger of losing the contest. Old East led in first downs by getting three, while the victorious team was unable to get one.

Four unofficial games rounded out the afternoon and week's intramural play. DKE led the victors in these contests by gaining a 7-0 first down victory over Kappa Sigma. Ruffin continued its winning streak by downing Manly 12-6. Zeta Psi extended its winning streak to seven games by defeating Kappa Alpha, 13-0. In the closest battle of the day Phi Kappa Sigma defeated Chi Psi by a 2-1 first down margin.

## 223 Register For Cake Race; Only 41 Dorm Entries

A total registration of 223 cake races entries—41 dormitory men and 182 fraternity representatives—continue working out at Fetzer field during the afternoons to get their five required practices checked off on their records.

In the dormitory league Mangum led the number of entries with 15. Old West with 7, Manly and Ruffin with 4, Graham with 3, and Lewis and Grimes with 2 are the other dorm leaders. Steele, Everett, Old East and B-V-P have one entry each.

Phi Gamma Delta and Kappa Sigma in the fraternity loop are the organizations entering 20 or more men. The Phi Gams lead with 28 and Kappa Sigs 22. In decreasing order, the other contending fraternities with their number of entries are: Beta Theta Pi and SAE with 17, Sigma Nu 14, Chi Psi 13, ATO 11, Phi Delta Theta 10, St. An-

## MANY LOOP GAMES SCHEDULED TODAY

Duke university, the new Southern conference and Big Five champ (only N. C. State remains to oppose them) will rest comfortably today while the despondent scramble for better places on the conference list continues between 14 members of the league. Several interstate and intersectional games are scheduled.

In North Carolina, the Tar Heels go against Virginia Tech—the former just beaten by Duke, the latter just winners over State. Carolina is favored. Davidson plays host to Wofford in the only other state game of the day.

## Swimmers Train For Season Opening

After three weeks of general conditioning Coach Dick Jamerson's swimming candidates are now in good shape although there is much to be done before the season opens in January when the tankmen will meet the Southern Conference champs of Washington & Lee. There are 36 upperclassmen vying for varsity positions with 26 on the freshman squad.

Exercises in Woollen gym have been abandoned with Jamerson now concentrating his charges on long, muscle-shaping swims in Bowman Gray Memorial pool along with the perfecting of the all-important starting dives and turns. Those peculiar

looking boards and innertubes which may have caused wonder in the minds of spectators, are used in order that the swimmers may keep their arms or legs, as the case may be, afloat and out of action while they work on their stroke or kick.

At present the athletic association is endeavoring to cancel one of the two scheduled meets with Duke university and take on the Gobblers of Virginia Tech instead. This would give the Carolina tankmen six meets, five here and one away with VMI in addition to the Southern Conference tournament, which will probably be held at W&L.
