Marauders Loot \$65 From Everett Dorm Store VICTORY, 40-25, ASSURES CAROLINA

MERCHANDISE INTOUCHED BY NIGHT VISITORS

Entrance Is Made Through Window On Southeastern Side

By RUSH HAMRICK

Apparently amateur marauders or possibly only one marauder broke into Everett dormitory store sometime during the early hours yesterday morning and took loot amounting to \$65.00. The entrance was made through the store window on the southeastern side of the building.

Although a new supply of cigarettes, candies and other merchandise was in the store, the thieves absconded with only the cash drawer and left everything else intact. Two checks, one amounting to \$11.00 and the other to \$17.00, were taken in the \$65.00

Trust company in Hartford, Conn., to Jerseys. Milton Kantrowitz and signed by Samuel Kantrowitz. Pryor and Kantrowitz are both residents of the dormitory.

long, five inches wide and five inches deep, was also missing from the cash DR HOWARD ODUM drawer. The key to this box was evidently carried away in its small lock. Sentiment was added to the robbery in that the box belonged to Bill Jordan, manager of the dormitory, and had formerly been a proud possession of his grandfather's.

According to Hugh Byrd, assistant dormitory manager, the robbery occurred between the hours of 12:30 and 8 o'clock a. m. Byrd also stated that a watch had been stolen from his room several days ago.

The burglars appeared to be amateurs. Appearances indicate they had quite a bit of trouble getting inside the store. Their first job was to punch holes in the screen so as to get near a window pane. Four razor blades were found near the window and some loose putty was still on the window sill yesterday morning which indicated that the plunderers had then attempted to scrape the putty from one of the window panes in order to remove it with as little noise as was possible.

GLASS BROKEN This method evidently did not meet with success, so as a final resort, a rock or some other solid instrument (Continued on last page)

Glamack Wows 'Em With 15 Points: Severin Second

By SHELLEY ROLFE

Any loud explosion heard in the vicinity of Woollen gym between 8:30 and 10 o'clock last night was not the gym blowing up, but merely the State college basketball team coming apart at the seams and losing to Carolina, 40-25, before more than 4,000 customers.

It it altogether probable that State might have done better with the injured Jim Rennie, and Bill Mann, whose sister died yesterday afternoon. in the line-up, and it is equally probable that State could not have won with the Original Celtics, they slumped so badly. The Terrors, winners of three straight conference games, were never in the running and at one stage of the first half went out of sight, 23-6.

MATHEMATICAL REVIEW

Gorgeous Georgie Glamack made 15 points to lead the Tar Heels to their fifth win in a row, sixth in seven starts, tenth of the season against nine defeats and, seventh in the conference against six losses. The win all but assured Carolina a place in the conference tournament when the teams gather in Raleigh a week from Thursday and it allowed the Tar Heels to place in the Big Five race. By making for the last three games to 44.

The game had a brilliant Carolina making two straight fouls. He made another one after a Glamack field goal before State scored on a pivot shot by Elwyn Hamilton. Carolina continued making points and State did not, and the Tar Heels reached the peak of the game by taking a 23-6 lead on a Glamack shot after 11:15 of play in the opening period. Cheered by the proceedings, the Carolina partisan gallery used a time-out to standup and give the team its biggest ova-
