Marshals And Dance Leaders Are Chosen

Rankin-Turner Tie Must Be Decided By Executive Group

Eight commencement marshals and 11 dance leaders for the figures of the Junior-Senior dance set to be held on the week-end of May 12 and 13 were elected yesterday as members of the two classes went to the polls to make official choice from 46 nominees previously named by the two executive committees.

Only 11 members were selected rather than 12 because of a tie between Ed Rankin and Ben Turner, Junior class nominees. It is thought that the class executive committee will either elect one of the two for the vacant spot or increase the usual number by one.

SENIORS LEADERS

Those elected to lead the Senior dance are Bill Hendrix, vice-president of the student body, George Nethercutt, baseball captain, Charles "Puddin'" Wales, president of the Inter-dormitory council, Bill McCachren, basketball captain, Voit Gilmore, chairman of the Carolina Political union, and Horace Palmer, letterman football player.

Junior dance leaders chosen are Fish Worley, Cy Jones, John Bonner, Stancill "Red" Strowd, and Walter Wall.

EX-OFFICIO

Class officers and the chairmen of the class dance and executive committees are ex-officio class dance leaders.

Commencement marshals will be Benny Hunter, Mac Nesbit, Jimmy Davis, Jack Fairley, Fish Worley, Cy Jones, Charlie Wood, and John Bonner.

Winner Gives Success Secret; Another Ad Contest Looms

Charles Rhyne, Twice Victorious, Goes Into Seclusion To Find Answers

By CHARLES GERALD
Beginning several weeks ago with one of the first DAILY TAR HEEL ad contests, Charles Rhyne, a freshman living in Carrboro, achieved recently what amounts to almost phenomenal success. In fact he's like the man who broke the bank at Monte Carlo—he has, since the contest began, been twice winner of first place and runner-up once. In addition to this Rhyne says that he expects to win again, although his competition this Saturday will perhaps be greater than ever before.

Although Charlie was at first rather wary of revealing the secret of his success, he finally broke down and admitted that the greatest factors were diligence and hard work, but that further he had found that in order

ALUMNI NOMINATE YEAR'S OFFICERS IN MEETING HERE

Graduates Hold Harmonious Session At Carolina Inn

Participating in one of the most harmonious sessions on record, alumni of the University, here for their annual General assembly, nominated officers for the ensuing year and adopted unanimously a resolution requesting the legislature to restore to the budget of the consolidated University the appropriation recommended by the Advisory Budget commission, subject to tuition adjustments.

The resolution, which was offered by Norman A. Boren, prominent Greensboro attorney and former legislator, asked that a plan of reciprocal tuition fees, such as those now in effect in Oklahoma, Texas and Nebraska, be considered by the legislature.

GRAHAM SPEAKS

The Boren resolution was introduced near the close of a four-hour meeting last night after President Frank P. Graham had made what was regarded as a splendid analysis of the University budget with respect to the state's revenue and other responsibilities to its citizens. He pointed out none of the appropriation is being requested was for restoration of salaries.

Former Governor J. C. B. Ehringhaus of Raleigh, who presided over the meeting as president of the General Alumni association, paid high tribute to the Graham address, saying the University president's analysis of the State situation as a whole constituted "the best of many addresses you and I have heard Frank Graham make."

T. Holt Haywood of Winston-Salem and Charles W. Tillett of Charlotte were nominated for the presidency of the General Alumni association for the ensuing year to succeed Mr. Ehringhaus, who did not stand for reelection.

Selection of these and other nominees will be conducted by mail ballot through the Alumni association.

PRODUCERS DELAY CAMPUS SHOWING OF WILDER PLAY

Playmakers Plan Substitute Program For March 2, 3, 4

Due to delayed production rights the Playmakers have postponed their presentation of Thornton Wilder's "Our Town" until the spring quarter. Instead, for their forthcoming production on Thursday, Friday, and Saturday nights, March 2, 3, 4, they will present a group of three one-act plays.

The three plays to be presented are "Twilight Song," a play of religious superstition, by Donald Muller of Boonton, New Jersey; "Kid Sister," a comedy of adolescence, by Wieder Sievers of St. Louis, Mo.; and "Pasque Flower," a play of the Canadian prairie, by Miss Gwen Pharis of Margath Alberta, Canada.

"Twilight Song" is set in Maryland in an old homestead which has been in the Harding family for generations. The conflict between a mystic and a realistic attitude arises out of the nature of Anne Harding, her sister, Margaret, and her nephew, Swan. The cast includes: Miss Patsy McMullan, Chapel Hill; Floyd Childs, LaGrange, Ga.; and Frederick Meyer, Metuchen, N. J.

"Kid Sister" gives an amusing picture of family life in a large mid-western city. Acting in the play are: Miss Lucille Verner, Chapel Hill; Arvil Gentles, Montclair, N. J.; Miss Nancy Helms, Chapel Hill; Billy Rawls, Rocky Mount; Harry Lasker, New York City; and Clifton Young, Lexington.

"Pasque Flower" takes its name from the early blooming flower of the large prairies and is set on a large farm in Western Canada. The four roles are played by Roberta Robertson, Chapel Hill; Earl Wynn, Chapel Hill; Allen Andrews, Goldsboro; and John Langdon, Coats.

Frosh Debate Squad To Meet In Phi Hall

The Freshman Debate squad will have its final meeting of the quarter tonight at 7:30 in Phi Assembly hall. There will be a short business meeting before the regular program, at which time plans for the debate trips will be considered. "It is very necessary that all members be present," said Huntly Goldsmith, chairman of the squad.

All freshmen who are interested in joining the club and making these trips are invited to attend tonight.

Coffman Objects To Story Taken From Frosh Themes

The editor of the Carolina Magazine stated yesterday that the lead article for the February issue, which is to be devoted to a discussion of higher education for Negroes, has just been forbidden by the head of the English department.

Stating that "the suppression of the article causes me considerable embarrassment since its suppression will make the February issue sadly lacking in balance," Editor Creedy stated that the article was to be an analysis of 581 freshmen themes written on the topic "Would You Favor a Negro's Entering the University?" The article was written, as preliminary to a thesis by a sociology graduate student Janet Bragdon.

NO RIDICULE

"With quotations from themes illustrating the various points of view held by the members of the freshmen class," Editor Creedy went on to explain, "the article was in no sense devoted to ridiculing or misrepresenting the opinions of the freshmen class. Though necessarily journalistic in style, it was, as far as possible, scientific and objective. The themes were classified according to the geographical antecedents of the authors and according to degree of affirmation and negation.

The article also included an analysis of a number of themes on the same topic from Negro colleges in the state.

In an official statement concerning the matter, Dr. Coffman said that "a regular class in the English department is not the place to secure data for immediate journalistic purposes." He also pointed out that "it is a general departmental policy to respect the

ROLFE, RANKIN, BILL BROADFOOT ARE PU CHOICES

Candidates Named By Convention Wednesday Night

By CARROLL MCGAUGHEY

With the selection of the nominee for the presidency of the Junior class and the nominees for the Publications Union board, the Student party yesterday moved a step closer to completing its slate of officers for the coming spring elections.

Gates Kimball, popular sophomore, was announced as the party's choice to head the rising Junior class. Ed Rankin and Bill Broadfoot were selected as candidates for the PU board, representing the Senior and Junior classes respectively, and Shelley Rolfe received the nomination to the board as member-at-large.

WITHHELD

All four of the candidates were nominated by the party convention last Wednesday night, but the delegates voted to withhold the nominations from the campus pending the acceptance of all the nominees.

The candidate for the Junior class presidency, Gates Kimball, since his entrance at the University, has taken a prominent part in athletics. He won numerals during his freshman year for both football and track, and during the past season was one of the outstanding varsity football men. Prior to entering college Kimball served from 1933 to 1937 in the United States Navy where he became an outstanding boxer in the Pacific fleet besides playing as a member of the football team of the USS Idaho.

ED RANKIN

Rankin, the nominee for senior class representative to the PU board, has had experience in campus publications through his work on the staff of the DAILY TAR HEEL on which he holds the position of news editor. He has also served as a member of the Freshman handbook. A self-help student, Rankin's other campus activities include membership in the Phi assembly, the Inter-dormitory council, and YMCA.

Yackety-Yack staff member Bill Broadfoot, who will run for Junior class representative of the PU board, has had wide experience in publications. In high school he served as business manager of both his school paper and annual. Broadfoot is now editing

MIAMI DEBATERS HERE TOMORROW

Kleeman, Hamlin On University Squad

Miami university meets Carolina in a debate tomorrow night at 8:30 in Graham memorial lounge. At the try-outs last Wednesday Lewis Hamlin and Walter Kleeman were selected to represent the University on the negative side of the query Resolved, That the United States government should cease spending public funds for the stimulation of business. Representing Miami will be Jack Madigan and Milton Wasman. The question is an important one, and one which should be of interest to the entire campus.

The Carolina debate teams make their spring tour during the spring holidays, when they debate Winthrop March 13 negatively on the "government spending of public funds for the stimulation of business;" Brenau March 14 on the same side of the same question. Taking the affirmative, they debate Georgia Tech March 15 on the query Resolved, That the armaments appropriations of the United States should not be increased at the present time. The squad rounds out its trip by debating the University of Alabama on the sixteenth, the University of Florida on the eighteenth, and Miami university on the twentieth.

At the next Wednesday meeting try-outs will be continued for the queries on "increase of armaments appropriations," "cessation of government spending," and for the debate with the William and Mary girls on the "emancipation of women." Members who will go on the spring tour are to be selected on the basis of these try-outs.
