Frosh Nine Faces Wardlaw Prep; Trackmen Race In Florida Relays

BOTH TEAMS OPEN SEASONS AT 3

By HARRY HOLLINGSWORTH
Having practiced only four days, the Carolina freshman baseball team opens its 13-game schedule against Wardlaw prep school of Plainfield, N. J., this afternoon at 3 o'clock. Site of the game will probably be Emerson field instead of the freshman diamond.

Coaches Ham Strayhorn and Jim Tatum have looked over some 75 frosh candidates in practice sessions since Tuesday afternoon and have weeded out a first team to start today's game. Selections have been made on first impressions received in the daily drills and neither of the coaches is sure that the correct selections have been made. Because of this the freshmen will be shifted around a lot in today's game.

Howard Hodges, who is considered one of the brightest end prospects the school has had, will probably start on the mound for the frosh. Hodges is from Greenville where he played high school football and baseball. He will pitch only three innings, and Joe Nelson, high scoring center from the frosh basketball team, is slated to follow Hodges on the mound. Coming from Daytona Beach, Fla., Nelson is considered one of the best prospects on the freshman team. Erwin Mack, from Bronx, N. Y., will take over the hill after Nelson and will probably finish the game. A tall, slim man, Mack has shown much promise in early practice drills.

Chick Evans or Bill Duke will complete the battery for the Tar Babies. They and several other catching prospects will probably see some action in today's game.

The yearling infield appears to be the strongest part of the team with Bill Honan almost a fixture at third base. Without a doubt the best looking man on the team, Honan is an accomplished fielder and is nifty at the plate. Johnny Hearn, son of varsity Coach Bunn Hearn, is departing from the pitching tradition of his family and is playing at shortstop. Like Honan, he is almost immovable.

Tommy Oswald or Murphy Singletary will get the call at second. Both men have performed well in practice and it's a toss-up on who will start the game. At first base the coaches have found a problem, since no capable first baseman reported for the team. They have converted Bob Saunders, a third baseman into a first sacker and he will probably begin. Phil Lewis and Bill Neel should also play.

Red Dawson Sees Weak Tulane '11'

NEW ORLEANS, March 29—(UP)—Tulane, a powerhouse in the Southeastern conference but just a "fall guy" for Texas schools, has begun spring football training with high hopes for the season and a dearth of the veterans who put the team among the 10 best in the nation last year.

Twelve of those men will be missing this year, eleven through graduation and All-America Harley McCollum because of scholastic difficulties.

Coach Lowell (Red) Dawson said that the length of spring training "depends upon the progress of the season." He originally had planned to call the squad out in February, but then changed his mind. He decided that the boys who had participated

Harvard Baseball Coach Fears That Illness May Hurt Team

Flu Epidemic Put Stars On Sidelines

Floyd Stahl of Harvard has been around the masterminding league long enough to know that a good cry never hurt anyone and so the Crimson leader who brings his squad to Chapel Hill to face Carolina Monday has not been hesitant to declare with sorrowful noises that it would surprise him no end if he will be even able to field a team to go against the Tar Heels.

It isn't that Stahl has had a dearth of candidates. Far from that. The old rah, rah spirit at Harvard still burns as bright as ever and the fellows keep turning out for the team. But it seems that a flu epidemic has hit Cambridge, Harvard and the Crimson baseball team.

Letter-writers out of Cambridge would have you believe that every time Stahl looks up he discovers the boys in the white coats trundling another one of his manly athletes off to the infirmary. It is all very discouraging. Word from Harvard is that Stahl doesn't know whom to play against Carolina and the other foes on the southern trip—it seems that perhaps there may not even be nine able-bodied young men at dear old Harvard.

If Stahl can get enough of his invalids out of the beds and onto the field, Harvard will have a pretty fair ball club. The Crimson was tied for first place in the Eastern Intercollegiate league last year. Only one key man is missing from last year's club—first baseman Tony Lupien who signed with the Red Sox after graduation and finished the season hitting over .300

Mural Officials

The following have been selected as intramural softball officials. They are asked to report to the mural office in 304 Woollen gym at 10:30 today: Dante Berini, Dave Bowman, A. W. Gillis, Leon Russell, Rodman Spruill, Paul Thompson, Jack Towell and Terry Sanford.

Fencing

Varsity fencing practice will be held this afternoon at 2 o'clock on the gym floor.

Olympic Games Believed Dead By Veteran Coach Robertson

PHILADELPHIA, March 29—(UP)—The Olympic games are dead, in the opinion of Lawson Robertson, four times coach of America's track and field forces in the international contests.

There probably will be international games in the future, he feels, but "as we knew them" the games are gone and coming contests will consist almost entirely of track and field events. "Even if the war were to end tomorrow or in time to hold the 1944 Olympic games in Finland it would be hopeless," the veteran University of Pennsylvania mentor said.

"Would Poland want to compete with Germany and Russia? Would France and England care to compete with Germany? Would Finland with Russia?"

RUSSIA IN 1936 CITED
"Remember Russia did not compete in the 1936 games because they were held in Germany. Well, it stands to reason that there would be much bitterness and that unpleasant events would be bound to occur—if you could induce everyone to compete.

"No doubt there will be international competitions again, but they will in the main consist almost entirely of track and field events.

"The Olympics as we knew them are dead. And, in a way, I'm not sorry.

"I've always contended that bodily contact sports should not be on the Olympic roster. Too often the outcome

Frosh Baseballers Play Wardlaw At 3

RAIN HALTS PLAY BEFORE SINGLES ARE COMPLETED

By WILLIAM L. BEERMAN
Co-captains Rider and Rawlings had trouble enough in winning from underrated Colby opponents yesterday, but when the rains came Carolina had squeezed by with enough points to make the victory official, 5-0.

None of the doubles matches was finished. Action had just begun when Chapel Hill's flood gates let go and drenched all concerned before safe shelter could be reached. Ham Anthony, No. 5 player, had spit two sets with Frederick of the visiting team before he floated away.

Charlie Rider, the No. 1 guy, found Colby's diminutive Lord a tough, robot-like swinger. Rider took a long time in winning the first set, 6-4, and the second set was a drawn-out affair at 6-2. Lord couldn't play his own game against Charlie, but returned the ball steadily with beautiful backhand shots.

Long Bill Rawlings threw too many opportunities. Captain Pinansky of the Maine crew put up a fight that sent the match slowly to Bill, 6-4, 4-6, 6-2. Rawlings messed up several opportunities to kill the ball, but at other times his perfect placements had Pinansky exasperated thoroughly.

In the third singles, Walt Meserole was less labored to win. He took Chase in 6-0, 6-1 sets, not being pushed to any great extent.

Zan Carver, bad knee and all, had too much fire on the ball for Dyer. Playing in the fourth spot, Carver whipped his drives where Dyer wasn't and won 6-3, 6-0.

Blair Rice, last man on the singles ladder, took two love sets from Pizzano, making the fifth Carolina score and the match official.

Players and a handful of spectators were driven from the varsity courts just after the doubles had started. Water soaked up white base lines and put the courts back in the soggy shape they have been accustomed to.

Rider's flashing serve was working well, yet the match lasted too long. Little Lord, even smaller than Charlie, did his darndest to win a set, but four games out of 10 in the first were the closest he came to it. Rider poked several returns into the net and some of his placements dropped outside by fractions of inches.

Red Rawlings fooled around a little, got caught flatfooted to loose the second set, and then came back with an offensive game that kept Pinansky's tongue dragging the ground.

The match, as did the one Tuesday (Continued on page 4, column 2)

Summary

Singles: Rider defeated Lord, 6-4, 6-2; Rawlings defeated Pinansky, 6-4, 4-6, 6-2; Meserole defeated Chase, 6-0, 6-1; Carver defeated Dyer, 6-3, 6-0; Rice defeated Pizzano, 6-0, 6-0.

Score 5-0, Carolina. Singles between Anthony-Frederick and all doubles rained out.

TAR HEELS ARE 1939 CHAMPIONS

GAINESVILLE, Fla., March 28.—Carolina's Southern conference championship track team as well as leaders of the two big loops in the south are ready for the second annual Florida relays embracing five relays and a slate of individual events.

The Tar Heels, favorites because they walked off last spring with all five first places and all of the cups and medals that went with them, are reportedly not as strong this time. Sixteen Carolina stars made the trip here, and four will go into the hurdle, jump and weight events.

Two Southern conference champions, Jim Davis, miler, and Tom Crockett, two-miler, lead the Tar Heel relay entries, and Royce Jennings, Dave Morrison, Fred Hardy and Harry March are among the experienced men who will back them up. Norman McLeod, sophomore standout, will try his skill at the pole vault. Warren Mengel is in the high hurdles and broad jump, Pat Patterson goes into the high jump, and Chuck Slagle is entered in the shot put.

Davis and Morrison, members of the Tar Heel team that ran the third fastest two-mile relay time recorded in the Millrose games while winning in 1939, are the mainstays of the two mile team which this year is matched against a strong team from the University of Maryland. Davis, Morrison and Crockett, and either Johnny French or Mike Wise will form the Tar Heel four.

Carolina's entry in the one mile relay will be named from among Morrison, March, Billy Groves, Ed Hoffman and Phil Haigh. The 440-yard relay will be March, Haigh, Groves and Royce Jennings.

Carolina, besides taking the 440, mile and two mile relays, also won the sprint medley relay and the one mile team race last year. The sprint medley is a relay over a mile distance, consisting of one quarter-mile leg, two 220 legs, and a half-mile at the finish. Jennings, Hoffman, March and Davis will probably form Carolina's team.

The one mile team race, scored as a cross country run, saw Davis and Morrison placing one-two and Crockett sixth last year. Crockett, Hardy and Jim Vawter are probable starters tomorrow.

The Carolina men here for the relays are Tom Crockett, Jim Davis, Johnny French, Bill Groves, Phil Haigh, Fred Hardy, Ed Hoffman, Royce Jennings, Harry March, Norman McLeod, Warren Mengel, Dave Morrison, Pat Patterson, Chuck Slagle, Jim Vawter and Mike Wise, and Manager Tom Brafford and Perrin Quarles, assistant.

WINTER QUARTER SPORTS AWARDS ARE ANNOUNCED

Monograms were awarded to 48 varsity athletes for basketball, boxing, swimming, wrestling and indoor track, and numerals went to 56 freshmen who competed in winter quarter sports.

Bill Corpening, whose eligibility lasted only through the Indoor games, became the first Carolina athlete to win four letters in one sport—track. He won letters in the spring of 1937, '38 and '39. Track letters are usually awarded on the basis of performances in both winter and spring.
