Navy Sinks Before Netmen, 8-1; Hunt Takes Match From Rider

ANNAPOLIS, May 8.—North Carolina's tennis team concluded its annual northern invasion here today with an 8-1 victory over Navy's midshipmen. Joe Hunt, Navy's Davis Cup star, provided the only flaw in the Tar Heels victory as he easily defeated Co-captain Charlie Rider in the No. 1 singles 6-0, 6-2. Winning appears to have become clock work for the Tar Heels as today's win was their thirty-third consecutive and thirteenth of the year.

The Tar Heels embarked for Durham immediately following today's match, where they are scheduled to enter the Southern Conference tournament on the Duke university courts, which opens for a three day stand tomorrow afternoon at 2 o'clock. The undefeated Carolina team will enter the tournament as favorites to retain their singles title and to take the doubles title from Maryland's defending champions, Askins-Ritzenberg.

Carolina's netmen appeared in the best of shape this afternoon as they performed in superior fashion before a large gallery of midshipmen. Carver-Meserole kept up their routine work of winning in the No. 1 doubles position by trimming Hunt-Williams in three sets, 4-6, 8-6, 7-5. The entire match kept the Midshipmen on edge but the Carolina combination's rally in the last two sets was the feature.

WEIGHT EVENTS APPEAR STRONGER

Field events, for almost the first time in two years, will play an important part in the success of Carolina's track team. The Tar Heels find themselves at an advantage against the Georgia team that comes here Saturday.

Hot weather brought out an especially large number of trackmen yesterday, and all of them took advantage to improve previous performances and get in good workouts. Dick White in the shot put continued to head the improvement list, having tossed from 43 to 45 feet in practice. Chuck Slagle, letterman for two seasons, has done 44 feet 4 inches and was beaten by Steve Lach only several inches earlier in the season.

Stu Richardson and Randy Partridge appear as the best of the javelin men. Richardson uncocked a throw of 180 feet 5 1/2 inches against Navy.

PLEASANT GARDEN LEADS 'C' NINES

Pitcher Roscoe Taylor led Pleasant Garden's well-rounded team to a successful defense of its Class C high school baseball championship on Emerson field yesterday as the Guilford county nine easily beat West End's Eastern champions, 5 to 1.

Taylor pitched superbly and was particularly effective in the tight spots. He struck out eight men, granted only six hits, and left no less than 12 West End runners on the bases.

In addition to his masterful pitching performance, Taylor was his team's leading hitter. His long home run smash to left field in the fifth produced the first score of game. His slow infield out in the seventh brought home a second run. Taylor also singled in the second and batted an even .500 for the afternoon with two hits in four official at bats.

Arnold Thomas and Howard Auman, who shared pitching duties for West End, both hurled well but seven errors by their mates let in two runs and set up the stage for two other tallies.

In a meeting of two undefeated teams, the SAE No. 1 team kept their slate clean by defeating Phi Delta Theta 7-4 on the diamond yesterday. Strange, Moore, and Dunn with two hits apiece topped SAE's hitting, while Ike Grainger featured afield. Sapp, Richardson, and Whitney did good work behind the bat for the Phi Deltas.

Pi Kappa Alpha routed Beta Theta Pi 15-1 in the second meeting of the two clubs this year. Kimrey, on the mound for the winners, set the Betas back with two hits.

Sam Mordecai pitched another spectacular game for the Zete's, giving up a single to Hogan in the second inning and a single to pitcher Ashby in the seventh.

Mordecai himself was one of the leading hitters of the game getting two singles out of three trips to the plate. Doc Cone had a similar record while George Wilkinson had a perfect day at the plate with three singles.

Zeta Psi No. 1 racked up its twenty-fifth consecutive conquest over dormitory and fraternity teams extending its undefeated record for the year to seven games yesterday afternoon by shutting out ATO, 4-0.

The defending champions' first two runs came in the opening frame on singles by Wilkinson and Cone and three errors. The concluding runs being tallied in the third when Thorp walked and Wilkinson, Wilson, Cone and Anderson rapped singles.

Thompson, rightfielder for the losers, faced Mordecai four times during the game, each time he received a walk. Meanwhile the ATO shortstop, Mangum, was striking out in all three of his appearances at the plate.

With Doc Siewert scattering six hits and Mullis, Stewart and Ronman lambasting the ball, Physical Education defeated Mangum, 10-5. The faculty got to George "no-hit" Glamack for seven hits and capitalized on his wildness to add more tallies. Ernest "Red" Forrest was the big gun in Mangum's offense getting a single and double out of two trips to the plate.

Flucie Stewart, however was the big star of the game, for in the fourth inning with the score standing at 5-3 in favor of Mangum, and with Ronman and Mullis on base with two outs, he toed off on one of George's speedballs for a home run, sending the Mullis coached team into a lead which they never relinquished.

The men from the gym drew first blood in the opening inning when Siewert singled and scored on erratic play by the Mangum club. They added two runs to this lead in the second when Allen and Shepherd walked, advanced to third and second on Glamack's wildness and scored on a double by Manager Mullis.

Mangum retaliated in the same inning with two runs on a single by "Red" Forrest a double by Steve Forrest and a single by McGoogan. The dormitory team took a two run lead in the third by scoring three runs on hits by Glamack, Leonard and "Red" Forrest and a fielder's choice.

Then came Flucie Stewart's homer in the fourth. The Physical Education followed this up in the fifth with four runs on hits by Maronic and Ronman, two walks and an error coupled with neat base running on the part of Ronman and Shepard.

The game was called at the end of the fifth inning in order to allow the Mangum players to attend their dormitory party.

Frosh Nine Will Meet Deaclets; Varsity Begins Southern Tour

Win Today Means Big Five Crown

By Harry Hollingsworth
A win by the Carolina freshmen this afternoon over Wake Forest would assure them of the Big Five freshman crown since they have already won four games and lost none in the family race.

Wake Forest took second place Tuesday with a convincing 10-8 victory over the Duke Imps, and a Deaclet win today and a Duke victory Saturday would place the Deaclets and the Babies in a tie for first place. Duke has had two defeats—one by Carolina and one by Wake Forest. The State freshmen have yet to break in the win column in the Big Five, having fallen to Duke, Wake Forest and the Babies.

Charlie Moore, who pitched himself into a starting berth on the freshman team Monday with a 4-2 triumph over State, will pitch again today, performing almost an iron man act. Howard Hodges was counted on to pitch but he went to the infirmary Monday morning and was just released yesterday afternoon. Coach Jim Tatum wasn't sure whether Hodges would be in shape to pitch or not, but in case he is, he'll be in the box.

Steve O'Hedy will complete the battery. Since there's not much difference in O'Hedy's and Barksdale's catching, the two have been alternating for past few games.

The Babies will have to come out of a severe hitting slump today to win from the Deaclets. Saunders, batting the ball at .400 clip before the first Deaclet game, hasn't hit safely in the past eight times at bat and has only three hits in the past eighteen trips to the plate. Jack Roberts, the Babies' leading hitter, has collected one hit in the last nine chances.

The Babies' starting team: Hearn, ss; Oswald, 2b; Roberts, rf; Saunders, 1b; Pecora, 3b; Snell, lf; Miller, cf; O'Hedy, c; and Moore, p.

GOLFERS CANCEL CITADEL MATCH, STATE TOURNEY

The state Intercollegiate golf tournament, scheduled for yesterday, and a dual match carded with The Citadel for today, have been cancelled, it was learned yesterday.

The state event, held annually at Sedgfield country club in Greensboro, was called off when it became known that several of the Big Five schools would not enter a team.

Due to senior examinations now taking place at The Citadel, golfing activities have been suspended and the team that won the South Carolina championship has been disbanded. The cancellations thus leave only the conference fray at Sedgfield Saturday for Carolina's often-idle swingers.

Because the Tar Heel season has been curtailed by three cancellations Chuck Erickson is planning to take anybody who is capable of swinging a driver in the general direction of the ball to the Greensboro tourney. Besides regulars Hudson Boyd, Neal Herring, Charlie Duffield and Frosty Snow, Erickson will enter all candidates who have worked out or have played any at all.

Life Saving Course Going, Going . . .

The last chance to enter the Senior Life Saving course is today. The course begins at 5 o'clock at Bowman Gray pool and is the last to be offered this year. Students may enter the course this afternoon by seeing either Jim Barclay or Lamar Gudger at the pool.

Almost 2,000,000 students in 16 colleges and 120 schools were served last year by Boston University's visual education department.

Davidson, Furman, Clemson In Line

By Bill Beerman
Not beaten since those hazy days when the season first opened, Carolina's maybe-Big Five and maybe-Southern conference champions depart from Emerson stadium this morning at 8 o'clock for a snappy tour of three jerk-water stops.

But the jerk-water stops—Davidson, Greenville and Clemson, S. C.—are in a position to do Bunn Hearn's amazing team the most harm. Clemson particularly is potent, and at present is in a tie with Carolina and Richmond for the Conference lead. Should any one of the three win, the Tar Heels' chances for the most perfect season since the Philadelphia A's won a world series is considerably diminished.

Game With Davidson
Davidson's in-and-out club, far down in conference and Big Five standings, is met this afternoon at Davidson. Tomorrow, at Greenville, S. C., the boys play Furman. And Saturday Clemson will attempt to cling to its precarious position in the league in an engagement at Clemson.

Then the squad returns here Sunday to rest up for the big game Monday afternoon with Wake Forest at Wake Forest. After that the season dwindles down to a mere explosion—the final three games with Duke, which in the past have determined state and conference winners more often than not.

Mr. Hearn has not seen his team beaten since Cornell did it embarrassingly April 2. Carolina has won 11 consecutive games, and 13 out of 16 for the year to date if you include the opening victory over May hosiery mill's nine.

Either Lefty Cheshire or Red Benton will take care of the pitching against Davidson today. Then all the coach has to worry about is finding some nice scheme whereby Cheshire and Benton can be used in the remaining six games without breaking down from nervous exhaustion. Spriggy Ralston might be able to help out, but from there on the situation is slightly excruciating to contemplate.
