Graduate Club Drops Petition For Legislator

Postpone Action Until Regular Spring Election

Harry Ganderson, secretary-treasurer of the Graduate club, announced last night that plans to secure a representative in the student legislature for Smith, graduate men's dormitory, had been dropped for the present.

"We feel that Smith should have a representative in the legislature," Ganderson said, "but at the same time we realize it would cause a great deal of trouble and cost to undertake such a move now. Therefore, we are dropping our petition. In the spring, just before the regular campus elections, we plan to work toward getting a representative."

Sentiment has been strong on the campus for several years to give graduate students more representation in student government, but little was done until the present constitution was drawn up last spring allowing the law and med schools one representative each in the legislature. There was some talk at that time of giving graduate students a representative on the Student Council.

Campus leaders including Bill Cochran, speaker of the legislature, and Dave Morrison, president of the student body, felt that the move made to postpone efforts was a wise one.

Ganderson, who is secretary-treasurer of the Graduate club announced last week on the eve of the first Legislature session that he and other graduate students would begin seeking signatures for the petition "soon."

The petition asked that the constitution be amended to give Smith Dormitory a representative in the Legislature.

If one-sixth of the students on the campus had signed the paper the Student Council would have been required by the constitution to call a general referendum on the amendment within 20 days after it received the request.

Zimmerman Talks On Puerto Rico At Bull's Head

"The local problem in Puerto Rico is one of over-population . . . and when I pick this one I have picked the core because all others center around it," Dr. Eric W. Zimmerman said yesterday in a talk delivered at the weekly Bull's Head book shop tea. Dr. Zimmerman has just completed several research reports at the request of President Roosevelt. He was a member of a staff of six men selected to investigate social and economic conditions in Puerto Rico, and make suggestions as to possible remedies.

"Unless this is solved all else is whitening in the wind," Zimmerman continued. He explained that by over-population he means that on the island, there is an inadequacy of substance for the existing population.

"Nicholas Murray Butler has said in effect, 'The Lord God Almighty told us to take this island and show these people how to live without making them a part of our nation.' Zimmerman declared, 'If the people of Puerto Rico are to develop we must assume responsibility . . . especially now when we talk of making the island the Gibraltar of the Western hemisphere. Defense must be total defense.'"

Dr. Zimmerman recommended birth control as the only means of undoing the disaster which faces the natives (Continued on page 4, column 3)

Stadium Pop Sellers Should Apply Today

All boys interested in working in concession stands at Saturday's game should report to the director's office in Graham Memorial between 10 and 11 o'clock this morning, or between 1 and 4 o'clock this afternoon, Fish Worley said yesterday.

Cheerio Club To Meet

All members of the Cheerio Club are asked to be present in Memorial Hall tonight at seven o'clock, Charlie Nelson, president, announced last night.

Committee Members Discuss Campus Organization Proposal

Members of the Student Legislature ways and means committee yesterday afternoon met with members of the committee which proposed the campus organization bill for an informal discussion of the plan.

Dave Morrison gave the background of events which led to his appointing the committee on organization for national defense, the author of the proposal, and explained the reasoning of the committee in drawing up the bill.

"We felt that the majority of students should have a more direct voice in decision making," he said.

The student body as a whole now has a voice in its government only through voting, he said, and there is no machinery by which it may convey its opinions to its leaders after they have been elected.

The proposal provides that the campus be divided geographically into

400 small discussion groups, each composed of about 10 members, who may talk over various issues as they come up and convey their opinions to student body leaders.

Major arguments against the bill which have been encountered so far, it was brought out at yesterday's meeting, have been based on fear of its use for regimentation and doubts as to its practicality.

Morrison and others pointed out, however, that these points were considered by the committee before it made its decision. In answer to the first, they said the organization will have no judicial or legislative power and will function only as an authoritative source for student body opinion.

They said that if the plan proved impractical, no harm would be done, whereas the possible good would make (Continued on page 4, column 3)

43 States Are Represented In Record Enrollment Here

North Carolina Leads With 2,630

A total of 43 states, the District of Columbia, and 14 foreign countries are represented in the 4095 students enrolled at the University for the fall quarter, I. C. Griffin, head of the Central records office, revealed in figures released yesterday.

North Carolina leads the list with 2,630 students, followed by New York with 340. New Jersey is third with 141, Virginia fourth with 114, and South Carolina and Pennsylvania are fifth and sixth with 112 and 105 respectively.

The general college leads in number of students in the undergraduate school with 1,695. The College of Arts and Science is second with 1,016 while the Commerce school has 405 enrolled.

There are 622 graduate students, 135 in pharmacy, 102 in law, 77 in medicine, 51 in social work, 30 in library science, and 13 in public health.

As usual, men students lead the sexes with 3,461. Women students total 634.

States according to number of students are as follows:

North Carolina 2,630, New York 340, New Jersey 141, Virginia 114, South Carolina 112, Pennsylvania 105, Florida 99, Georgia 89, Connecticut 51, District of Columbia 38, Massachusetts 36, Alabama 32, Ohio 29, Maryland 28.

Illinois 27, West Virginia 23, Louisiana 18, Mississippi 16, Delaware 14, Texas 12, Michigan and California nine each, Arkansas 7, Indiana and New Hampshire five each, Wisconsin, Washington, and Oklahoma four each, Rhode Island, New Mexico, Idaho, Maine and Missouri three each, Kansas, Nebraska, Oregon and South Dakota two each, and Wyoming, Montana, Colorado, Iowa, and Minnesota one each.

German Bombers Strike London With Unprecedented Air Attacks

Great Britain Expected To End Rumanian Relations

By United Press

LONDON, Oct. 10.—(Thursday)—Wave upon wave of German bombers last night and today brought the siege of London to an unprecedented pitch of terror that blasted a second crowded hospital, damaged historic buildings, and lighted the heart of the metropolis with lasting fires.

Ambulances screeched through debris-laden streets careening wildly under a deadly rain of bombs and parachute flares to remove dead and injured from buildings ripped apart by big bombs or gutted by flames.

At least 43 London districts have been bombed at 1:15 a. m. and in some cases the raiders swept down with machine-guns blazing at full force.

BUCHAREST — (Thursday)—Reports that Great Britain is preparing to break off diplomatic relations with Rumania aroused fears and speculations early today that Britain bombing planes from the Near East may bomb Rumania's vital oil fields.

Diplomatic quarters said that Britain is virtually certain to break off relations with Rumania as a result of the establishment of German troops (Continued on page 4, column 4)

No Freshman Chapel This Morning

Freshman assembly will not be held this morning, Assistant Dean of Students Fred Weaver said yesterday.

Freshmen will be expected, however, to attend University day exercises in Memorial hall during chapel period Saturday morning.

Celebration Set for Oct. 19

Carolina-State Game Is Highlight

Highlighted by a football game, 500 Women's college coeds, three college bands, and a dance, students of the Greater University of North Carolina will celebrate the third annual Greater University Day in Raleigh on October 19.

Last week, Lib Patton and Annie Braswell, president and vice-president of the student body at Women's college; Paul Lehman, student body president at State college; and Bill Dees, W. T. Martin, and Dave Morrison of Carolina met in Raleigh to draw up plans for the celebration.

At half-time of the Carolina-State football game, which will be attended by a trainload of 500 girl students from Greensboro, the student body presidents from the three schools will speak to the spectators.

Eight sponsors from each school will join the three school bands to add color to the event.

Saturday night, in the Frank Thompson gymnasium at State college, Barry McKinley will play for the Greater University dance. Tickets will be sold for \$1.10 at the door and for 85 cents advance sale.

Identification Pictures Today

Students who failed to have pictures made for identification cards during registration are asked to drop by the second floor of Graham Memorial today or tomorrow afternoon between the hours of 2 and 6, I. C. Griffin, head of the Central Records department announced yesterday.

"It is absolutely essential that every student possess an identification card," Mr. Griffin said.

He also pointed out that usually the students who fail to have pictures taken are those that need them most.

No Rushing During Friday Pep Meeting

Fraternity rushing will cease between 7:15 and 8 o'clock Friday evening October 11, so that freshman and fraternity men may attend a gigantic pep rally in Memorial hall.

Ferebee Taylor, president of the University club, announced yesterday that the University band will perform at the rally.

College YDC's Plan Letters To Roosevelt

University YDC Takes Lead In State Movement

President Roosevelt will receive a letter in Washington October 19 signed by members of the student bodies and faculties of all the large colleges and universities in North Carolina backing up the policies of the Roosevelt administration and offering their full support to the President in the November election, Winford Norman, president of the Young Democrats club of the University, said yesterday.

The letter was drawn up by Bill Cochran, of the club, which is sponsoring the idea. Copies of the letter are to be sent to YDC clubs at Duke, N. C. State, Wake Forest, the Woman's College of the University of North Carolina at Greensboro, East Carolina Teachers college, and other schools where there is active support of the Roosevelt campaign.

After the letters have been signed by Democratic supporters on the various campuses they will be returned to the YDC headquarters at the University and on October 19 the whole collection will be sent to Roosevelt.

On the UNC campus copies of the letter are to be distributed to each dormitory and two or three will be passed among the fraternities and sororities. The distribution will begin today and all signatures are expected to be obtained by the first of next week.

The YDC, in conducting the drive to reelect Roosevelt on this campus, is having posters and pamphlets printed displaying slogans and pictures of the candidates. These will be distributed over the buildings and grounds of the University.

Because of anti-third term sentiment on the campus this year's presidential race is inspiring more political activity on the campus than has been evident since the 1928 campaign, many observers say.

Norman has called a meeting of the executive committee of the club tonight at 7:30 in the small lounge in Graham Memorial. He asks that, besides all members of the committee, the following be present at the meeting: Bill Cochran, Mitchell Britt, Lee Wiggins, C. C. Brewer, John Jordan, Ridley Whittaker, and all dormitory chairmen of the Roosevelt club.

Group Will Study Graham Memorial Dance Problem

A special committee was appointed yesterday by the Graham Memorial Board of Directors to consider the future use of the lounge for fraternity and other student organization dances, director Richard Worley said yesterday.

H. F. Comer, Jane McMaster, Dave Morrison, Don Bishop, and Richard Worley will investigate the situation and the Board will take action on their recommendation. There has been no formal or official provision for reservation of the lounge for this purpose previously.

"I should like to make some arrangement whereby dances may be held here at nominal fees," Worley told the directors in asking for the action.

Alien Students Must Register

WASHINGTON, D. C.—(ACP)—The department of justice has ruled that all of the 6,000 alien students who have entered the country on student visas must register and be fingerprinted before Dec. 26, in accordance with the national alien registration act.

The non-quota alien students are compelled to carry 12 semester hours of school work and must be 15 years old when admitted to the United States. Average age of students now here is 18.

Largest single group of alien students is at Montezuma Seminary, Montezuma, N. M., where 330 from Latin American countries are enrolled. Such students have been coming to the United States since 1937 instead of going to schools in European cities.

Registration for Draft To Affect 1,000 at UNC

Eligible Students Register Here October 16

Dean Francis F. Bradshaw

With registration day for possible military conscription less than a week off, Dean Francis F. Bradshaw, chairman of the faculty committee for national defense and newly-appointed assistant to C. P. Hinshaw of the local registration board, yesterday announced tentative plans for student registration.

It is estimated by I. C. Griffin, central records office head who will be in active charge of campus registration, that at least 1,000 students will have to register October 16.

Every student who was born between October 17, 1904 and October 16, 1919 will be required to register in Woolen gymnasium. The physical education department has given the gym over to the registration authorities for the day.

Excuse From Class

In accordance with the proclamation of President Roosevelt, the registration hall will be opened between the hours of 7 a. m. and 9 p. m. Students will be registered in alphabetical order according to a schedule to be published in the DAILY TAR HEEL later this week.

All those who are required to register will be excused from all classes which they are forced to miss. There will be no general holiday.

The President's proclamation has made it possible for college students to register without appearing in their own counties. The registration blanks will be forwarded from Chapel Hill to the governors of the several states for transmission to local boards.

Eleven questions will be asked on the preliminary registration card. Students are expected to come prepared to give their name, address, telephone number, age, place of birth, country of citizenship, name of person whose address will be permanent relationship of that person, employer's name, and place of employment or business.

Registrars will be sent to the University infirmary to register those students who are too ill to appear at the gymnasium.

Every person subject to the regulations is required by law to familiarize himself with the rules and regulations governing registration and to comply with them. Special instructions will be issued to those who register after registration.

Wolf Will Address Football Clinic Tonight In Gerrard

Coach Ray Wolf will discuss the Carolina-Davidson game at the weekly football clinic in Gerrard Hall tonight at 7:45 when pictures taken last Saturday will be shown.

The series of clinics is sponsored by the Student Union under the direction of Richard Worley, head of student activities in Graham Memorial. In line with the Wednesday-night discussions we now have copies of "Football News"—a magazine containing team ratings and predictions—in the lounge. "Collyer's Eye" and "Baseball World" have also been added to the weekly publications," Worley announced yesterday.

"We will have our usual contest again this week with the five-dollar meal ticket to the Grill to be awarded to the student who picks the winning teams for October 12."

The list of this week's teams in the contest will be in Friday's DAILY TAR HEEL.

Seven More ASU Members Tender Resignations; Group States Reasons in Letter to Malkin

Following the resignation of Nation Chairman Lee Wiggins early last week, seven members of the Chapel Hill branch of the American Student union announced their resignation from the organization last night.

In a letter to Moe Malkin, executive secretary of the campus branch, the resigning members stated, "Despite her shortcomings, we definitely feel that England is the better of the two sides in the European war and naturally hope that she will ultimately be victorious. Also we are supporting

Roosevelt in the present presidential election along with the majority of the progressive and labor groups in America.

"As a result, we feel that we can no longer support the organization as we did formerly—it is impossible for us to reconcile our point of view with that of the Union and we do not feel it intelligent, proper or expedient to remain in a group in which we do not believe. Therefore, after careful consideration we have resigned both from the local chapter and the ASU (Continued on page 4, column 2)
