## Junior Class Faces Budget Bogie Today

### Wood Plays At 10:30 In Gerrard

The Junior class has an appointment with Charlie Wood and Co. this morning at 10:30 in Gerrard hall.

The band is ready, the ballots are ready, more important—the budget is ready. The 21-man executive committee headed by Ervin Bowie has it all prepared. It has been signed, sealed, and delivered. At present it awaits final approval of the class.

This year's class is composed of approximately 750 members. In order to pass the budget it is necessary that at least 380 members approve it this morning.

Obtaining a necessary quorum at Carolina has always been accomplished with the utmost difficulty, though Pinky Elliott, class president, has predicted success today.

With Charlie Wood swinging out some of his famous "sweet jive," the executive committee feels that it has the proper inducement for the greater majority of the class. Elliott announced that an amplifier has been obtained and will be placed atop the YMCA to encourage roving juniors to cast ballots. A microphone was used with remarkable results last week when the senior class passed its budget. Elliott said, "It certainly will look bad for the class if we fail to get at least 450 members to vote."

Members of the executive committee See JUNIOR CLASS, page 4.

## Di Disapproves Of Industrial Conscription

The Di senate last night defeated by a large majority a bill entitled "Resolved, that American industry be immediately conscripted for national defense."

A general discussion of the bill followed formal speeches by two guest speakers and several members of the senate. Professor Oscar Svarlien, of the history department, and L. J. Arrington, economics instructor, spoke at length on the issue, as did Senators Manfred Rogers, and Carrington Greter.

### Professor Svarlien Speaks

Professor Svarlien, speaking for the affirmative, showed how important industry was in the last world war and how much more important it will be in the present one. He stated "that the thing at stake now is the national safety, which cannot be trusted to individual caprice," as happened in the cases of French and British industrial-

## Chapel Hill Precincts Give FDR 838-Vote Lead Over GOP's Willkie

By Bill Rhodes Weaver

North and south precincts of Chapel Hill gave Franklin D. Roosevelt a vote of 1187 for Wendell L. Willkie's 349 in the election here yesterday.

The Democratic party, though not seriously threatened with ballots cast for any office, was shown a more energetic fight than has been seen in the university community since Republican superiority days.

In the race for North Carolina state offices, Broughton took 1315 votes to 174 given McNeill on the Republican ticket. Harris, with 1318, won over Leavitt, 155, in the lieutenant governor's race. Thad Eure, a pre-election favorite, took 1320, to Republican Ferree's 155, for secretary of state. George Ross Pou, taking 1313, took his superstitious majority good-naturedly by beating Van Hoy's 155 for state au-

PINKY ELLIOTT, president of the junior class, calls out his classmates today at 10:30 in an effort to pass the juniors' budget for the coming year. Charlie Wood and his orchestra will be on hand.

## Sophs Meet Tomorrow

### 'Hot' Jam Session To Feature Meeting

The entire sophomore class will assemble tomorrow morning for a two-fold purpose: to pass the proposed class budget which includes expense for individual Yackety-Yack pictures, and to hear "the hottest jam session ever heard on the campus of the University," as Johnny Hearn, president of the sophomore class, put it.

This is the second meeting of the sophomore class, assembled to pass the budget, but because a quorum was not present at the first meeting, the vote was not effective. In order to approve the individual pictures and pass the budget, half of the class must be present and of these, at least 51 per cent have to approve the proposals.

Concerning the jam session which is the drawing card, Hearn said that "there will be no regular band to play, but rather all the hottest players on the campus will assemble and let the sounds come forth as the spirit moves." Highlight of the entertainment will be the presence of "Satchel Mouth" Willy Hargrave, colored saxophone maestro, currently featured with the Bull City Night Owls.

Hearn warned that this meeting would probably decide whether individual sophomore pictures will appear in the Yackety-Yack and he urged all sophomores to attend.

For treasurer, Johnson (D), won 1314 to Gragg's 146.

Incumbent Attorney General Harry McMullan, former member of the university law school faculty, received 1342 votes to 142 for his opponent, Downing.

Carl Durham, candidate for the sixth congressional district, member of congress, received the largest majority with 1363 votes to Grissom's 151. Durham, the incumbent congressman, lives in Chapel Hill.

For Orange county offices the following received wide margins: Sanderson and Brooks for the state senate; Umstead for the house of representatives, with Walter S. Crawford (R) polling 226 votes to the Umstead 606; Bivins for county treasurer; and Ben Wilson, Collier Cobb, Jr., and Edd Laws, taking county commissioners positions.

## Phi Beta Kappa Initiates New Men Tomorrow

### National Office Approves Change In Eligibility

The University chapter of Phi Beta Kappa, national honorary scholastic fraternity, will hold an initiation of twenty-one new members tomorrow night at 8:30 in the main lounge of Graham Memorial, Irwin Zuckerman, president, said yesterday.

Dr. George Coffin Taylor, of the English department, will deliver the principal address of the evening, which will be followed by the serving of refreshments and a short business meeting.

All active members of Phi Beta Kappa on the campus are requested to attend, and all other members are invited.

### Seventeen Undergraduates

Seventeen of the men to be inducted tomorrow were made eligible by final approval recently from the national council of a change in the chapter's by-laws. Four graduates of last spring have become eligible on the basis of their final quarter grades.

As the rules now stand, Zuckerman said yesterday, "Juniors may be admitted after the winter quarter of their third year, provided they have a 92.5 average."

Deleted Requirements The requirements, which went into effect during the 1938-39 school year and have now been deleted, were: that not fewer than eight nor more than twelve juniors may be admitted; that the following factors about a junior candidate be considered: the opinion of all of the members of his major department by whom he has been instructed, as to intellect and scholarship; the opinion of his general co-

## Symphony Elects Officers; To Give Concert Friday

The University symphony orchestra yesterday announced election of officers for the year and its first concert for Friday night.

Alexander Mitchell, senior pre-medical student formerly of Wilmington and now of New York City, is president; Jesse Swan, junior music student of Palm Beach, Florida, vice-president; Emmett Brown, senior music student of Charlotte, secretary-treasurer; and Betty Dean, junior sociology student of Cleveland Heights, Ohio, publicity manager.

The University orchestra, numbering about 50 pieces, is composed of students, faculty members, townspeople, high school students, and out-of-town faculty members. It was begun in 1905 when the late Charles T. Woollen, University controller, organized a group of local musicians and formed an orchestra and a band.

This year plans are being made for appearances in Asheville, Greensboro, Pinehurst, and Raleigh. Besides these out-of-town concerts, the orchestra will present its usual home programs.

## Tea To Be Given For English Majors

An informal tea will be given for the English department this afternoon from 4:30 until 6 o'clock in the lounge of Graham Memorial. This is the first in a series of departmental teas to be given this year under the auspices of the student union.

All the undergraduate English majors and graduate students who may have read the erroneous notice in yesterday's TAR HEEL and came to Graham Memorial anticipating the "tea and crumpets" that were not forthcoming, are invited to attend today.

## Roosevelt Sweeps Crucial States To Dash GOP Hopes

By United Press

NEW YORK, Nov. 6—(Wednesday)—President Roosevelt was leading in 38 states with about 439 electoral votes early today on the basis of incomplete returns which, if carried through in the final totals, would give him a third term by a wide margin. Wendell L. Willkie was ahead in 10

states with 92 electoral votes. The electoral college casts 531 votes of which 266, a bare majority, are sufficient to elect.

Incomplete returns from 48 states at 1:30 a. m. gave Roosevelt 12,575,764 and Willkie 10,161,516.

Forecasts of a close popular vote and the possibility of an electoral college landslide were being supported by those returns. Mr. Roosevelt was polling 56.4% of the popular vote at 11:30 p. m. and Mr. Willkie was polling 43.6%. At a corresponding hour in 1936 approximately 6,800,000 votes had been tabulated and Mr. Roosevelt had polled 64% to 36% by Alf M. Landon. The 11:30 p. m. E. S. T. United Press tabulation was the first in which all 48 states were represented. Mr. Roosevelt was leading in New York, Pennsylvania, and Ohio—states which many experts believed Mr. Willkie would have to carry to remain in the race.

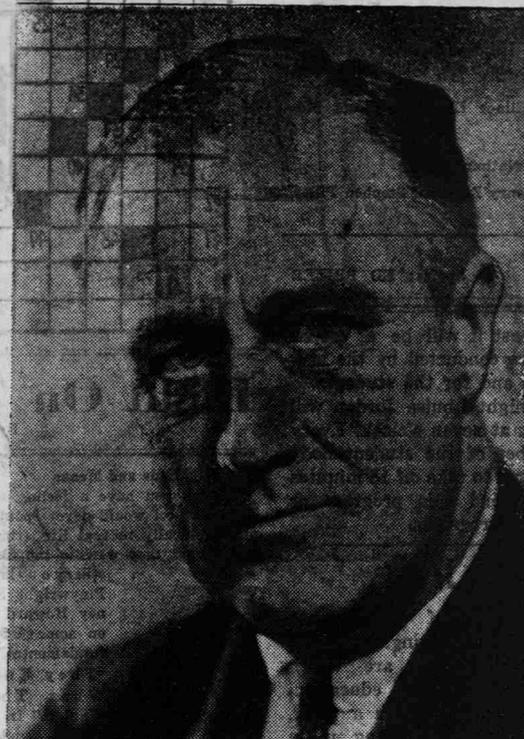

Early returns indicated 76 democrats and 10 republicans had been elected to the House of Representatives and there were 28 more sure democratic seats among the states of Alabama, Florida, North and South Carolina, and Virginia.

Willkie continued to show midwestern strength, leading in Iowa, Kansas, Michigan, Nebraska, South Dakota, and Wisconsin. Colorado was the only mountain state with a Willkie bulge at 11:30 p. m. E. S. T. and the west coast was reporting early returns for Mr. Roosevelt.

In New England, Willkie was leading in Maine and Vermont. Mr. Roosevelt was ahead in New Hampshire, Massachusetts, Connecticut, and Rhode Island.

There was Willkie strength in the mid-Atlantic states but his New Jersey and Delaware leads were slim.

Mr. Roosevelt appeared to be running See ROOSEVELT, page 4.

IN THIS CORNER, FRANKLIN DELANO ROOSEVELT, THE WINNER AND STILL PRESIDENT.

## Tabulation Gives President 38 States, 439 Electoral Votes

The following state-by-state tabulations up to 1:30 a. m. today were flashed by telephone from United Press.

		Roosevelt	Willkie		
Total popular vote		12,575,764	10,161,516		
Total electoral vote		439	92		
Electoral vote necessary for election			266		
	Electoral			Pcts.	Total
State	Vote	Roosevelt	Willkie	Rptg.	Pcts.
Alabama	11	88,520	9,196	622	2,281
Arizona	3	23,115	12,385	96	430
Arkansas	9	19,945	3,779	390	2,098
California	22	531,912	371,134	5488	13,692
Colorado	6	29,315	32,942	319	1,610
Connecticut	8	365,668	311,038	117	169
Delaware	3	191,792	196,890	95	249
Florida	7	207,820	86,754	641	1,429
Georgia	12	130,258	19,021	600	1,851
Idaho	4	13,109	11,356	65	792
Illinois	29	1,000,163	837,924	3985	8,379

## Italian Planes Blast Twice At Important Yugoslavian City

By United Press

BITOLGA, Yugoslavia, Nov. 5—Italian planes in two raids today showered bombs on this Yugoslavian city of 33,000 population, killing seven persons and wounding 35.

At 12:45 p. m. three shining bombers identified by observers as the Italian Fiat BR-20 appeared over the city dropping 21 bombs on the unsuspecting population. Five persons were killed and thirty were wounded.

Two hours and five minutes later three more planes of the same type appeared. They dropped 100 bombs. Two more persons were killed and five were wounded.

The city was thrown into panic by

the attacks. It was market day and the streets were crowded.

Thousands of persons, fearing that war had broken out between Italy and Yugoslavia, fled to the country. By nightfall, half the city's population had evacuated. The turbulent Balkans, current focal point of the European war, froze with excitement after the bombing of the Yugoslavian city.

Contributing to the fears that all southeastern Europe soon would be embroiled in the war, Sofia reports said the Axis powers had won over Bulgaria with promise of a corridor to the Aegean Sea, a part of Eastern Turkey and part of Yugoslavia. In

## CPU To Begin Interviewing Applicants Today

The membership committee of the Carolina Political Union announced yesterday that personal interviews with all sophomore and coed applicants will be held this afternoon in the Grall room in Graham Memorial.

The interviews will begin at 2 o'clock and each applicant will be instructed as to the time he shall appear. Bill Joslin, chairman of the union, explained that upperclassmen were not being interviewed because the committee felt that they knew each upperclassman sufficiently well to consider his application without the benefit of a personal interview.

The 10-man committee will deliver its report to the union next Monday and at that time the candidates will probably be voted on.

There are five, and possibly six, vacancies in the union at the present and Joslin said that there were well over 50 applications to be considered.

## Van Hecke To Speak In Chapel Today

Dean Van Hecke of the law school will discuss the new requirements for entrance to the law school, at 10:30 this morning's freshman chapel in Memorial hall. Every student considering entrance in the law school is urged to attend.

The new entrance requirements, which will become effective in the fall quarter of 1942 embody several important changes. They will materially reduce the number of students who are able to enter unless early plans are made to meet the requirements.
