

Spider Kick Beats Carolina In Last Quarter

Deac Spurt Licks Wolfpack; Duke Throttles Biting 'Cats

Last Minutes Net Baptists Two Tallies

By Jack Saunders
 RIDDICK FIELD, Raleigh, Nov. 9.—Two touchdowns in the last four minutes of play gave favored Wake Forest a 20-14 win over State's crippled but game Wolfpack here today in a contest that was typical of this unpredictable football season.

Trailing 14-7 late in the contest the Demon Deacons backed State up to their ten-yard line, where big Pat Geer broke through from his end position to block Dick East's punt in the end zone and run it down for a touchdown. Tony Gallovich's kick for extra point knotted the count at 14-11.

With a minute and a half left to play, J. V. Pruitt threw to Gallovich over the goal for the winning tally. A bad kick by Dud Robbins had given Wake the ball on their own 45, and they marched for the score in three plays. Pruitt passed to Geer, who lateraled on the 50 to Jimmy Ringgold, who got to the State 36. John Polanski picked up a yard through center, and then Pruitt faded and threw high to Gallovich. Two State defenders went up after the ball, collided and Gallovich caught it laying on the ground, just over the goal.

Behind by 6-0 at the half, the Cornbread Boys of Doc Newton scored two touchdowns on something just short of heart alone. The first score came as a climax to a 77-yard drive that saw Dick Watts do everything but vend programs. He passed to Jack Huckabee for six, Jim Barber picked up a first down, Huckabee on a fake pass and reverse from Watts fell shy of a first, and Watts passed to Morgan on the Wake 10. Watts went off tackle for one, and then a Watts pass to Marion Stillwell scored.

The 'Pack added what seemed to be the clinching score midway the last period when Mr. Richard Watts threw an aerial to Huckabee good for 28 yards and a touchdown. The drive started on the State 39, when a reverse to Huckabee and a Watts-to-Stillwell heave gave a first down. Watts got three off tackle, then threw to Stillwell again on the Demon 28. Then came the pay-off play. Gallovich was all over Huckabee but somehow Jack snagged the Watts pass and scampered fifteen yards to the goal.

Polanski was the battering ram that amazed Kenan stadium fans only in the first period, when he went sixteen yards in four plays to help set up the first Wake score. A Pruitt-to-Ringgold flat pass, with Polanski's drives carried to the State 30, from where Gallovich broke loose to the one-foot line. Polanski did what was expected of him and drove over.

The Deacons were doped to win this one, and win they did, but the witnesses of the game will tell you that a diet of cornpone and pot likker seems to have a wonderful effect, for State did everything but blast Peahead Walker's spaghetti-eaters out of the stadium until the last minutes of the contest. The Wolfpack remains the only major team in the state having scored in each of its contests.

CHARLIE WOOD

(Continued from first page)

ever thrilled him the way Wood's musicians did.

Satterfield explained the band's style yesterday. "Our aim, as soon as we can sort out all our ideas, is to strive for some of the quality of playing and phrasing of such bands as Ellington, Kirk and Armstrong. That's a big order, we know, but it's certainly worth trying for."

"Something else is that we don't think music has to be loud and fast to be swing. We'll play about five slow and medium tunes to one fast one."

Wood is giving up the band because he plans to graduate at the end of this quarter and because doctors prohibited his working after his serious accident last summer. On account of a previous contract, the band will appear one last time under Wood's name on November 15 to play for the Tau Epsilon Phi dance.

Summer Without Wood

Although Wood was not able to lead them, the band played this summer at the Nag's Head Beach Club. Other engagements on the campus so far this quarter included the freshman smoker, the first Grail dance, the graduate coed's ball, and several other campus affairs.

The trumpet section of the present aggregation consists of Hubert Henderson on first, whom Simon highly commended, Bob Saunders on second, Warren Simpson on third and Wade Denning on fourth. Henderson will generally play the lead, and Saunders most of the solos.

Bub Montgomery, who was chosen on the all-campus band last year, and David Macer, freshman, will play first and second trombones.

Kennedy, Justice, Hank Williams and Frank Rogers will play saxes in that order. Justice will take the sax rides and Kennedy the clarinet solos.

Hurst Hatch, who is regarded by the other boys as the "most improved musician on the campus," will play the drums. Frank Fattel will hold up the bass fiddle, and Satterfield will keep his seat at the piano.

Davidson Holds Devils To Tie In First Half

By Sylvan Meyer

Wallace Wade's spectacular Dukes overwhelmed a cocky Davidson eleven in Durham yesterday, 46-13, after the Wildcats had evened up the score at the end of the first half, 13-13.

After five minutes of play, Duke had the ball on Davidson's 25 when Davis went over in two plays. Receiving Duke's kickoff, Hackney picked up speed and tore through the center of the Devil's line like a meteor for a 95 yard touchdown, having the field to himself after he passed the midfield strip. Score: Duke 7, Davidson 6.

Two exchanges followed until a Mr. Siegfried from Duke came into the play and plunged to the Davidson 5 in four plays. Then he dropped back to pass, decided to run and went over standing up to make the score Duke, 13 and Davidson 6, after the conversion.

Davidson Passes to Score

Bolin, sharing Davidson honors with Hackney, went off his own left guard four times after the kickoff, lost the ball to Duke on a fumble, recovered a Duke fumble and went off the guard again. Sharpe, chucked a pass to Hackney on the next play and the 45 yards it earned chalked up another score for the 'Cats. Johnson's try for the extra point was good — Score tied up in a knot 13-13 as the half ended.

Duke, especially a Junior named Swiger, had the stage all to itself in the second half pushing over four touchdowns. While Swiger made none of the scores his gaining was the most consistent on the grid and he sparked the Devils all the way.

Each of the second half scores was gained by fairly long runs, one of 53 yards when Killian tore over right tackle, another of 42 yards in which Swiger tossed a touchdown pass to Dinky Darnell, speedy end.

Long-legged, racehorse style, Siegfried sprinted 16 yards in the fourth period for the Devils sixth mark, and with three minutes of the ball game remaining Wartman, a sophomore and Duke's white hope, went 27 yards

Zeta Psi, Betas, Kappa Sigs, Med School, Lewis, K No. 1 Remain In Mural Race

The mural tag campaign enters the final stage this week, with six teams, three in each league, having survived the pitfalls of the past six weeks to keep their records intact so far, but five of these unbeaten outfits will have to fight desperately during the week to maintain their records.

Sigma Nu dropped its first game to undefeated Zeta Psi, which plastered the Snakes with a 25-0 loss in the only game of the week involving two unbeaten teams. Beta Theta Pi kept its hopes high for a share in the frat crown, by recording two victories, squeezing past Chi Psi, 8-6, and then swamping Kappa Phi, 37-0. The other all victorious entry in the frat circuit, Kappa Sigma, had the hardest time of the trio, barely nosing out ZBT in an exciting overtime game, and then saw its goal line crossed for the first time this year, while recording a 19-12 win over Sigma Chi.

A tight race has developed in the dorm league, with Lewis, Med School, and K No. 1 still in the thick of the fight. Lewis sank Old West by the top heavy score of 43-0, but then was held to a 19-19 deadlock by Law School in one of the most exciting games seen on the mural gridirons this year, and just managed to eke out a seven yard territorial advantage over the Lawyers, to close its season without a loss. Med School showed surprising power and fight as it downed Mangum 12-0 for its fifth consecutive win. The remaining contender, K. No. 1 did not play the past week, and still has one game left on its schedule, before it can be assured of a position in the dorm playoff.

Once again this corner is faced with the problem of choosing the weekly all campus team.

Six fraternity players, and three dorm members comprise the first team, with the fraternity preponderance due to the fact that only 11 dorm teams

BOB SMITH (left), played the active game at Carolina's pivot post which placed him among the starters during his sophomore year, while Suntheimer, first-stringer for two years, watched from the sidelines. Sid Sadoff (right), running at fullback for the Tar Heels, was the only Carolina player who could constantly find the holes in a heavy Richmond line, and his drives netted the second UNC score.

Harriers Run Time Trials, Preparing For Conference

Freshmen Train For Duke Meet Planned Next Week

Tar Heel harriers, attempting to cut down their times for the conference meet just a week away, ran another set of intensive time trials yesterday.

On the five-mile varsity course Rich Van Wagner, Mike Wise, Sim Nathan, Dave Morrison, Harry Branch, Wimpy Lewis, and frosh star Jack Milne led the runners, clocking a time of 28:10.

Following the pacers were Eddy, 28:56; Allen, 29:18; Wood, 29:47; Howe, 30:27; Toy, 30:45; Brasmer, 31:47; Riggs, 33:21.

Freshmen were led over the 3 1/2-mile course by varsity harrier, Jim Vawter, declared ineligible for competition at the beginning of the year, in a time of 19:30. Following quite a way behind, Truxes and Hardy came in neck and neck to clock 20:40, an improvement over former runs.

Other times recorded by the freshmen who are well-prepared for their meet with Duke next week were Patrick, 20:10; Jewitt and Perrin, 20:50; Cathey, a varsity man, and King, 21:00; Lewis, 21:45; Holland, 23:05.

through a broken field to score—Ruffa's conversion making the final tally Duke 46, Davidson 13.

Duke's pass defense in the first half was notably weak and the Wildcat's also seemed able to break the Devil line at will. But the men in blue proved their power by scoring everytime they got the ball in second half, except once, when Davidson recovered a fumble.

For the Dukes, Swiger, Siegfried and Wartman held the spotlight while Hackney, Bolin, and Sharpe carried the gleam for the Wildcats.

Frat Men Lead

Hambright, Kappa Sigma, Grainger, SAE, and Allen, Med School make up the important defensive cogs in the forward wall, while Asch, of Lewis, and Nash, Zeta Psi, are the pass snagging experts, although all five men on the line are well balanced, and strong in all departments. Behind this strong line a well balanced backfield operates. Grant of Beta Theta Pi, sparkplug and an elusive runner, occupies one post. Wilson, Zeta Psi, carries most of the passing assignments, with special emphasis on his ability to complete long passes, and his fine defensive work. Wooten, Kappa Sigma, with his expert generalship and running ability, and Holmes of Med School, a fast and shifty runner, complete the backfield.

Two of the remaining unbeaten aggregations in the frat league will meet in a head-on collision Wednesday after-

O'Hare Stars In Tar Heel Backfield

(Continued from first page)

erin and Carl Suntheimer remained idle on the bench throughout, while John Miller performed at his left end position. But Severin and Suntheimer each with a bad knee, and Lalanne, with a weak foot, were joined on the casualty list by guards Freddy Marshall and Bill Faircloth, who were knocked out and had to be carried from the playing field. It was said after the game, however, that both would be ready by the end of the week.

Richmond, though, had a sturdy line headed by Andy Fronczek and Captain Harold McVay at tackle, Bert Milling at guard and Dick Humbert at end—all of whom combined at times to stop Tar Heel thrusts. Humbert and another flanker, Bob Erickson, were the receivers for the tosses of tailback Jones.

Coach Ray Wolf elected to start a second team eleven with John Miller, Ed Michaels, Bob Whitten, Bob Smith, Joe Wolf, Bob Heymann and Howard Hodges forming the line, from left to right, and Johnny Pecora, Dave Barksdale, Don Baker and Bill Sigler in the backfield, and their efforts were enough to forestall the Richmond drive until the last minutes of the first quarter. They swapped advantages evenly, until Jones passed to Humbert on the Richmond 35, and Humbert traveled to the Carolina 28.

Three passes failed, but on fourth down Jones tossed 14 yards to Erickson on the Carolina 11. Jones made two, and passed to Erickson in the end zone for the first touchdown. Jones' try for extra point was good.

Richmond was deep in Carolina territory at the start of the second period, when the Tar Heels took over on their own 17. Frank O'Hare, who alternated at tailback with Pecora, made 11 yards around right end and a first down. Sid Sadoff made 13 yards on two tries at the line. O'Hare made eight, Connor one and Sadoff four more. The same trio combined for two more first downs, to the Spiders' 9, where O'Hare ran the ball over, Dunkle's kick was wide.

Carolina's second touchdown began on the Carolina 24, with O'Hare, Connor and Sadoff again coming with the aid of John Miller and a set of shovel passes to advance 76 yards for the score. Sadoff and Miller carried most of the burden, Sadoff with his line-bucking and Miller with his running once past scrimmage. Sadoff carried the ball over from the Richmond 3, and Dunkle put the Tar Heels ahead, 13-7.

Carolina began to move again, taking the kick-off on its own 26 and advancing steadily to the Richmond 30, where Jones intercepted a pass from Pecora intended for Connor on the Richmond 19.

A pass from Jones to Ray Jacobs, Spider back, put Richmond on its own 37, and Fortunato and Jones alternated running the ball to the Carolina 15. Jones passed from the Carolina 13 to Humbert in the end zone, and Jones booted the extra point and winning margin.

Stu Richardson, George Glamack and Jimmy Crone at the end positions contributed much, and also Gates Kimball, Dick Siech, Dick White, Bob Heymann and Ed Michaels at tackle, Bill Faircloth, Freddy Marshall, Bob Whitten and Gwynn Nowell at guard, while Bob Smith worked almost the entire game at center, aided only by Red Benton. Dave Barksdale assisted Dunkle at blocking, and Bill Sigler and Mike Cooke worked with Sadoff at fullback.
