## Records Smashed as Blue Dolphins Swamp VMI Swimmers by 46-29 Score

### Barclay, Hammond Set New Marks To Lead Mermen

By Harry Hollingsworth  
Highlighted by the conference record-breaking performances of Co-captain Jim Barclay and Sophomore Denny Hammond, Carolina's swimming team notched its 14th consecutive conference victory yesterday afternoon in Bowman Gray Memorial pool by turning back the Virginia Military Institute team, 46-29, in a comparatively easy fashion.

The team, spotted with many changes in the regular lineup, didn't function as it did against Navy, Virginia or State, but there was still plenty of power left in the reserves to take care of the VMI threat.

**Hammond Breaks Record**  
Hammond's backstroke race was the best of his career and definitely established him as one of the leading backstroke artists this side of the Mississippi. He was clocked in 1:54.6 over the 150-meter route to set up new conference, University, pool and dual meet records. The old Southern conference and pool records were held by Sid Ingram at 2:01.8. The former University record was 2:04.5 and former dual meet time had been 2:11.5. So Hammond's new time appears to be fast enough to stay on the books for quite a while.

He was never pressed in the event and was forced to establish his own pace. And it was a well-paced race. At the 150-yard mark he was clocked unofficially in three-tenths of a second under the National intercollegiate long course record.

**Barclay Sets New Mark**  
Co-captain Barclay's new conference mark was secured under a little different circumstances. Coach Dick Jamerson shifted Whit Lees, a regular first line sprinter, to the 200-meter event to get Barclay off to a little faster start for the first 100-meters. And the strategy must have worked wonders for the slim co-captain. He covered the first 50 meters in 31.4, was even with Lees at the close of the 100, picked up several feet on his teammate in the next 50 and splashed home a good five yards in front with a new record of 2:27.8. The old Southern conference mark, which he held, was 2:31.7 and the former University and dual meet mark 2:28.4.

A fine swimming exhibition by Jack Eshelman in the 400-meter freestyle relay was wasted when the Carolina "milk-shake" team of Justin Lipman, Charles "Momo" Mahoney, Marvin Ostrowsky and Eshelman was disqualified. The disqualification act occurred at the start of the third leg when Os-

## Carolina Wrestlers Bow to Cadet Matmen in Thrilling Match, 16-14

### Frosh Grapplers Keep Slate Clean With 17-11 Win

By Stud Gleicher  
Courageously battling a superior team, Carolina's grapplers dropped a close 16-14 match to VMI yesterday, after they had wrestled the Keydets to an 11-11 tie. Paced by Gene Davant and Sam Mordecai the varsity almost turned in a major upset against the Virginia team.

The freshmen continuing their undefeated record came out on the long end of a 17-11 count against the Baby Keydets. The frosh seem well nigh unbeatable and fully justified Coach George Zink's confidence in them by turning in a win over the ever-dangerous VMI team.

In one of the hardest fought matches of the season, Tar Heel Sam Mordecai pinned VMI's star Leroy Roper in 2:53 of the second period. The 155-pound tussle was nip and tuck all the way with Mordecai finally downing his opponent with a crotch hold and far nelson. Yesterday's victory definitely stamps Mordecai as one of the leading 155-pounders in the Southern conference.

**Redfern Bows in Close Match**  
Jack Dillard got VMI off to a three point lead when he won the nod over Bill Redfern of Carolina. The little Carolina 121-pounder put up one of the gamiest fights of varsity annals, but dropped a 9-8 decision after riding his man for most of the match.

Mac McLendon, replacing Hobart McKeever in the varsity lineup, tried hard in his first varsity match but was overcome by Jack McGrath's superior experience. McGrath pinned McLendon in 44 seconds of the second period with a cradle hold.

**Robinson Scores Win**  
John Robinson put Carolina in the scoring column when he gained a 6-4 decision over John McCulloch in the

## Seniors Take Liberal Lead As Interclass Meet Continues

### Cathey, Lewis, Wise and Mengel Are Victorious

By Bill Woestendiek  
The fullest single-day program of events in the interclass track meet was run off in the Tin Can yesterday afternoon and when the smoke of battle cleared away, the seniors were found to have a commanding lead over the other classes with just six events left on the schedule.

The fourth-year men have piled up 46½ points and the second place juniors have 31 points, while a comparatively strong freshman squad is third with 19½ points to the sophomore dismal eight.

Roy Cathey, Mike Wise, Warren Mengel, Frank Capel, Jim Lloyd and Wimpy Lewis took first in their respective events, showing the power of the favored senior team. All of these men are seniors with the exception of Capel and Lloyd.

The top race of the afternoon was the 660-yard dash which found seniors Cathey and Wise fighting for first place honors along with Rich Van Wagoner, the juniors' No. 1 man. Wise set a blazing pace most of the way after passing Van in the first lap and was caught by Co-captain Cathey in the home stretch, Roy winning in 1:23.7. Wise was second and Van Wagoner third. Dick Hollander got fourth place for one of the few points scored

## Fencing Team Opens Season With 9 1-2--7 1-2 Triumph

### Victories in Epee Bouts Give Win To Carolina Team

LEXINGTON, Va., January 31.—The Carolina fencing team nosed out the Virginia Military Institute swordsmen here this afternoon in a close, drawn out meet by a 9½-7½ score. It was the first meet of the season for the victorious Tar Heel fencers, who meet Washington and Lee here Monday.

The Cadets picked up an early lead in the foil bouts, but the Carolina squad made this up in the epee bouts which put the visiting team two matches in front. It was this same two match lead that was to prove the Tar Heels' margin of victory.

**Deering Wins**  
Carolina's Tom Deering started things off on the right foot by beating VMI's Sadow 5-3 and tying Balmenti. Howard Imbrey, another Tar Heel foil man defeated both Sadow and Balmenti, 5-4, 5-2. Kinsolving, the star of the cadet swordsmen, gave his team a big boost by winning his three foil bouts. He defeated Deering, Imbrey and Stanley Ribak by scores of 5-1, 5-1, 5-4. Sadow added to the VMI score in the foils by outpointing Otto Neuhaus.

The invaders came back strong in the epee division to take three out of four matches. Harry Vinokur defeated Cadets Martin and Sadow both by 3-1 counts. Martin then returned to beat Deering by the same margin.

**Sabre Stand-off**  
The two teams battled to a stand-off in the sabre division. Bob Tolmach accounted for the Carolina scoring when he defeated Kinsolving, number one man for the Virginia club and Beaulac by identical score, 5-1. Tar Heel Captain Larry Hutton bowed to Beaulac 5-3 and Kinsolving came back to out-fence Morton Cantor, 5-1.

by the sophs all afternoon. Frank Hardy and Ike Taylor tied for fifth.

The 330 had such a large number of contestants that it was run off in a series of four heats. Mike Wise flew around the indoor track in the first heat in :37.3 to win his heat and turn in the best time of the whole four for first place in the 330. But he was not alone in that first heat, for Rich Van Wagoner—another busy man this afternoon—was so close on the heels of "Little Hot" that he was clocked in the same time. Dick Hollander's third place time of :38.4 in the first heat was good enough to give him a final fifth place. Roy Cathey grabbed the third slot by winning his heat in :38 flat, but he had to fight off a tremendous closing drive by junior Jack Kelley who finished one-tenth of a second behind him to take fourth place in the final standings.

Lewis is "Iron Man"  
Wimpy Lewis gave the seniors another first when he led the pack home in the mile and one-half run in 7:31. The "iron man" of the day—Wimpy ran in all the dashes as well as the longer run—took the lead away from Lamar Wood at the three-quarter mark and won by two seconds from freshman distance star, Marvin Fairchild. Freshman Arnold Pestronk was third with Wood and Riggs fourth and fifth for the senior class.

## Williams, Harris Are Only Carolina Victors

By Mark Garner  
Minus the services of an eligible 155-pounder, the Carolina mittmen lost to a well-balanced team of Citadel punchers by a 5½-2½ count in Woolen gym last night. It was the third loss of the season for the Tar Heels.

Louis Lempesis of the Citadel, probably the top 155-pound boxer in the conference, took one point for the visitors without lifting a glove when Kendall Willis, the Carolina entry in that weight, was declared ineligible due to scholastic difficulties.

Walt Williams, 240-pound heavy-weight, upheld Carolina's honor in the final bout of the evening with a TKO over the Cadets' Alec Rolison in 35 seconds of the third round. The bout was by far the most lively of the card and the small crowd of fight fans was well-pleased with the action.

Williams threw every punch in the books at Rolison in the first round and kept his opponent at bay with a looping right to the head. In the second stanza Williams battered Rolison to the floor twice with a flurry of hard lefts to the body and swinging rights to the head, and 35 seconds after the start of the last round knocked Rolison thru the ropes for a TKO.

**Harris Earns Decision**  
Milt Harris, the Tar Heels' entry in the 135-pound weight, carried the fight to Citadel's Jack Foster in the first two rounds and earned a decision for the only other Carolina win. Harris took rounds one and two on rights to the head and left jabs to the body. In the second period, he had Foster at his mercy with a smashing right hand but the South Carolinian recovered fast and took the final round from the tiring Harris.

**Stackhouse Scores TKO**  
Earl Bruton, just recovering from a cold and entering the ring for the first time, suffered a TKO in 2:35 of the third period at the hands of Citadel's Herb Stackhouse. Stackhouse, finalist in the conference tourney last year, was
