### Ashby Wins 60-yard Dash Cagers Seek Second Win Over Davidson; **To Clinch Interclass Tar Baby Five Battles Hanes High Club**

**Track Title for Seniors** The high-flying senior class sewed up the interclass indoor track meet yesterday when it added five and one-half more points to its

rapidly rising total as Percy Ashby raced to victory in the 60-yard dash in the excellent time of :06.6-one-tenth of a second better than last year's winning time in the conference indoor games.

The juniors kept pace with the seniors by piling up six points in the single event held yesterday, while the sophs had to be content

with three and the frosh with but at half point. The score now reads: 52 for the powerful senior aggregation, 37 for Betas, ZBT the second place juniors, 2014 for the first year men, and 11 for the failing sophomore class.

Ashby No. 1 sophomore sprinter, was very close to a sensation as he breasted the tape ahead of the other runners in his very fast time. Mike Mangum kept the juniors in the race by taking second place over soph Jack Emack in a close finish. Bud Thomas was the second junior to cross the line when he took fourth position and senior Warren Mengel tied for fifth with freshman George Belli.

### **Excellent Times**

All of the men placing in the event turned in excellent times and these spoke well for the division in which the Carolina track team is the weakest this season. Besides the front-line men, several other bright sprint prospects turned in some dash performances that brought smiles to Coach Johnny Morriss' face.

Alex Wilson ran exceptionally promising races in their respective heats and Harry Lewis, senior sprinter taken from the intramural fields, also demonstrated that with a little more ex-
