White Phantoms Battle State Terrors; Frosh Meet Techlets

Cagers Journey to Raleigh Tonight for Important Tilts

Lange's Club Faces Crucial Court Game

By Harry Hollingsworth
Having suffered two losses in the last four times out, the Carolina basketball team finds itself resting in seventh place in the conference standings tonight when it goes to Raleigh to meet State college in a crucial court game as the season hits the mid-schedule mark.

Carolina needs a victory tonight over State to remain in the running for a conference berth in the annual Southern loop basketball tournament in Raleigh the first weekend in March. Should the Tar Heels lose tonight to the Red

Terrors, who are fresh from a 64-40 triumph over The Citadel for their fifth conference win of the year against three losses, State would move ahead of the White Phantoms. Carolina has won six games and lost three, but is still ranked in seventh place as compared to State's ninth-place ranking.

Another individual dual between Bob Rose, Carolina's captain and ace player, and Bones McKinney, whose chief claim to fame has been his ability to lead the conference in scoring while still putting on a one-man three-ring circus on the floor. Rose kept McKinney so busy in the first game of the series here that the famed basketball clown didn't have time to devote to amusing the cash-paid customers.

Carolina won that game by the impressive 41-28 score, but hit the bottom on the following Tuesday when Wake Forest trounced the Phantoms, 36-30. The Tar Heels won the following two games with Virginia Military Institute and Davidson, but last Saturday Duke capped a 52-40 victory over the Phantoms.

State's recent showing against Wake Forest was far better than was Carolina's against the Deacs. The Techs outplayed the Deacons for 30 minutes, but were barely edged out, 44-43, on a last second field goal.

Tar Babies Seek Revenge Over State Yearlings

By Earle Hellen

The Tar Baby cagers take on the role of giant killers tonight when they go to Raleigh to battle the undefeated State frosh five in what is expected to be one of the hottest freshman basketball games of the year. The game will start at 6:30 o'clock as all preliminaries are started early at State.

The Techlets have been rolling merrily over all opposition this year and seem to be headed for an undefeated season. They have defeated 12 opponents and the Tar Babies are among the list. State put on a wild last minute scoring spree to wallop the Tar Babies, 56-45, here earlier in the season.

Tar Babies Seek Revenge

The Tar Babies have not forgotten that game and are out to redeem themselves tonight. They held a nine-point lead at the half and at one time were out in front by 13 points, but the State crew starting clicking in great style in the last ten minutes and the local frosh split wide open enabling the Techlets to score 10 points in the last three minutes.

State has had only one close call all year outside of the game with Carolina, that was Tuesday night when they were held to a 40-35 victory over Campbell college. In most of their games the Techlets have scored over fifty points. The club is by far the best yearling team that the West Raleigh school has turned out in many years. The leaders for Coach Leroy Jay five are two Asheville boys, Dick Nickel and Joe Johns, who were the pacesetters in the State win over the Tar Babies.

Frosh Football Team To Meet for Picture

All members of the Carolina freshman football team who dressed for the Duke-Carolina frosh game are requested to report to Woollen gym this morning at 10:30 to have their pictures taken for the yearbook. This is the last time an effort will be made to get the group together, and Freshman Coach Jim Tatum has urged that all boys make an effort to be present.

THREE CAROLINA ATHLETES who will be in action today are, reading from left to right, Reid Suggs, Ed Shytle, and Gene Davant. Suggs is to start at one of the guard positions tonight for the White Phantoms, Shytle is a No. 1 substitute at either guard or forward and Davant will hold down the 145-pound class for the wrestlers in their meet with Virginia Tech.

Undefeated Frosh Grapplers Meet Baby Gobblers

By Stud Gleicher

En-route to Blacksburg, Va., Feb. 12—Carolina's matmen left Chapel Hill early this morning to take on VPI in their second match in five days. The fast-moving Tar Heels, at full strength and in mid-season form, are expected to add the Gobbler scalp to their victory belt once the bout gets under way at 7 o'clock.

Quinlan's regular varsity crew will enter the fray against the thrice beaten Techmen. Bill Redfern, scrappy 121 pounder who has been running in hard luck all season, will once again be the Tar Heel entry in that weight. McKeever Ready to Go

Hobart McKeever, returning to his early season form, will wrestle at 128 pounds. McKeever, runner-up in the conference, shows promise of becoming top wrestler in his weight in Southern circles. His smooth style and aggressive tactics make him a favorite tonight.

In the 135-pound division John "Mose" Robinson will wear the Carolina colors. Robinson has steadily progressed in his wrestling, turning in his best performance of the year last week against W&L's captain Tom Fuller.

"Legs" Davant will see action in the 145-pound class against VPI's best. Davant one of the team's leading grapplers should win his match in ready style.

Sam Mordecai After Fifth Win

The squad's ace, "Superman Mordecai, at 155 pounds, will attempt to make it five in a row over his VPI opponent. Mordecai has won every match since the season's opener against Navy, and is the top-wrestler on the varsity.

Frosh Track Team Opens Season Against Jefferson High Today

Meet in Tin Can To Show Strength Of Tar Babies

By Bill Woestendiek

An inkling of just how strong—or weak—the Carolina freshman track team is will be furnished in the Tin Can this afternoon when the Tar Baby speedsters meet a strong Jefferson high school team of Roanoke, Va., starting at 4:15.

Today's dual meet will also provide the frosh with some stiff opposition in prepping for the Conference indoor games on the 28th, for Jefferson high won the scholastic championship in that same meet last winter and stands a good chance of repeating again this year in the scholastic division of the games. Although the first-year men want to win, Coach Johnny Morris is guiding the frosh into battle this afternoon with the primary purpose of giving all the freshmen a chance to

show their stuff and prove just what kind of a yearling outfit the Tar Heels have.

The meet will be conducted in the same style as in the big indoor event later in the month and the same schedule prevails this afternoon as is used in the freshman division of that great track classic. The 60-yard dash, 70-yard high hurdles, 1000-yard run, high jump and mile relay comprise the day's program.

George Belli will probably give the Tar Babies a boost in the hurdle event, as will freshmen hurdlers Norm Davis and Joe Corpening. Hubbard Maynard and John Wells should show up well for the frosh in the dash and Bill McKenzie, John Auten, Tom Morton and Davis will lead Carolina in the high jump. The make-up of the mile relay team is not certain as yet, but the fastest quartet of quarter-milers that can be mustered from the freshman crew will undoubtedly go to the post

Once Jamerson Worried Over His Lack Of Freestylers, Now They Swamp Him

Two years ago swimming coach, Dick Jamerson, would have given his best hat (the only one he had) for a sprinter who could break 60 seconds in a 100-yard freestyle. Yesterday he, scratching his head and figuring with a pencil, attempted to pick four men to form a 400-yard freestyle relay team from 11 swimmers who could break 60 seconds for the 100! That's just one example how swimming has improved at Carolina in the past two years.

The team which Jamerson was trying to select will swim in Durham tomorrow in the Duke pool in the national junior 400-yard freestyle relay in the first event of the Carolinas AAU meet which will be held here Saturday afternoon. The relay is being held in the Duke pool because Carolina's pool is 50 meters long and national relay records are not recognized in meter pools. Freshman Percy Mallison heads the list of sprinters eligible for the team with a time of :53.2 for the 100. Denman Hammond, the best college back-stroker in the country, and Whit Lees are second on the list with times of :54.7 and Co-captain George Coxhead is fourth with a mark of :54.9. Those four will probably form Carolina's No. 1 team in the meet.

Co-captain Jim Barclay, :55.6, Truman Hobbs, :56.2, Bob Ousley, :56.9, and Bill Elmore, :56.5, will probably form the No. 2 team for the Tar Heels in the national event. Other men who broke 60 seconds in the time trials were Leroy Little, :57, Mac Erle, :57.5, George Whitner and Bill Herr, :58.3, all of whom are freshmen.
