Padilla May Reveal Plan To Adjust Oil Claim

Registration Reaches 3,439; Official Estimations Bested

Griffin Augers Another 50 Names Added by Noon

By Bob Hoke

Barely ahead of last Spring quarter's registration on corresponding days, Central Records Director I. C. Griffin announced that a total of 3,439 had enrolled for the spring term up to closing time of the tally line yesterday afternoon. The total for the corresponding day of last year was 3,437.

Closely watched by administrative officials as the omnipotent factor in the future life of the University, the tabulations will be completed today as spring quarter registration closes at 1 o'clock.

50 More Expected

Griffin estimated that about 50 more students would register this morning leaving the total for the quarter under the final 3,593 enrollment of last spring.

Student and University leaders, anticipating a heavy drop in the number of students returning for the spring quarter due to the draft, defense jobs and other wartime necessities, expressed surprise that the enrollment had suffered no sharp decrease. The temporary lead of yesterday's registration total over the corresponding tabulation for last spring was indicated to be insignificant and attributed to irregularity of students appearing for registration. Estimate Exceeded

The total to date exceeds the estimate. See REGISTRATION, page 4

By Walter Klein

"PV"—Politisch Verdaechtig—Politically unreliable.

That was the registration tag officers of the Austro-Hungarian army gave Jan Masaryk when he was called to the colors in the first World War. But at the end of the war Masaryk left the army with the rank of second lieutenant, and entered the diplomatic service as Charge d'Affaires in Washington, while his father became president of all Czechoslovakia.

Masaryk today is the Czech provisional government's Foreign Minister, right hand man of President Benes, and director of Czechoslovakia's vast underground. He will make a speech at Memorial hall Tuesday night at 8:15 under sponsorship of the IRC. The envoy's father, Thomas Garrin-

CVTC Courses Open for All Conference Clears Muddled Situation

Any student may register for military drill courses to replace the weekly two hour physical education requirement, it was decided yesterday in a three way conference of officials from the administration, CVTC, and physical education department.

The conference, held in CVTC headquarters yesterday afternoon, was called to clear up some misunderstandings that had developed through the incorporation of the Carolina Volunteer Training Corps in the regular University registration channels. Colonel W. A. Raborg, CVTC head, indicated that the misunderstanding was due to misinformation and unraveled red tape, and that the conference had easily straightened out the matter. See Advisers to Change

Any students who have registered for another physical education course but still wish to enroll in the CVTC drill period should meet with their advisers or deans and change courses in the prescribed manner. It will not. See CVTC, page 4

Joint Responsibility Planned for Dance

Co-incident with the announcement that the sophomore dance set would be held the weekend of April 10 and 11 came the statement from sophomore president Dotson Palmer yesterday that the affair this year would be sponsored jointly by the sophomore and freshman classes. "Final details have not as yet been straightened out," Palmer said.

Delay in forming plans for the dances has been caused by the campus controversy over the legislative dance expense cut, Palmer stated.

"Due to the drastic cut in expenses, we are unable to secure Johnnie Long for the set as had been originally scheduled, and another has not as yet been selected," Palmer stated yesterday.

Bids to the three dance set will be passed out to all freshmen and sophomores within a few days, it was stated.

Present plans call for an evening dance Friday night, April 11, a tea dance Saturday afternoon, and the final dance of the set Saturday night. Dress will be informal for men and formal for the coeds, Palmer stated.

Time and place for the dances have not as yet been finally decided on, but a meeting of the sophomore dance committee will be held shortly to iron out final details.

Meanwhile plans are being made for. See SOPH DANCE, page 4

Mexican Statesman En Route To Washington for Conference

Josephus Daniels and University officials will sponsor an address tonight by Mexico's famous foreign emissary, Dr. Ezequiel Padilla.

Neither the State department nor Padilla himself has yet agreed to release reasons for the Foreign Minister's trip to Washington, but rumors call the move a culmination of oil confiscation negotiations.

Padilla is speaking at Chapel Hill on his way to the Washington

conferences. He will arrive in Greensboro at 11 o'clock this morning, where his friend of eight years, Josephus Daniels, will meet him. Daniels, former Mexican Ambassador and the News and Observer's publisher and editor, will entertain Dr. Padilla at his Raleigh home throughout the weekend. The Mexican envoy will dine here tonight with Dr. and Mrs. Frank Graham.

Famous Violinist To Play University

Ruggiero Ricci, celebrated young violinist, will give a concert in Memorial hall Monday evening at 8:30 with the North Carolina State Symphony under the direction of Dr. Benjamin F. Swalin of the University Music department.

The orchestra is composed of a selected group of sixty orchestral players from this state. One half of the personnel are members of music faculties of colleges and music institutions of North Carolina.

It is supported by membership contributions from people all over the state. Contributions from one dollar and up have made it possible for the orchestra to give concerts in commu-

ities where they could not otherwise have the opportunity to hear it.

The orchestra's most recent appearance this year, their tenth anniversary, was made in Kingston and they will soon appear at the Raleigh Sesquicentennial.

Ricci will perform the Mendelsohn "Violin Concerto." The remainder of the program will include the "Sixth Symphony" or "Pathetique" by Tsch-
