## Trackmen Down Virginia, 76½ - 49½, In Opener

### Tennis Team Blanks Cavaliers, 9-0, For 58th Straight Win

#### Not to Mince Matters

By Harry Hollingsworth

Scene: Carolina tennis courts. Time: Shortly before Carolina plays an opponent in tennis.

Action: Co-captains Harris Everett and Ham Anthony approach Coach John Kenfield.

In unison: "Coach by how much are we to win today?"

Kenfield: We'll take all singles and two doubles matches today. The coach of — (censored) is a good friend of mine and I don't want to lick him more than seven points.

Co-captains: How many sets shall we lose? We've got dates tonight and would like to get away early.

Kenfield: Well, since they're going to win one doubles, we'll take every match in straight sets.

And thus the Carolina tennis team goes out and racks up victory No. 58. Any resemblance of the above dialogue to anything occurring in the past is purely unintentional.

Every now and then a great track athlete flashes across the cinder horizon in the old North State. Carolina has had its share of them in the past. To name a few—Harry March, Bill Corpening, Bill Hendrix, Harry Williamston, and several others.

State has had very few star track athletes. Zori threw the discus there for a while, but now the Wolfpack has a man who seems destined to be one of the greatest in State track history. He's Mike Andrews, a sophomore who licked Duke's Werner Brown in the Carolina Relays here April 4.

He was scheduled to participate in six events in a meet with Richmond University held yesterday at Raleigh. The events were the 100, 220, shot put, discus, broad jump and javelin. And somehow he manages to be an excellent performer. Andrews really deserves the title—"The One-Man Track Team."

#### Spring Basketball Is Postponed Until Next Month

Coach Bill Lange announced yesterday that spring basketball practice, originally slated to start this month, would be postponed until the first of May, because of conflicts in intramural officiating duties which involve several returning lettermen.

At the initial meeting of the squad several weeks ago, a large and enthusiastic group reported. These men are requested to put in some time on the Woolen floor this month and to report in May for a series of practice sessions which will take place over a three week period and involve twilight practices from 6:30 to 8:15.

Kappa Sigma No. 1, Town, and St. Anthony turned in this week's feature wins in the intramural softball leagues. The Kappa Sigs, defending fraternity champions, turned in their second 3-2 win of the current season when they edged out the SAE's Thursday. St. Anthony with a 9-8 decision over TEP, and Town, capturing a 7-6 win from Steele, were the other squads that collected victories by one-run margins. Rain and wet grounds played havoc with this week's slate of games, causing the postponement of nine contests.

Pitching the only shut-out of the week, Sam Mordecai, Zeta Psi No. 1, Dekes in dropping a 14-0 decision to was the week's outstanding hurler; the Zetas, got only two hits off him. Vic Seixas tossed a three hitter for Chi Psi against the Phi Kappa Sigs to come in for a share of the pitching honors. Several intramural hurlers won four-hit games, including Carl Suntheimer, ATO; Dick White, Betas No. 1; Cecil Wooten, Kappa Sig No. 1; and Clutts, Alexander Club.

Singer of St. Anthony Hall was the leading batter of the week, having a perfect record of four hits in four trips to the plate. Three men, Church and Parker of the KA's and Webb of Lewis No. 2, each had a home run and two other hits for the next best records.

#### Tar Babies Stage Four-Run Uprising In Eighth Inning to Lick State Frosh

##### Pupa, Wideman And Lee Lead Frosh Batsmen

By Bill Woestendiek

A four run rally by the Carolina freshman baseball team in the eighth inning was enough to overcome an early lead that the Tar Babies had handed the State yearlings on Emerson field yesterday and the home club opened its season with a 11-9 victory over the Baby Terrors.

The entire game was a nightmare of hits, errors, runs and wild throws with pitcher following pitcher to the mound—winding up when State's catcher took over the pitching duties for the Baby Terrors and promptly was touched for the winning runs.

George Webb, last of three pitchers used by Jim Tatum, subdued the Techlets for three innings and was the winning twirler. Joe Green and George Sparger preceded Webb, each man taking a three-inning stretch.

Trailing 8-7 coming into the eighth inning, the Tar Babies teed off on Joe Edwards, fifth State pitcher, for four hits and four runs. Booker, fourth State slinger who had relieved Bob Edwards in the previous inning, started the ball rolling in the eighth when he walked Rivers Johnson—the third walk he had given up in two-thirds of an inning. Walt Pupa, who had scored Johnson in the first with a prodigious triple, promptly slapped a single to center. Frank Wideman, who also got two hits yesterday, lined a one-base knock into left field and Johnson raced home.

Then Ernie Hackney, who relieved Jim Hayworth in the seventh at third

WINSTON-SALEM, April 11.—The University of North Carolina Tar Heels got the most hits but Hanes Knitters, state semi-pro champions in 1941, bunched theirs for a 4-3 victory here this afternoon.

Rapping out eight hits to the Knitters' five, Carolina had a 3-1 lead until the Knitters hopped on Monk White-

heart for a three-run rally in the seventh. Red Benton pitched the final inning without yielding a safety.

Big Jack Hussey was the hitting star. The rightfielder and football end belted two doubles out of four trips and was cheated of a home run when a high wind blowing in from left field kept a Ruthian blow from falling over the fence.

Johnson put Carolina ahead with a homer over the right field palings, scoring Gersten, who had singled, in the first inning. It was Johnson's second circuit blow in two days.

Whiteheart, a Winston-Salem boy, lost his own game by pulling a boner in the first inning. With the bases loaded and one away, Monk fielded G. Carter's easy grounder and tossed him out at first as Sizemore, who had walked, scored. It would have been an easy double play at the plate and at first, but the pitcher apparently thought there were two out.

Carolina's third run came in the fifth when Johnson scratch singled down the third base line and scored on Hussey's rousing double against the right field fence.

Two walks and a pair of singles by Owens and pinch-hitter Nelson gave Hanes its three-run winning rally in the seventh.

Anthony of ATO and H. Berryhill of Lewis No. 2 also collected three hits apiece in this week's contests.

#### Frosh Netmen Edge Out Duke With 4-3 Win

Nearly swept off their collective feet by a surprising show of power, Carolina's yearling netmen yesterday eked out a 4-3 victory over the Duke first-year men in the opening battle of the season. A belated March wind played havoc with place shots and high lobs were often blown out of the court.

Termed by observers the strongest frosh squad in the history of the school, the team was yesterday forced to rely

on the No. 1 doubles team of Vic Seixas and Scott Stickle to pull the match out of the fire. This duo bested Duke's Bob Arnold and Hal Landesburg, 7-5, 7-5.

Seixas and Stickle held the lead throughout the first set and had a 5-3 lead in the second when Duke broke Seixas' service and won the next game to pull up even at five-all. Stickle won his own serve and the pair played cautious tennis the next game to win the set and match.

In the singles feature, Seixas, No. 2 junior netter in the nation, won 12 straight games from Arnold, after See FROSH TENNIS, page 4

#### Webb Earns Win For Yearlings In Weird Tilt

scoring single—the home club was granted eight free tickets to first in two innings and the game evolved into a parade about the bases. Given their opening by the State pitchers' gratuities, the hitters went to work with a vengeance and went right through the open door, with Webb closing it behind them in the ninth.

Lee played a swell game behind the plate before retiring in the sixth. He threw out two runners attempting to steal and slapped a double and a single. The stickwork of Pupa and Wideman was also exceptional, while Gresham's great performance with the wood was a revelation. Morris, State shortstop, See FROSH BASEBALL, page 4

Sweeping the middle distance events and making a surprisingly strong showing in the field divisions, Coach Bob Fetzer's Carolina track team opened its 1942 dual meet season successfully yesterday afternoon by rolling over Virginia, 76 1/2-49 1/2.

Entering the meet as slight favorites over Archie Hahn's visiting Cavaliers, the Tar Heels got off to a flying start in the mile when Rich Van Wagoner, Wimpy Lewis and Lamarr Wood romped home to place one-two-three over a weak Virginia field. From there in to the end of the 14-event card, Carolina was never headed and coasted along on a comfortable lead throughout the balance of the afternoon.

It was Co-captain Roy Cathey who stole the individual show yesterday over such headliners as Todd, Tucker and the Rathbuns of Virginia and Mengel, Lewis, Van Wagoner and Wise of the home club. Cathey notched a pair of convincing triumphs in the 220 and 440-yard runs and looked to be in mid-season shape. Warren Mengel and Rich Van Wagoner fell in behind Cathey for individual honors, each coming home a winner in one event and tying for first in another.

Mengel's duel with Tommy Todd in the high hurdle event was by all odds the meet's outstanding race. Todd, generally regarded as the best timber-topper in the South, was caught unaware by Mengel's driving finish that brought him in a winner by inches.

The two-mile event gave promise of See TRACK, page 4
