Town Groups Combine Into Intertown Council

Snell Elected New President

Combination of the Town Boys association, Town Girls association, commerce and pharmacy fraternities and co-op houses to form a "new and more powerful" Intertown council was reported yesterday by Sim Nathan, Boys association president.

To be organized similar to Interfraternity and Interdormitory councils, the new organization will include as delegates the Town Boys and Town Girls association, Delta Sigma Pi commerce fraternity, Kappa Psi and Phi Delta Chi pharmacy fraternities, and the Tar Heel and Carolina Co-op houses.

Snell Elected Head

John Snell, Columbia, has been elected president of the Intertown council, with Nathan, Chapel Hill, as vice-president, Aileen Brawley, Chapel Hill, secretary, and Charles Briley, Greenville, treasurer.

Governments of already-established town associations will not be abrogated, Nathan asserted. The new council is a "pooling of governments for increased power, efficiency and service."

The combination of all town students, planned by Snell and Nathan, already is assured increased power in the Student legislature, as well as the University club. Executives expect total town student representation in the legislature to jump from six to 10, with a probable addition of two delegates to the University club.

Dance Committee To Act as Hosts In Summer Session

Bo Reynolds, chairman of the University Dance committee, announced yesterday that "due to the influx of freshmen and the unusually large number of students at the summer session, the dance committee will function throughout the summer on a modified basis."

The dance committee will act primarily as hosts, although the anti-drinking and disorderly conduct rules will be strictly enforced. Any student "showing signs of intoxication or any other misconduct" will be tried by the committee and penalties inflicted.

"The committee will insure an orderly dance," Reynolds stated, "and members of the committee will be identified by the customary rosettes." Rules concerning dance conduct and other information have been posted in all dormitories.

Members of the dance committee active during the summer are Bo Reynolds, chairman, Tom Baden, Bill Alexander, Jack Jarvis, Floyd Cohoon, Tom Byrum, Milton Short, Max Sessions, Punk Wyche, Tommy Sparrow, and Bill Creech.

Student Council Reports Honor Code Case Decisions

(EDITOR'S NOTE—This report to the students of the student council decisions of honor violations follows the new policy of Bert Bennett, student body president, in publishing decisions and circumstances of honor cases.)

Case No. 1: Facts—A sophomore was reported by the policemen as having stolen several articles of goods from automobiles which included an automobile tire, a tank of gasoline, a tennis court net, a shot gun, and two spot lights. The boy pleaded that he was under the influence of alcohol and did not remember exactly what happened. The student, a few hours later, showed the policemen exactly where everything came from. The tire was hidden on the Raleigh road about 20 feet from the street behind a tree. Several officers and a student said that the boy was sober.

Decision and opinion—That he be suspended from the University indefinitely. The Council was unanimous in the opinion that he had lied, stolen and had violated the Campus Code. Since college is more or less a kindergarten for life, we can only hope that this boy will reorientate himself to a higher standard of the basic rights.

Case No. 2: Facts—A sophomore was suspected of stealing books from a retail book store. He had been under suspicion for several weeks by the owners. On being questioned, the student admitted that he had taken seven books and had sold two.

Decision and opinion—He be suspended for violating the honor system. We have no other alternative than to suspend a person for stealing. In our society we must endeavor to rebuild the fundamental wrongs of violators (sic); consequently allowing him to remain out of school for a while will enable him to see his mistake.

Registration Totals 1,966; Figures 178 Over Last Year

Summer registration totals surged towards the 2,000 mark, finally halting at 1,966, I. C. Griffin, assistant registrar announced yesterday. Releasing final figures of the five-day registration period that ended Tuesday afternoon, Griffin said the registration surpassed by 178 last summer's first quarter enrollment.

Complete figures revealed the total enrollment represented students from thirty-seven states, and nine foreign countries. North Carolina students totalled 1,340, Griffin said, out of state students registered numbered 626.

Of the ten foreign students taking courses at the University two make their home in Puerto Rico, and one each in Honduras, Venezuela, Brazil, Poland, Argentina, Switzerland, Colombia and Spain.

Registration by Schools

Examination of the enrollment data reveals that 570 students registered with the school of Arts and Sciences, 142 with the school of Commerce, 436 with the General College, 456 with the Graduate school, 18 with the Law

school, 47 with the school of Library Science, 89 with the school of Medicine, 61 with the school of Pharmacy, 40 in Social Work, which were included in graduate and arts and science schools and 147 with the extension division.

Of the total number 1,208 are men, 758 are women, Griffin pointed out.

Leading out of state enrollments are 88 students from Georgia, 73 from Virginia, 70 from South Carolina, 65 from New York, 60 from Florida, 41 from New Jersey, 34 from Pennsylvania, and 29 from Ohio.

Students from Alabama, Tennessee, and the District of Columbia numbered 20 each, while Connecticut has contributed 16, West Virginia 14, Mississippi 13, Louisiana 12, Illinois 11, and Arkansas and Maryland 8 each.

Students from Texas number 7, Massachusetts 6, Missouri 5, Kentucky 4, California 3, Delaware, Iowa, Michigan, Montana, Washington and Wisconsin 2 each, and one from Indiana, Maine, Minnesota, New Hampshire, North Dakota, Rhode Island and Wyoming.

Summer School Ball To Be Staged Tonight

Dances, Concerts Lead Week-End's Activities Line-up

Three dances and three concerts, including tonight's first official dance of the season—the Summer School Ball—top off the week's activities schedule prepared by Henry Moll, Graham Memorial director, and Helen Dugan, summer school activities head.

The Summer School Ball will continue for three hours, from 9 until 12 o'clock, in front of the YMCA building. A second informal dance is docketed for tomorrow night at 8 o'clock, also in the Y court.

Graham Memorial will officially open her vast social season with its traditional time. The annual Housewarming dance tomorrow night at 8:30, giving students two dances to attend at the same time. The annual Housewarming will warm up in the main lounge of Graham Memorial.

IRC to Hold Mass Reception

Edwards Announces Summer Program

A mass student reception Tuesday night will open the International Relations club's summer activities schedule, according to Elton Edwards, president of the summer executive council.

Festivities including quizzes with prizes, predictions of things-to-come and refreshments will begin at 8:30 in the main lounge of Graham Memorial.

The campus will be given its first opportunity in the IRC's four-year history to suggest the personalities whom IRC officials should sign for addresses in Chapel Hill. Summer students will stand in an open discussion rally to voice opinions on famous international speakers.

During the past year the IRC has brought to the Carolina campus Gaston Henry-Haye, Vichy French ambassador, Chinese Ambassador Dr. Hu Shih, Netherlands Minister Dr. Alexander Loudon, Mexican Ambassador Dr. Francisco Castillo Najera, Czechoslovakian Foreign Minister Jan Masaryk, British Minister Sir Gerald Campbell, and aided in securing Ezequiel Padilla, noted Mexican foreign minister.

Summer students will be admitted into IRC membership for the season by signing application blanks during Tuesday night's reception, Edwards reported. IRC summer members, although not automatically included in next fall's roster, will be given special consideration for fall membership.

Forum Panel

Announcement of an IRC public forum panel of several of the leading officers in Carolina's Pre-Flight training unit also came yesterday. The forum will be staged during the first summer term and will be one of two campus forums to be sponsored by the IRC this season.

Divisions Plan Education Study

The Institute for Research in Social Science, the Departments of Sociology, Education, Public Health, and the Summer School of the University of North Carolina are cooperating in presenting a program of study for a select group of southern leaders, or prospective leaders, in education.

The workshop is conceived as an initial step in a long-time undertaking designed to make the social sciences of more vital and practical significance to those in positions of leadership in the Southeast.

Miss Sihla Valenguela, a social case worker of Santiago, Chile, is one of the many to attend this workshop.

Nash to Head Coed Council For Summer

Honor Council Replaces WGA

Heading the Honor Council of the Woman's Government Association for the first term of summer school will be Mary Lib Nash as president, Ditz Buice as vice-president, and Ardis Kipp, secretary, it was announced yesterday.

The coeds were elected Tuesday afternoon in the office of Mrs. Marvin H. Stacy by the members of the newly-elected Honor Council, which is composed of the house presidents from each of the eight women's dormitories.

The following house presidents and social chairmen, respectively, were chosen at the coed house meetings Monday night: Kenan, Mildred Thomas and Dorothy Peacock; Archer, Eileen Smith and Myra Knupp; Alderman, Ardis Kipp and Jeanne Stuart; Smith, Marjorie Leonard and Martha Craddock; McIver, Mary Lib Nash and Jinnette Hood; Spencer, Charlotte Powers and Lee Rice; Carr, Mrs. W. B. Harrill and Mrs. T. T. Hammack; Steele, Margaret Weeks and Katharine Gaston; and Town Representative, Ditz Buice.

The Honor Council functions during the summer as the Woman's Government Association by determining the punishment for violations of the campus, honor, and interfraternity codes. Regular meetings will be held each Monday at 5 p.m. in the WGA room of Graham Memorial, and emergency meetings may be called at any time. Mrs. M. H. Stacy is the official adviser for the group, and two other advisers will be appointed later. Only major cases will be tried, with the Hall Councils dealing with minor ones. Definite action is to be taken later this week on the Interfraternity agreements.

The social chairmen, who were elected, will cooperate with Miss Helen Dugan, director of summer activities. See NASH TO HEAD, page 4

Hamilton Reviews Pre-Flight Unit On Trip South

Lieutenant Commander Thomas J. Hamilton, director of the physical education program for naval aeronautics, paid a flying visit to Chapel Hill Wednesday afternoon on his way to the commissioning of the Navy's Pre-flight school at the University of Georgia.

On Wednesday afternoon, the famed athletic director and football coach reviewed the first and second battalions of the local unit and gave them a brief, fighting speech on the Emerson stadium review field.

It was the first time Commander Hamilton had seen one of the Pre-flight units in actual operation and he was "highly pleased" with the performance which he witnessed. At the Emerson field ceremonies, Hamilton was introduced by his brother, Lieutenant Howard Hamilton, who is in charge of the academic department for the Chapel Hill unit.

A graduate of the Naval Academy in 1927, Hamilton was an outstanding athlete while at Annapolis and later served as head coach of the Navy football forces for three years.

Naval Dance To Be Held Next Week

First in Series Slated Saturday

First in a wide and varied program of entertainment and recreation scheduled for the Naval Pre-flight unit during the summer, plans were announced yesterday for a gala Cadet's Ball to be held in the main lounge of Graham Memorial next Saturday night, June 27.

Approximately 300 of the unit's complement of 482 will be permitted to attend the dance and tickets for \$25 apiece will be placed on general sale to the various platoons, Lt. F. L. Gillespie, director of the recreational program, announced.

The tickets will admit either couple or stag, but a large group of attractive ladies will be on hand to entertain the cadets regardless, Lt. F. L. Gillespie stated.

Refreshments will be served at cost and the dance will last from 8 o'clock until 10:30, it was stated. The music will consist of the latest recordings transmitted from the director's office in Graham Memorial.

This is the first dance that has been given by the Pre-flight school and is being given expressly for the cadets. However, it is hoped that in the future dances may be given on a larger scale so that both cadets and students may attend.

Commander O. O. Kessing, commanding officer, Lieutenant John P. Graff, executive officer, and Lieutenant Commander Harvey Harmon, director of athletics, will be the hosts. They and the dance committee will be the only officers present. Mrs. Kessing, Mrs. Graff, and Mrs. Harmon will act as hostesses.

Any proceeds from the dance will go towards setting up a permanent fund for holding dances and other forms of entertainment for the cadets at regular intervals, it was learned. Tentative arrangements are being made to secure Kay Kyser, Glenn Miller, Bob Hope, Jack Benny, and other such variety shows for performances here during the near future.

Russian War Relief Rally on Monday

Celebrating Aid-to-Russia day, a Russian War Relief rally will be held in Hill Music Hall Monday night at 8:30.

Dean of Men Roland B. Parker will introduce the speakers on the panel of brief talks on "Russia's Place in the United Nations."

Two newsreels made in the Soviet Union, "Russia's Millions Mobilize" and "Russian Women in the War," will be shown at the public meeting.

Funds for medical aid to Russia will be solicited.

Get Overwhelming Student Body Vote

Dick Bailey and Bob Spence were elected yesterday by overwhelming margins to fill two vacant Student Council posts for the summer session. Bailey was high man in the voting with 122 votes while Bob Spence ran a close second with 116 ballots.

Others who were nominated Thursday to run for the two council posts were Hurst Hatch who received 72 votes, Roy Stroud with 36, and John Temple with 20 votes.

Railey, a senior from Murfreesboro, is chairman of the Carolina Political Union, executive secretary of the Debate council, and winner of the Binghams medal for debating.

Spence, a senior from LaGrange, is president of the senior class. He was also dorm manager at BVP last term.

Railey and Spence will step into office immediately and will hold their positions as council members until the end of summer school.

Function of the Student Council during the summer session will be much the same as during the regular term due to the large enrollment. They will meet in regular session and hand down decisions on honor cases brought before them. In addition the newly-established policy of publishing facts, penalties, decisions, and opinions in the TAR HEEL will be continued beginning with this issue, Bert Bennett, president of the student body, announced.

Outdoor Concert Presented Sunday By All-State Band

In its first outdoor appearance on Sunday, at 5 o'clock, the All-State High School Band will present a varied program of marches, overtures, and patriotic selections. Mr. Earl A. Slocum, Associate Professor of Music at the University, will direct the band in the concert to be played under Davie Poplar.

Now in its seventh year, the band is made up of over sixty students of high school age from North Carolina, Alabama, Delaware, Florida, Georgia, Michigan, South Carolina, and Virginia. The students are enrolled in the All-State High School Music Course, which is given yearly during the first summer session by the University Music Department. Mr. Slocum is Director of the course.

A group of sixty-five students from accredited high schools were selected this year to take the music course, which includes, besides band and orchestra work, music theory, music appreciation, chamber music, and vocal instruction. The University physical education department supervises a regular recreation program for the students. One unit of high school credit is granted for completion of the entire course.

The faculty for the six-weeks course is drawn from colleges and public school systems in this and other states. Assisting Mr. Slocum in the band work as directors and instrumental teachers are: Herbert R. Hazelman, J. Harris Mitchell, Major J. B. O'Neil, and Robert Simmons.

Fifty Men Report For CVTC Unit

Fifty men reported for the first formation of the Carolina Volunteer Training Corps, Colonel W. A. Raborg, executive head of the unit, stated yesterday.

"Since the Cadet Major is away for the summer, Captain Dibrell and Captain Bryan will have charge of the corps for the summer," Colonel Raborg said. "All freshmen nearing the draft age should get this training for it will help them a great deal in the army. Lieutenant Davis will train these men."

"Two hours of physical training credit will be given so the student doesn't have to have but two more hours of that credit. The new cadets will receive more attention since most of the old men will be back and won't require as much attention."
