Kilpatrick Speaks On Reconstruction In Union Tonight

Educator Gives Second Lecture In Series Here

Dr. William Heard Kilpatrick, eminent educator, teacher, and philosopher, will present his second lecture at 8 o'clock tonight in the lounge of Graham Memorial. His subject will be "Cultural Reconstruction in the Conquered Countries in the Post-War World."

Approaching the reconstruction problem from a different angle, Dr. Kilpatrick will emphasize the necessity of spiritual reconstruction in Germany and Japan after the war, and the part the victorious nations will play in this reconstruction.

"There will be disease and starvation to contend with in the conquered countries," he proposed, "because social processes will stop. It will be the work of our officials to aid in the social reorganization. These officials will talk with German and Japanese officials, and without involving force of any kind, they will attempt the reconstruction of spirit and attitude in the conguered nations.

will study the school situations and eral rationing system. plan for the re-educating of the naa long and difficult job," Kilpatrick town hall. The committee is now at said. "The important thing will be to work organizing a constitution to succeed by advising, not forcing."

Dr. Kilpatrick has been conducting courses in the school of education since tion was to adopt a resolution conthe beginning of the second session of demning the federal sales tax set-up. summer school. He was formerly of The resolution has been sent to Con-Columbia University, where he has gressional representatives. held the position of Emeritus Professor of Education since 1938.

Foremost in the field of philosophy of education, he is known also as author and editor. Dr. Kilpatrick and the steering and nominating commithis wife, Dr. Marian Y. Ostrander, will remain in Chapel Hill until the end of the summer session.

UNC Appeals **Ackland Case** In Washington

Million-Dollar **Estate Sought**

Carolina attorneys have appealed the million-dollar Ackland art school suit to the Washington District Court of Appeals, it was announced in a statement from the offices of Gardner, Morrison and Rogers received here

The long-awaited moment when "we really get down to business in the court where the case belongs" has come. Most important work of Carolina and Rollins college lawyers will be to secure a reversal of a recent lower court judgment which ruled that the entire \$1,-395,400 estate willed by Tennessee's late William Hayes Ackland should go to his heirs.

Edson B. Olds, executor of the Ack- terday. land estate whose aim is to see that Ackland's intention of giving his money yearly by the University YMCA in to a college is fulfilled, said in a simi-lorder to acquaint potential campus sonally am most hopeful of the outyet to know where we stand."

lated to a "hated" brother.

Summer Freshmen Register for Fall On September 22

In releasing fall registration dates, come along anyway," Miss Dugan Dean C. P. Spruill of the General Colstated. The tickets for the suppers are lege, pointed out that freshmen who entered this summer would register on office in the YMCA and will go on sale the morning of September 22, along with upperclassmen.

"There has been some doubt in the minds of the freshmen as to whether or not they would register with incoming freshmen on September 21." Dean Spruill stated that as summer entrants had already undergone orientation and taken placement exams, there "would be no reason for their coming on September 17," with the new students. Dean Spruill said that it might be

advisable for summer freshmen to come back to school a few days early to take any advanced standing tests that they might have missed upon entering. "One exam that we failed to give freshmen," said Dean Spruill, "was the College Aptitude test, which is required of all students."

Students who are interested in Naval ROTC should come back by September 14, said Dean Spruill. "This is necessary as the physical examination and interviews take a great deal of time and would cause some confusion if taken after registration."
