

Steelers Face War Blackout In Power Rife

Mayor Promises Normalcy Soon

PITTSBURGH Feb. 12—Families huddled around candles and flashlights in thousands of darkened homes tonight as a crippling power strike began to take full effect in the industrial Pittsburgh area.

Gloom spread over the streets of over one hundred western Pennsylvania cities as block upon block of light faded out. The walkout began at 4 o'clock this morning, but was reaching its full effect only tonight as powerlines of Duquesne Light Company proved unequal to the load of night illumination.

Frantic efforts to end the strike were being carried on in the chambers of Pittsburgh's mayor, David L. Lawrence, who has sworn to sleep in his office until the strike is ended.

New Wage Formula Still Unannounced

WASHINGTON, Feb. 12—President Truman's top economic advisors tonight continued work on the new wage price formula and a steel price increase that gave no indication when they will be announced.

It was estimated that the delay is keeping 1,500,000 workers away from their jobs—750,000 in the steel industry and 750,000 more in other industries where strikes for higher wages are under way.

The promise was made tonight by Governor R. Gregg Cherry, speaking before the annual meeting of the Winston-Salem Automobile Club. This all-time record road building project would assure "marked improvement of the secondary road system" the Governor said, adding that none of the money will have to be borrowed.

Clausen Says Dome Was Out of Bounds

WASHINGTON, Feb. 12—Henry C. Clausen, a former Army colonel who made an independent inquiry into Pearl Harbor, told the congressional investigation today he had been advised that the White House was outside the scope of his searchings.

He made his investigation into the Dec. 7, 1941 disaster in 1945 at the behest of the then Secretary of War Henry L. Stimson, but he told the committee he was informed by Maj. Gen. Myron P. Cramer, then Judge Advocate General, that the White House was out of bounds so far as his inquiry was concerned.

Pay Boosts Promised Faculty; Graham Presents UNC Policy

Balanced Plan Of Admission To Be Followed

Coed Quota Gets Pegged at 1,000

The buildings and admissions programs approved by the Board of Trustees Monday in Raleigh was the result of proposals worked out by administrative and faculty representatives at each of the three branches of the Greater University, according to University President Frank P. Graham.

"We plan to keep the Chapel Hill branch on its pre-war basis as closely as possible," said Dr. Graham, "with maintenance of a balanced University and full regard for the undergraduate student body, the graduates and professional schools."

It is hoped that the number of coeds already reached here will be maintained. At present there are a little over 1,000 coeds here.

The priority system on admissions set up by the trustees applies to women as well as men and gives first preference to students now in school, next to former students, then to new students. Under the latter two classifications preference will be given, in order, to North Carolina veterans, North Carolina residents not veterans, out-of-state veterans, and out-of-state

Coed Models Get Final Directions For Fashion Show

The 15 selected models for the Valentine Fashion Show will rehearse tonight in Hill Hall for the fashion display tomorrow night at 7:30 p. m. sponsored by the Carolina Independent Coeds Association.

The models have been to Greensboro to select costumes and accessories which they will feature in the show. Each of the chosen coeds will model four complete outfits. All clothes shown, in addition to many others, will be on display Friday and Saturday on the second floor of the Varsity.

Tickets are now on sale in the Y and at Ledbetter Pickards for townspeople and others that wish to go. Coeds may buy their tickets from the dormitory representative. President Evelyn Davis has extended an invitation to all students, men and women, wives of veterans and faculty members, and to Chapel Hill townspeople to attend.

Davis also stated that this show should be of particular interest to coeds this year, since many of them will be unable to go home between terms to select their spring clothes.

Playmaker Tryouts

Valentine Ball Tops Weekend Social Whirl

Woodhouse Heads Crowning Ceremony

Top event of the week-end's social whirl on the campus is scheduled for the Tin Can Friday night where Johnny Satterfield will play for the Graham Memorial-Grail Valentine Ball, the proceeds of which will go towards a fund for the projected wing for the student union building.

Director Martha Rice announced that tickets are now on sale in Graham Memorial office, and may also be purchased from members of the Grail. "I sincerely hope that the entire campus will turn out for this gala affair, especially since it is for the benefit of such an urgently needed campus facility. If Graham Memorial had this new wing now we could give dances for the entire student body in it without using the Tin Can."

Coronation Ceremony

The dance will last from 9 to 1. Feature of the evening will be the coronation ceremony for Miss Patty Harry, Tri Delt and Carolina "Hubba - Hubba" girl, along with her Maid of Honor and court. Members of the court and their escorts will be released in Friday's DAILY TAR HEEL.

UNC's popular Political Science professor, Dr. E. J. Woodhouse, will crown Miss Harry as "Queen of Hearts" to reign over the festivities. She will be attended by Barbara Boyd, maid of honor, and ten court attendants, all candidates for the Carolina "Hubba-Hubba" contest recently sponsored by the student union.

During the ceremony Ed Easter, well-known campus vocalist, will sing a song of congratulation dedicated to the queen. Court jesters Kit Rogers and Stan Colbert will entertain at the same time.

Campus Cuties Cut Capers With Sick GI's at Butner

By Marianne Browne

Thirty Carolina Coeds were busily climbing into an Army bus Wednesday night. No danger of the Wacs recruiting them away—this group was going to entertain hospitalized soldiers at camp Butner.

Every other Wednesday the members of the town girls association, and sometimes, coeds from the dorms, go to Butner. There they dance, talk and play cards with the soldiers in the general hospital, convalescent wards and at the Red Cross Centers. This will continue until Butner closes in March.

The Red Cross adds variety, providing evenings that prove enjoyable to both the girls and boys. There are floor shows, orchestras and seasonal motifs

Bryant Proposal Waits Approval Of Legislature

\$145,000 Needed To Effect Raise

The \$145,000 total salary increase for Carolina's faculty, recommended by the Board of Trustees Monday, will mean a raise for every faculty member here, if the appropriation passes the State Legislature next January, President Frank P. Graham stated yesterday.

Victor S. Bryant, chairman of the visiting committee of the Board of Trustees, who presented the report to the board, made a stirring plea for the actual carrying out of the increase by the State Advisory Budget Commission and the State Legislature. He proposed that the Legislature adopt and put the salary scale into effect as soon as possible, without waiting for a new school year.

Receives Endorsement

Bryant's report was considered one of the finest ever presented, according to Dr. Graham, and was adopted unanimously by the trustees.

"We will need \$145,000 to make the salary scale substantial."

Stockton, Stewart Vie for Election To Student Office

The student body goes to the polls tomorrow to cast ballots for the position of secretary-treasurer of the student body after ten days of quiet campaigning by UCP Candidate Blount Stewart and Bob Stockton, running on the UP ticket.

The office was left vacant by the resignation of Joe Mallard several weeks ago who gave pressing school work for his withdrawal. A small campus vote is expected by party leaders due to the short term to be filled before regular Spring elections.

Polling place for naval students will be located in the Pine Room and will be open during the noon and evening meal hours. Girls living in Spencer, McIver, Kenan, and Alderman dormitories will vote in Kenan from 8-9 a. m. and 1-7 p. m. There will also be a polling place open in the lower quad at the same hours for the men's students. All other students will vote from 9 a. m. to 5 p. m. in the Y.

Three Plays Scheduled For Tomorrow

The experimentals to be presented in the Playmakers' Theatre tomorrow at 7:30 o'clock are "A New Canaan," "Niobe in Darkness," and "We of the Hollow Men." Admission is free and all students and faculty members are welcome.

Wayne Bowman, the author of "A New Canaan," was a student at Carolina from 1937-40, and is now doing graduate work here. Previous to Carolina he attended Elon College and in '43 he taught in North Georgia College, where some of his plays were produced. "A New Canaan," which is a comedy, is to be directed by Robert Nachtman.

The author of "Niobe in Darkness," is Violet Fidel, a transfer from Hunter College, who having lived in Brooklyn and Greenwich Village, is better known as "Tree." Her play will be directed by Louise G. Bonner, of Staunton, Va.

"We of the Hollow Men," directed by Ernest Rhodes of Winchester, Va., was written by Nancy Davis of Durham, whose work in the playwriting class is well known.

Frosh-Sophs Likely To Lose Yack Space

Yack Editor Fred Flagler warned freshmen and sophomore class members that unless a minimum of 600 students sign up for annual pictures this section will have to be eliminated.

Response from the two classes has been very apathetic, Flagler stated, and urged students to sign up today and tomorrow in Graham Memorial from 1 p. m. until 4:30 p. m. Fee for space reservations is \$1.50 a picture. Tentative schedules have been set for next week.
