

Ohio State and Army Defeat Blue Dolphins

Twining and Proctor Excell As Mermen Bow To Powerful Northern Competition

North Carolina's Blue Dolphins, travelling north for the second time this year, suffered a punishing defeat Saturday at the hands of the Buckeyes of Ohio State and the Army Cadets. In the triangular meet held at West Point, Ohio State with its seven national champions took all firsts against the finest sprinter in the country at the present time, Halo Hirose, and served notice on Hirose that he would be stiff competition in the future. In winning Hirose broke the pool record with Twining a close second.

In spite of the defeat, Coach Ralph Casey said that he was pleased with the performance of the Dolphins against such stiff competition. Carolina came very close to taking the relay and Snooky Proctor surprised everyone by nosing out Grimm of Ohio State to take second in the 440-yard freestyle event.

Dick Twining, swimming the 100-yard freestyle was up

Twining also finished second in the 220-yard freestyle with Hill of the Buckeyes coming in first. Hill broke the pool marker in this event, dropping it to 2:13.9.

The summaries:

100-yard freestyle: Hirose, Ohio State; Twining, Carolina; Thayer, Army; Zemer, Ohio State; Lamar, Army. Time: 0:52.3.

Carolina Mittmen Fight at New York

Coach Jule Medwin and his Blue and White mittmen of North Carolina, with two victories against a like number of defeats, will bring to a close their 1946 boxing season Saturday, as they travel to Long Island, New York, where they lock horns with Kingspoint Merchant Marines.

Last week the Tar Heels journeyed to Columbia, S. C., and for the second time this season, downed South Carolina's Gamecocks 5-3. This victory gives the North Carolina aggregation an even .500 average, as they previously bowed to Virginia and Army.

Phants Work Light Before State Finals

Tar Heels Meet Catawba Tomorrow

Having admirably tucked the game of games under their belts at Durham Saturday night, the Carolina White Phantoms went through light workouts yesterday afternoon in preparation for next to the last game of the season with Catawba college in Salisbury tomorrow night at 8 o'clock.

Carolina will hold the favored position, but the Tar Heels have a tough encounter with Little Creek Naval base at Norfolk Saturday night. Little Creek has the sixth ranking club in the South according to the ratings of Dick Dunkel, and the sailors are slated to give the Phants a real run for their money. "We don't know a thing about the team," Coach Ben Carnevale said last night. "We only have their record to look at, and it is plenty impressive. We expect one of our toughest ball games."

The tilt tomorrow with Catawba will be the last performance of the Tar Heels in the state until the Conference tournament the end of the month. In their last meeting, Carolina won easily over the Indians but since that time the Catawba lads have shown considerable improvement, winning nine of 12 starts in North State loop competition. The hosts will have the advantage of their home courts this time, too, and they may be hard to handle there.

On top of the Southern conference now by virtue of its 54-44 win over Duke Saturday night, Carolina now possesses an impressive 25 and 2 season record, one which will be hard to match anywhere in the country. Two records have already been broken this year, and another may fall soon. A new scoring record to top last year's 1,345 now exists and is increasing game by game, and a record number of wins has also been set. The previous mark was 23.

Wrestling Crew Ends Good Year

Turning back the stubborn Yellow Jacket grapplers of Georgia Tech Saturday night by a close 16-14 score, the Carolina wrestling team established itself as the cream of the crop in the South as the 1946 season was brought to a very successful close.

Tech had won four meets and lost only one up to the Carolina match, including a victory over Duke in a return meet. Also on the list of victims for Tech was Carolina holds two wins over Virginia, one over Appalachian, one over Tech and one over Duke. The lone setback was at the hands of Duke in the third meet of the year.

As the season was brought to a close, three of the Tar Heel matmen held unbeaten records, those being Tommy Hearn at 136, Art Bluethenthal at 165 and Al Crawford at heavyweight. These three contestants have

Heavy List Of Entries Filed For Annual Track Engagement

39 Teams Will Race In Cinder Meet Saturday

Carolina Has Big Squad In Classic

All communications regarding annual Southern Invitation Indoor Track Championships closed today with a new record of 39 teams and 286 stars, scattered from Atlanta to Huntington, W. Va.

This is the largest field the big meet has attracted since it was opened to service as well as college stars four years ago, and Director R. A. Fetzter predicted some brilliant competition and, in all probability, several new records.

Nineteen teams will go after the Open Division title and 29 after the Scholastic Championship. Both fields are wide-open, as Pre-Flight, which nosed out North Carolina and Cherry Point last year, has since disbanded.

Other favorites include Carolina's arch-rivals from Duke, Georgia Tech's perennial Southeastern leaders, and the Little Creek Naval Amphibs, who are bringing two Penn Relay winners and three former National Interscholastic titleholders.

These are Fortune Gordon from Minnesota and Norman Wasser from New York U. in the shot and Robert Quinlan, Harris Rose, and Ed Morgan, all in the distance runs, which should produce some great races.

Camp Peary is also sending Ted Vogel, former National distance champion. Vogel has run the 2-mile in the sensational time of 9:24, but Little Creek's Morgan has done it in 9:25, and their race should burn up the boards.

Another famous star will be Lt. Comdr. Harry March from Norfolk Naval Air Station, an ace pilot during the war, who won the National Pentathlon Championship while competing here in 1940.

All nine of the leading Southern Conference track teams will be represented, including Davidson, Duke, Maryland, North Carolina, N. C. State, South Carolina, V.M.I., Virginia Tech, and Wake Forest.

The other 10 teams entered in the Open Division are Camp Peary, Cherry Point, Fort Bragg, Georgia Tech, Little Creek Amphibs, Norfolk Naval Air Station, Parris Island, Virginia, and Fulton and Boys' High of Atlanta.

The 20 teams in the Scholastic Division are scattered from Boys' High and North Fulton in Atlanta to Huntington, W. Va., High.

North Carolina high schools taking part will be Charlotte Central, Durham, Greensboro,

North Carolina, Duke, and Maryland head the Conference schools in the record field of 39 teams and 286 stars, including several former National Champions, who will take part in the annual Southern indoor track classic at Chapel Hill Saturday afternoon and night.

Left to right: Ed Matthews, Maryland; Floyd "Chunk" Simmons, North Carolina, and L. D. Young, Duke. Matthews and Young are slated for one of the feature races in the quarter-mile. Simmons, who is also a 4-star backfield prospect, is a former State champion in the hurdles.

SAE No.2 Remains Unbeaten By Touncing Delta Sigma Pi

ROTC 4th Company Beats Graham Squad To Stay Undefeated In Dorm Division

SAE No. 2's winning skein remained unbroken yesterday as the frat league leaders trounced Delta Sigma Pi, 59-21, in a mural cage fray. Paced by Jim Burdin, who tallied 23 points, the winners made it seven straight victories. Only one game remains between the SAEs and at least a tie for the fraternity championship.

ROTC 4th Company retained its undefeated record in the dorm division by downing Graham, 36-19. Schultz took high scoring honors with 21 markers. The win gave the ROTC quint a record of seven victories and a tie with Marines No. 2 for league leadership.

DKE came through with a 23-11 win over Chi Psi with Walker's 8 points taking high scoring laurels.

PIKA knocked Kappa Sig from a tie for second place by winning 34-29. Quincy led the PiKAs with 14 markers.

In another dorm loop contest, ROTC 3rd Company trampled Everett 40-24. Norell was high scorer with 16 points.

Following is the schedule of today's games:

- 4 o'clock: Phi Delta Theta No. 2 vs ZET (Court 1); Old West vs Ringers (Court 2); Courts 3 and 4 available for practice through reservation at intramural office.
- 5 o'clock: Med School No. 1 vs Grads (Court 1); Med School No. 2 vs Stacy (Court 2); Zeta Psi vs Phi Kappa Sigma (Court 3); Phi Delta Theta No. 1 vs TEP (Court 4).

LOS ANGELES, Feb. 18—The "Mad Russian" of baseball—Lou Novikoff—is ready to take another crack at big league baseball.

The 31-year-old Novikoff is part of the rejuvenation injections the Philadelphia Phillies are taking—a sort of baseball vitamin the Phillie owners hope will raise the club from the National League cellar.

Archie Thompson came through with his third win of the season with a last-minute takedown in another of the feature bouts Saturday night, and Bluethenthal's fight at 165 also was outstanding. Hearn and Bluethenthal are both veteran wrestlers for Coach Chuck Quinlan, and Crawford is a former National AAU champ from Appalachian.

Snavelly Turns To T Formation In Grid Drills

Spring Practice Is In Third Week

Spring football practice began its third week yesterday afternoon with Coach Carl Snavelly stressing fundamentals and the learning of plays. The squad have been holding scrimmage sessions for the past week.

Coach Snavelly has departed temporarily from the single wing attack to experiment with the T formation, which the "A" squad used very effectively against the "B" team in a rough scrimmage last Friday afternoon.

The A squad, which are tentative first stringers and all hold-overs from last year's grid team, consists of Max Cook and Bill Pritchard at ends; Frank Curran and Ted Hazelwood at tackles; Ed Golding and Sid Varney at guards; Steigman at center; Jim Camp, Bob Warren, Don Hartig and Red Kennedy compose the backfield.

The spring drills will continue for two more weeks, Coach Snavelly reported in his last football letter to the players. More intra-squad games are being mapped out as soon as the players become familiar with the plays.
