ECTC Courtmen To Meet Carolina Today

Today's Intramural Contests Postponed

All intramural activities were cancelled yesterday and will be called off again today due to the Carolina-ORD baseball game.

Today's scheduled games in softball and the tennis matches will be played on Friday afternoon at the same time.

Monday's softball games and tennis matches have been postponed until next Monday afternoon.

Intramural Director Marvin Allen stated yesterday that the water polo will begin probably next Monday. Swimmers that earned letters between 1945-46 are not eligible to compete in the event.

Jack Hester, Ted Haigler Captain Tar Heel Trackmen

Carolina Meets Georgia Tech Here Saturday; Strong Field in Mile

Co-Captains Jack Hester and Ted Haigler will lead the Tar Heel track team into a tough schedule here Saturday, when the Blue and White cindersmen meet Georgia Tech, last year's Southeastern Conference champions.

Carolina is expected to be rather strong in the long and middle distances and the pole vault. The dashes and hurdles will be fairly well-padded with material. The question mark on the team will be the field events, where not too much is known about the material as yet.

Mile Event

The mile event will probably be one of the strong features of the team, with former Dartmouth miler Mark Burnham leading a strong field. Close behind Burnham will be Walter Francis and Art Lamb. Other candidates for the event include L. R. Briley, W. B. Good, W. C. Helmly, H. Pallulat, Charles Tietjen.

John Strait, Mac Hobkirk, and J. R. Bristow are outstanding candidates in the two mile. They

lead a field including Walter Francis, F. B. Hatch, F. Hardy, Jim Jorden, Art Lamb.

The 100 yd. dash is expected to be fairly strong with Laddie Terrell displaying fairly good time in practice. Following Terrell are Ted Haigler and Gerry Begnaud in the two and three spots. Other leading candidates include W. P. Benton, W. D. Britt, C. L. Donnell, T. M. Jordan, A. S. Litinsky, Taylor Thorne, and T. R. Wall.

Haigler Shows Form

Ted Haigler has been displaying outstanding form in the 220 yd. dash, with Laddie Terrell and Charles Donnell right behind him. The remainder of the field includes Gerry Begnaud, W. P. Benton, T. H. Grudup, T. M. Jordan, and T. R. Wall.

This season will mark the 22nd year of Coach Dale Ranson as track coach at Carolina. In addition to track, Coach Ranson has produced 14 Southern Conference cross country championship teams.

Phantoms Are Guests Of Kiwanis Tonight

The White Phantoms, Carolina's Eastern Intercollegiate championship basketball team, will be the guests of the Chapel Hill Kiwanis club at a banquet in the ballroom of the Carolina Inn at 6:45 tonight, President Sam Oakley of the Kiwanis announced yesterday.

The banquet is for all of the team members who made the trip to Madison Square Garden to participate in the NCAA championships.

Monogram Club Meets

Those boys who won letters in winter sports are instructed to meet tonight at 7:00 o'clock to place their orders for athletic sweaters.

Cancelled Tilt Will Be Played This Afternoon

Nicholson Starts In Second Place

By Herb Bodman

After much vacillation a sextet of tennis players from Eastern Carolina Teachers' College will arrive in Chapel Hill this afternoon to play the Tar Heels. The matches are scheduled to commence at 2:30 this afternoon.

Coach John Kenfield received a letter from ECTC yesterday morning stating that they would be unable to field a team, but later in the day they wired that they would arrive as planned. The team is not considered a strong rival, but will give the Tar Heel team some much needed practice in preparation for what is expected to be a hard battle with the William and Mary Indians here next Friday. Coach Kenfield stated that he would probably dip lower down on the ladder, possibly as far as the tenth position, to garner his doubles team if the singles matches result favorably.

For Carolina, Gus Maas will be the first court player, seeking his second win of the season. Maas is the only member of the starting combination that has not changed his position since the tennis ladder was inaugurated two weeks ago. Stan Gruner, previously number two man on the team, was relegated to third place Sunday when he was defeated by Jim Nicholson. This drops Mel Jordan to fourth place, in which spot he will play tomorrow. Dick Swigert will play as number five, and sixth will be Ed Dameron. Others that may see action are Daniels and Skakle. Swigert is the only new member of the combination, having jumped into fifth place Friday afternoon by virtue of a hard-fought win over Ed Dameron.

DiLorenzo Slated to Start; Team Goes North Tomorrow

Locals Seek Third Win of Season Against Visiting Soldier Outfit

By Bob Goldwater

Gunning for their third victory of the 1946 campaign, the Tar Heel baseballers will entertain the Greensboro ORD nine on Emerson Field today at 4 p.m. in their last clash before departing on their three-game tour into Virginia and Maryland.

Southpaw Vinnie DiLorenzo is slated to receive Coach Bunn Hearn's starting nod against the Army team. Making his third appearance and first mound start of the season, DiLorenzo will be out to keep his record of nine scoreless innings intact. Hamp Coleman and Monk Whiteheart, both of whom scored triumphs last week, are expected to follow the portside to the hill.

Ryan Has Measles

Aside from the outfield and the shortstop post, the rest of the starting lineup will be the same as that which opened against VPI Friday. Rollo Frazier will be behind the plate, John Gregory at first, George Thompson at second, and Bob "bullet-arm" Warren at third. Sparkplug Fred Ryan is ill with the measles and is being replaced at the shortstop slot by Bo Hackney.

In the outer gardens, today's trio will consist of Cleet Cleetwood in left, Charlie Cole in center, and Harry Beason in right. Coach Hearn has yet to start the same combination twice, with six outfielders sharing the opening assignments in the five previous contests.

Also due to see some action are infielders Johnny Colones, Johnny Pecora, and Johnny Hearn, picketmen Emmett Cheek, Tom Clayton, and Ott Evans, and backstop Jim Hayworth.

Possible starters for the Hawks are Moran and McConvery as battery mates, Piascik, Gibbs, Modica, and Freeze around the infield, and Mills, Klein, and Pollack on the outer patrol. The soldiers split their last two outings, downing the Greensboro Patriots, 5-4, Sunday, and losing to Elon College, 4-3, earlier in the week.

Northern Trip

The Tar Heels open their northern trip Thursday against Virginia, oppose Maryland Friday, and proceed to Annapolis Saturday to encounter the Mid-dies. Only the Maryland contest will be a Southern Conference clash.

State Nine to Play Deacons in Opener On Big Four Slate

Honor of prying off the lid of the Big Four, successor to the war-born Ration League, is in the hands of North Carolina State and the Wake Forest Deacons. These two entries open up the Big Four season tomorrow afternoon on the Wake Forest diamond.

The Deacons, returning to the baseball wars, replace the North Carolina Pre-Flight entry which was a member of the Ration loop for three seasons, coming through with the pennant in 1944, under the coaching of Glenn Killinger.

Wolf Pack Strong

The Wolfpack, coached this year by Vic Sorrell, former league pitching star, has never been able to make much of a splurge in the loop campaigns, being handicapped by green material almost every season. However, Coach Sorrell has some experienced performers on the 1946 squad and the 'Pack hopes to make its presence felt in this year's race.

Since the Deacons have not indulged in the diamond sport for several seasons, not too much is known of their strength, but Coach Murray Greason has not been conceding anything and tomorrow's inaugural will give the fans a better basis for rating the Deacons than they have had heretofore.

Laboratory in a Birch Thicket

This thicket of birch trees is one of the Bell System's scientific workshops.

Here our scientists have strung telephone wires through the crowded branches to learn just how much treerubbing and abuse the protective coverings and insulation on new types of wire will stand.

Important? With more than fifteen million insulated "drop wires" connecting home and business telephones to nearby poles, we've got to be sure that the wire we use is the very best that can be produced.

This is but one small example of hundreds of experiments and research projects carried on constantly by Bell Laboratories to make Bell Telephone Service more dependable, more useful, to more people.
