Nurses Evacuate Tanner House; Move To Infirmary Quarters

Infirmary nurses who formerly lived in the small house behind Swain Hall have moved to their new quarters in the infirmary on Pittsboro Road and the house is being turned back to its owner, Kenneth Tanner of Spindale.

Tanner built the house about 10 years ago as an educational experiment, renting it to five students each year—a freshman, a sophomore, a junior, a senior and a graduate student. Purpose of this was to ascertain the advantages of students of all ages living together.

The war broke up the project, and Tanner turned the house over to the University, which then used it as headquarters of the C.V.T.C. program. When this was disbanded, the infirmary nurses took over the house.

Gregory Stars Afield

Griffeth pitched well, but he wasn't able to match the effectiveness of Whiteheart yesterday. Cleetwood and Hayworth paced the Carolina hitters with two timely singles apiece. The defensive play of both teams was spotty, but Gregory played a great game afield for the victors, making several fine pickups of bad throws.
