Rail Embargo To Be Lifted By Tomorrow

Rail Passenger Cut Will Remain In Effect

Washington, May 11—Director J. Monroe Johnson has suspended the rail freight embargo—the most drastic peacetime restriction to be imposed on the nation—as of midnight tomorrow. The embargo which became effective yesterday, banned freight shipments except for essential items such as perishable foods, coal and coke on all coal-burning railroads. Johnson also has suspended an order which would have further reduced rail passenger service starting Wednesday. However, the 25 per cent cut in passenger service which went into effect May 10 will remain until further notice. Another cancelled order is the restriction on express shipments and Johnson has messaged the postoffice department that it can remove restrictions on parcel post.

The removal of the embargo has led the General Motors Company and the Republic Steel Corporation to cancel plans for a shutdown of their plants.

Dimouts, Coal Cut Asked To Be Continued

Washington, May 11—The Civilian Production Administration has telegraphed State Governors to continue the dimouts and other coal conservation measures ordered by the CPA. Earlier, CPA Administrator Small warned that his orders probably would hold until "the emergency is over."

Strike Settlement Asked Before Truce Expires

Washington, May 11—The government is pressing coal miners and operators for a permanent settlement of their dispute before their two-week truce period is over. Mr. Truman and his agents have asked the coal negotiators to work morning, noon, and night until a settlement is reached.

Los Angeles Mediators In Hopeless Deadlock

Los Angeles, May 11—A 20-hour meeting of negotiators who are trying to settle the eight day Los Angeles transit has ended and still no agreement has been reached. The union delegation reports that the negotiations are hopelessly bogged down.

Iran-Azerbaijan Talks Reported Collapsed

Tehran, May 11—Negotiations between Iran's Premier Ghavam and Azerbaijan leaders are reported to have collapsed. Tehran sources fear the deadlock may lead to civil war.

Truman Calls Education Atomic Bomb Defense

New York, May 11—President Truman is pinning his hopes on what he calls at least one defense against the Atomic Bomb. That defense, he says, is education. It lies in mastering the science of human relationships all over the world. It is the defense of tolerance and of understanding—of intelligence and thoughtfulness. And that, he adds, is the task which confronts education today.

Legislature Service

Now in the School of Commerce, Charlie Donnell has served in the student legislature for the past year on the elections committee and the finance committee. He is known on the campus for his work on the track team in the 440 and 220 yard dashes, and was recently elected president of the Sigma Chi pledge class.

With three years service in the Air Corps behind him, he was pilot of a B-29 crew and was released from service last year with two thousand flying hours to his credit.

At Junior College

At Palm Beach Junior College he was both president and vice-president of the student body, guard on the basketball team, and member of the Glee Club.

In Palm Beach High School he was vice-president of the student senate, outstanding member of the track squad, president of the debating society, and on the staff of several publications.

The Men's Glee Club will give its spring concert on Thursday May 16 at 8:30 in Hill Hall.

Band Will Play This Afternoon

Slocum to Conduct In Forest Theater

The University Concert Band will present the second of the series of outdoor concerts this afternoon. Conducting the band this week will be Earl Slocum, professor of music in the Music Department and regular conductor of the University Symphony Orchestra and Concert Band. The program will be held in the Forest Theatre and begin promptly at 4:30 p.m. The band will play a program of widely varied selections. Morton Gould, who was guest conductor with the Long Island Arts Festival in Hempstead, N. Y., last weekend, is the composer of American Symphonette No. 2, the first movement of which the band will perform at this concert. The second movement of Ernest Williams' Symphony in C Minor, the third movement from the "Water Music" suite of G. F. Handel, and Maurice Arnold's "American Plantation Dances" will complete the more serious side of the program.

Lighter Numbers

The lighter selections will include the South American flavor of "Argentina," the modern arrangement of the Russian folk-song "Dark Eyes" and, as a climax to the program, a special arrangement of Hoagy Carmichael's ever popular "Star Dust" featuring a saxophone quintet.

The military flavor of the band will be preserved with "The

YMCA Officers To Be Inaugurated

The YMCA will hold its annual installment service at the Presbyterian Church tomorrow evening at 7:30 p.m. A symbolic program has been arranged for the installment of the newly elected officers and the YMCA Board.

Those officers to be installed are Don Broad president, Bill McClammy, vice-president, Walt Stuart, treasurer, and Larry Berry, secretary. The YMCA Board consists of three year members, Dr. E. L. Mackie, Chairman, Fred Weaver, and Helmut Kuhn; Two year members, J. C. Herpin, Nelle Morton, and Paul Brown; and one year members; Charles M. Jones and Albert Coates.

The re-vote was necessitated when the legislature reversed itself Thursday night and decided that the 118 Marine and ROTC votes thrown out for lack of a checkoff list warranted another vote. Their decision was prompted by Dean of Students Ernest Mackie who told them that it was "unlikely that the administration and trustees would look favorably upon a document passed under such a cloud."

New Polls Provided

A more adequate polling system will be employed in this election with polls being set up in the women's dorms, upper and lower quads, and at the Y. Polls in the women's dorms will be open from 9 until 12 o'clock tomorrow and from 12 noon until 3 p.m. on Tuesday. Polls in the upper and lower quadrangles will be open from 12 until 2 p. m. tomorrow and from 5 until 7 p. m. Tuesday. The poll at the Y will be open from 9 until 5 o'clock both days.

Strict Supervision

A strict monitor system provided by the student council will supervise the voting and no electioneering will be allowed within 50 feet of the polls, elections committee chairman Fred Bauder said yesterday. The color of the ballots has been changed and names will be checked off in the student directory.

In case the constitution is passed, the general campus elections to be held a week from Tuesday will be held under its provisions even though the document will need approval from administration and trustees before it becomes official.

Patty Harry Is Revealed May Queen

Bright skies, barking dogs, a bleating lamb, and riotous spring colors formed a harmonious background for Carolina's first May Day Pageant since 1942, yesterday afternoon in the Forest Theatre, when beautiful Patty Harry, senior coed from Miami, Florida, was crowned Queen of May, by President Frank P. Graham, to reign over the beautiful and impressive ceremonies of the affair.

Presented by the Pan Hellenic Council and the Carolina Independent Coed Association, highlight of the pageant was the procession of the queen, her two maids of honor, and 11 court attendants to the throne from the back of the open air amphitheatre.

Queen and Court

Participants in the march, all of whose identities were kept secret until the procession began were: Queen Patty Harry, wearing a white satin bride's dress; Maids of Honor, Elaine Bates and Ann Geoghegan, dressed in white organdy gowns; eleven attendants dressed in light blue organdy with ruffles, including Jenny Freeman, Jane Isenhour, Bunny Flowers, Tish Andrews, Linda Williams, Carolyn Rich, Phyllis Gainey, Beezie Russell, Betty Strickland, Ruth Hancock, and Ann Farr. Gardenias and multicolored spring flowers were carried by all.

Glee Club Sings

More than 55 voices of the Women's Glee Club opened the program with appropriate festival songs followed by the pageant, written by members of the Chi Delta Phi literary society, which opened with a scene of Rip Van Winkle with his dog, in his Catskill village, and Rip's dream of chasing the Spirit of May.

Through his dream, characters such as The Reluctant Dragon, Snow White and Prince Charming, the Three Dwarfs, Dopey, Doc, and Bashful, Little Bo Peep and one of her black-nosed lambs, Humpty-Dumpty, Bugs Bunny,

UVA President 4th Nominee For Top Post

Candidate Prominent In Campus Activities

By Darley Lochner

Blount Stewart, president of the University Veterans Association, announced yesterday that he would be a candidate for president of the student body on an independent ticket.

Stewart is a past speaker prominent to the Phi Assembly and former vice-president, chairman of the board of governors and secretary of the University Veterans Association. Last fall he was a candidate for secretary-treasurer of the student body. Stewart holds membership in the Episcopal Student Vestry, Phi Mu Alpha, Chi Phi fraternity and the Men's Glee Club.

In announcing his candidacy Stewart stated, "I wish to make clear that this is no sudden, fly-by-night haphazard decision. I am a member of no party on the campus nor have I ever been. However, I believe that veterans should take an active and intelligent part in their student government. With 2700 veterans on the campus I feel that there should be one, party or not party, who should offer his name as a candidate for such a high and responsible office."

"After carefully studying the constitution recently offered the student body for ratification, I supported and voted for its acceptance. When making other decisions which I deemed important, such as voting for Charlie Vance and Ed Emack last November to represent me in student government, I have always tried to be fair and honest. As to my intention and platform, I am working on them and will issue a statement when it is ready."
