Rail Walkout Is Postponed For Five Days

Unions Acquiesce At Truman's Request

Cleveland, May 18—The rail strike has been called off. Temporarily. The brotherhoods of railroad trainmen and engineers have announced that the strike scheduled for 4 p.m. (EST) has been postponed for five days. The presidents of the unions, Alvanley Johnston and A. F. Whitney, say they are acting at the request of President Truman. The two union heads had been in conference with the White House by telephone all afternoon.

Just two minutes before the scheduled walkout of rail engineers and trainmen, President Truman also announced the rail strike postponement. In an unscheduled press conference, he said the strike has been called off until May 23rd. Mr. Truman said the presidents of the two rail brotherhoods will fly to Washington tomorrow to resume negotiations with railroad management officials. He said he hoped an agreement would be reached which would turn the postponement into a permanent settlement.

The postponement of the rail strike has come too late to prevent some disruption of train schedules. However, all cancellations announced by major railroads shortly before the strike deadline have been lifted. It's certain that trains will be rolling normally again in a few hours.

The government had hoped for a last-minute break but had not counted on it. Plans had been made to mobilize all available trucks and planes to keep essential shipments going. The Post Office Department was ready to send all first class mail by air. The Army had advised the railroads to inform it promptly if they needed troops to prevent interference with trains manned by nonstrikers.

'Truce' Mined Coal Must Have Rail Cars

Washington, May 18—A continuation of the railroad dispute would have meant a shut down of the soft coal miners—truce or no truce. The solid fuels administration says there are no facilities for ground storage at the pits. Production depends on the regular steady movement of coal cars into and out of the mines.

John L. Lewis May Call Session of Union Group

Washington, May 18—Some sources believe that John L. Lewis may call his 250-man policy committee into session next week to decide on the mine union's course of action after the soft coal truce. However, UMW officials have indicated that no meeting is scheduled at this time.

Secretary Byrnes Gives Full Report to Truman

Washington, May 18—President Truman will fly to Missouri tomorrow to receive an honorary degree from William Jewell College at Liberty, Missouri, on Monday. Mr. Truman is expected back in the White House Monday evening.

New Zeta Beta Tau officers elected recently are: Charlie Weill, president; John Godchaux, vice-president; Art Aronson, secretary; Allen Kaufman, treasurer.

Woestendiek Gets Backing Of DTH Staff

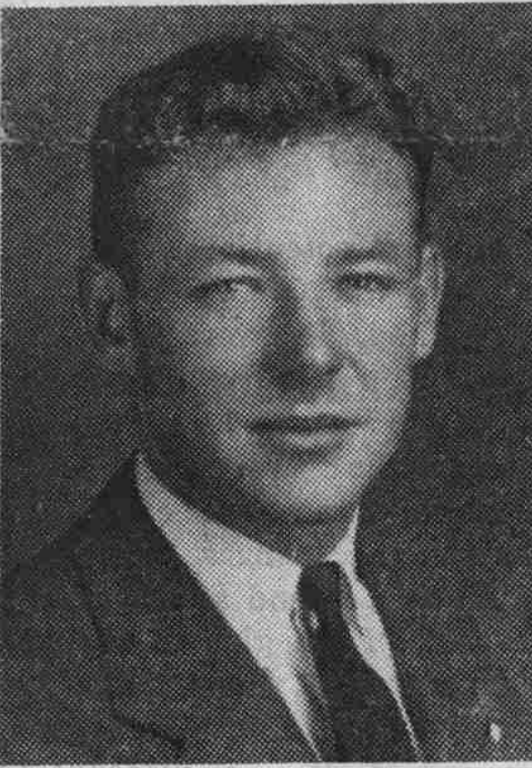

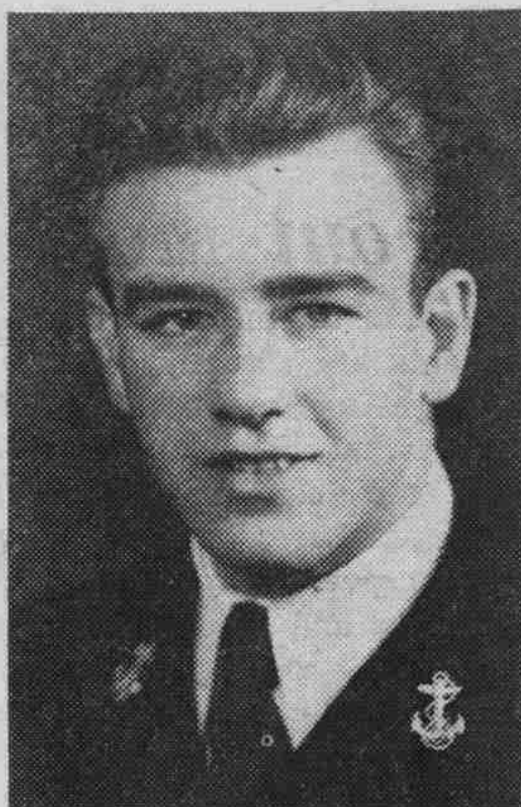

A staff poll conducted by members of the Daily Tar Heel staff yesterday indicated an overwhelming support of Bill Woestendiek as the outstanding candidate for the post of next editor of the Daily Tar Heel. Of the 30 members of the staff who cast their votes, 20 were in favor of Woestendiek for the position, nine for Gene Aenchenbacher, one for Carroll Poplin, and no votes were cast for the other two candidates, Bill Johnson, and Bob Morrison.

Morrison Refused

Taking of the poll came after editor Bob Morrison refused to allow a staff nomination meeting as has always been customary in the past. Morrison stated that he would not allow the staff nomination because "If I conducted it, I would certainly win it because I could include as staff members anyone I wanted." Morrison also declined to allow the nomination to be conducted by an impartial observer.

Staff on Masthead

The 30 members of the regular staff who voted in the poll included members of the news, sports, and editorial departments, and were ones whose names appear in the Daily Tar Heel masthead. Three staff members were out of town and two other members, Manny Margolis, and Dick Koral could not be reached.

Pictured above (top) are Jack Zimmerman, nominee for President of the CAA, and De Van Barbour, nominee for head cheerleader, both of the University Party.

Below are Student Party nominees Charlie Donnell and Johnny Jones, candidate for Vice-President and Secretary-Treasurer of the Student Body, respectively.
