

Filling In

Lou Hayworth Now Playing Pro Baseball

Last issue it was Jim Hayworth who made the feature news in this column. This week his older brother Lou gets the spotlight.

Lou played freshman baseball and basketball at Carolina in 1941 after registering an outstanding record in the two sports while at High Point high school. He made the varsity here in '42 and '43, playing guard on the cage squad and alternating between third base and shortstop on Coach Bunn Hearn's baseball team. He was considered one of the top Carolina players back then.

He was in the Marines for awhile at Carolina, and later received his commission. He signed up to play professional baseball and was set to play in the Piedmont league for Roanoke when he got out. He was with the Roanoke outfit awhile this season, but only this week he moved over to the Charlotte Hornets of the Tri-State league when that club started juggling its lineup. If Hayworth plays as well for the Hornets as he did for Carolina, the Queen City populace might wake up some morning to find the Bees on top of the Tri-State circuit.

High Point's beautiful municipal pool, one of the South's largest outdoor pools, will be the scene of the Carolinas A.A.U. swimming championships July 26 and 27. Coach Ralph Casey plans to take a crew of Carolina swimmers to compete for the laurels. In the past Carolina swim teams have done all right in High Point meets. Last season William Casey's team brought home the bacon from High Point, capturing the most points in the contest.

The dust had hardly settled from Combs' big fall in last week's fight before talk started of Louis' next fight. Louis himself said that he would probably fight in September, and the fight would probably be with Tami Mauriello. Mike Jacobs is eager to get Madison Square Garden revived as the scene of big-time boxing. He is even more anxious to get the big fights back. If Louis does get matched with Mauriello for a September fight the citizenry should be knowing about it by Monday of next week. Both fighters will want all the time they can get hold of to train. The Brown Bomber might not need it, but he believes in keeping in shape. Mauriello should have twice as much time, and then it is doubtful whether he would be ready. One thing is sure though, Uncle Mike will have to come down from the \$100 ducat price if he expects to get any sort of attendance.

The fact that the Duke-Carolina game is a near sell-out brings to mind ill memories of last year's contest when some 2,000 Carolina students had to find seats as best

Old Stacy, Sigma Chi's, Pharoahs Lead in Loop

Dorm Leaders Pace Intramural Standings By Outslugging Trailer Camp Team 14-7

Old Stacy outslugged the Trailer Camp to a 14-7 victory Thursday for its fifth straight win to hold on to its lead in the Red League of the intramural softball loop, as the mural schedule got into full swing this week. The Sigma Chi's and Pharoahs are setting the pace in the Blue league with four victories and no losses.

The standings follow:

Table with columns for League (Grad, White, Red, Blue, Green), Team, Won, Lost. Lists various teams like Old West 21, Trailer Camp 14, Wall and Mashburn, etc.

they could. A very poor system, if there was any at all, was employed at Duke stadium last year. Of course it means more money to sell the same seats two or three times, but the students should be given a chance at least to buy a seat. We sincerely hope that Carolina doesn't have a repeat performance of the mess Duke had last season.

Kenan Cavalcade

Writer Sees Constellation of Stars Ready To Shine on Carolina's Gridiron Next Fall

By Tom Eller Some of the nocturnal visitors to Kenan Stadium who find it no easy task to remember the nomenclature and mythology concerned with the stars after so long an absence might try murmuring about a different sort of luminary—the type that will be shining there in daylight when the football season rolls around. And what little coed wouldn't like to hear tales about men like "Danny Boy" Logue, handsome quarter-back who is a personal friend of Felix "Doc" Blanchard and who blocks like a Sherman tank hitting a hedgerow? Danny came here in 1942 from the Notre Dame Frosh and had to beat the tar out of the varsity in scrimmage for a whole season while he "out-lived" his ineligibility. She'll see him next fall—your little girl—and she will love him.

like Joe Wright, slashing interference leader, Jack Fitch, halfback here in 1943, and a line backer-upper deserving note is Walt Pupa. Then there is Hosea Rogers, slated to arrive here in July, who is considered by many to be as good as Blanchard himself.

Just in case you are one of those poor unfortunates who draw an iceberg instead of an astronomer for a companion on this particular night, use a description of the big line for the persuader. If it won't take the breath right out of her, there's only one thing left to do—send her to Duke.

After you have covered the power division thoroughly, move on to the speed merchants. If she has gotten out of the first grade in sports you won't have to tell her about Charlie "Choo-Choo" Justice, so don't risk sending her into hysterics. Tell her about Billy Britt, the boy that even Glenn Davis would have trouble catchin'. There's another Billy with eligibility waiting to be spent, too. That one is Billy Myers.

Big and Rough

Mention Don "Preacher" Clements and rapid-fire passing; Alex Fearing and more passing. Just to insure her undivided attention, mention Jim Camp and Bob Kennedy in the same breath with broken-field-running. And, too, if "Shot" Cox gets here, compe-

The forward wall is big and rough and there is plenty of it. From one end to the other it's chocked full of All-American family names—names like Ryark, Yovicsin, Fowl, Pritchard, Highsmith, Tandy, etc. To bolster such boys as that there is Jarrell, who turned down a contract with the Pittsburgh Steelers to come South for a while. Paul "Cyclops" Plunkett is around just to see that the Richmond Academy of Georgia is not neglected when monogram time comes. There's a hope chest in this department, also; reach into it and you are apt to come out with Hazelwood and Ralph Strayhorn. Armfuls, aren't they?

Varsity Swimmers Practice Daily For Summer Schedule

Proctor, Morrow Head Star List

Carolina's Blue Dolphins will wind up their pre-season workouts with intrasquad meets next week and a final workout on July 11 before beginning their summer swimming schedule.

The summer swimming team, coached by Dick Jamerson and Ralph Casey, is not an official varsity team sponsored by the University, but is composed of a number of swimmers from the winter team.

The team is composed of 23 candidates, with five holdovers from the winter team and the remainder of the candidates composed of freshmen and transfer students.

Several promising swimmers are working out, and the coaches expect a well-rounded team when the season opens on July 13. Snookey Proctor, four year letterman, and Carolina's AAU Open-Outdoor Champion in the 1500, 800, and 400 meter free style, will be one of the men to watch. Proctor holds the Southern Conference record in the 440.

The meets scheduled to date include the following: July 13—Open AAU Meet—here. July 26-27—Carolina's AAU Championship Meet—High Point. August 3-4—Open Invitational Meet—Wilson. August 10-11—Women's Southern Meet—Atlanta, Georgia. August 23-24—Men's Southern Championship—here.

Mike Morrow, record holder in the Southern Conference 100 meter event is another leader on the Blue Dolphin team. Morrow has a National Championship in the 100 meter event.

Leroy Little, who was a member of several relay teams last summer, will be around during the summer. Little originally swam here at Carolina in 1943.

Two divers from last season's team will represent Carolina in those events this summer. Mack Earl, who was a

diver here in 1941 and 1942, has been showing consistent form in pre-season workouts.

Dick Swigart, who was formerly at Carolina with the Navy Pre-Flight unit, is expected to pick up a number of points for the Dolphins this summer via the diving board.

A REGULAR meeting of University Lodge No. 408, AF&AM, will be held on Monday, July 1, 1946 25-Year Certificates

Cavaliers Lose Game To Henderson All-Stars

The Carolina Cavaliers, Grad No. 1, a team in intramural competition dropped a thriller to the Henderson All-Stars in Henderson this week 0-1.

The contest ran for ten innings. Taylor Thorne and Pete Arnaiz shared the mound duty for the local team while Henderson's Carlisle went all the way, fanning 21 Cavalier batsmen.

A return match is to be made between the two teams.

Campus Swimming, Boxing Show Set

The Athletic Association will sponsor a campus swimming meet on July 11. The event will include any contestant from the student body who desires to enter the contests. Also to be included on the program will be a boxing show, with some outside boxers to be brought in to round out the meet.

People Some roll around like a ball and get bounced; some are like chandeliers and get lit every night; some are like plumbers and get around all the joints; some are like a tree and get trimmed; most are like a patrol wagon and do in a pinch.

Keep off the grass!
