

Coach Snavelly Launches Football Drills Friday

Proctor, Kenney Star In AAU Meet

Carolina's two representatives on the Carolina Association team, Snooky Proctor of Rocky Mount and Frances Kenney of Raleigh, showed their championship form at the AAU Southeastern regional swimming meet at Atlanta Sunday as they took four first places between them to lead the district team to the championship.

Miss Kenney outswam Reba Kenney of the southeastern Association to take a first place in the 400 meter event in 6:09.4. Previously she had taken the National Junior 800-meter title.

Going into the 300 individual medley, Miss Kenney continued to sweep the field by moving ahead of Evelyn Barbee, Reba Kenney, and Barbara Killgore to take the event in 5:08.8.

Snooky Proctor, after swimming neck and neck with Johnny Hiles for 12 of the 30 laps in the 1500 meter freestyle, pulled into the lead and took the event in 22:31.4. This event was the men's National Junior championship.

The Tar Heel district team walked off with an easy victory in the two days of competition, capturing several individual medals, the team trophy, a national championship and the individual trophy for high scorer, which was chalked up by Evelyn Barbee of Goldsboro.

Tar Heel Coach Expresses Pessimism Over '46 Hopes

Two Practice Sessions Per Day Will Be Held During Vacation

It will be round-up time in Kenan stadium Friday afternoon when Head Coach Carl Snavelly begins football drills for 1946 Carolina gridiron battles. The initial drills will begin at 3 o'clock Friday afternoon with a general look-see by the coaches of the material on hand as the feature. After the end of the term during the vacation, practice sessions will be held twice daily, one at 10 o'clock in the morning and the other at 4 o'clock in the afternoon.

Assisting Snavelly in the pre-season drills will be his immediate assistants, Max Reed and Russ Murphy, both coming to Carolina from Cornell last season with Snavelly; Jim Gill, end coach under Tom Young and Gene McEver; and Crowell Little, formerly with Snavelly before entering the service. The prospects for the 1946 campaign appear brighter in many respects than the 1945 season which was split with five wins and five defeats, but Coach Snavelly thinks that it will be 1947 before the Tar Heels reach full strength.

Looks to 1947

"It might be said that this is a season of great uncertainties," the Carolina coach said. He pointed out that there was some consolation in the fact that there would be at least a nucleus of players who had performed last season upon which to build the 1946 squad.

Coach Snavelly is not too optimistic about the holdovers from the 1945 squad. "We have only one all-season regular returning from last fall, plus about five boys who started one or more games. And this is counting one or two doubtfuls," Snavelly said.

Though Snavelly is hesitant about making predictions for the coming football year at Carolina, he makes no bones about designating 1947 as the season for the most noticeable improvement in Carolina gridiron escapades.

The Tar Heel mentor said that it would take some time to get some of the boys who played at Carolina before the war coordinated into a workable team, and he failed to make any comments about any potential Tar Heel triple threats. The Silver Fox is inclined to wait until practice sessions reveal extraordinary talent before he will make comments as to individual prospectives.

Coach Snavelly expects an improved squad this year, but he warns that the opposition will be much tougher this year than last.

Before many days pass those who are out for football will be exposed to the standard formation of attack employed by Snavelly, the single wing. Though Snavelly has expressed interest in the tricky "T" spread, he said that he will hold that in reserve and stick by the single-wing.

Tar Heel drills will hold forth for about five weeks before the opening contest with VPI here in Chapel Hill September 26.

Swimming Meet Set Here Friday

Kissing pool will be the scene of the first annual men's Southern Regional AAU and Open Swimming Championship when an expected group of 200 aquatic stars convene here Friday and Saturday, August 23-24. Head Coach Dick Jamerson of the University of North Carolina's Blue Dolphins announced today.

Sponsored by the University Athletic Association and held under the auspices of the Carolina AAU, the two day meet will draw competition from several Southern states in twelve championship events and 14 open divisions. Boys and girls junior events are open to contestants 15 years and under.

Star-Studded

Already entered in the open divisions are a number of well known stars including Evelyn Barbee of Goldsboro, who was individual high scorer in the Atlanta meet; Frances Kenney of Raleigh who captured the National Junior Women's 800-meter free-style at Atlanta; and a host of local talent. Reba Morton of Louisville Kentucky, conceded to be one of the outstanding women breast-stroke artists in the South is expected.

Close competition will come in the men's free-style, which will pit Carolina's Snooky Proctor, a national junior 1500 meter free style champion, against some well bred talent such as Atlanta's Johnny Hiles. Co-Captain Mike Morrow of the University's tankmen, will be a strong contender in the 200-yard breast stroke division.

Coach Jamerson indicated that teams from the Goldsboro, Tarboro and Atlanta swimming associations would enter swimmers in the event.
