## NEWS BRIEFS

### CIO To Purge Communists

#### Union Leaders Blame Difficulties on Reds

Washington, Nov. 7 — (UP)—A high CIO source says the CIO is preparing an anti-Communist drive within its own ranks before the 1948 presidential campaign; proposals to muzzle or drive the communists from CIO unions reportedly are being drafted for adoption at the CIO National Convention, 10 days away. President Philip Murray and other CIO leaders, according to the CIO informant feel that most of their embarrassment and difficulties have arisen in communist-dominated city and regional industrial union councils.

### Truman Resignation Termed Fantastic

Lexington, Ky., Nov. 7—(UP)—A man should resign. The Lexington Kentucky paper says tonight it will take a poll on whether President Truman has mailed postcards to five per cent of the registered voters of Fayette County asking them whether or not they believe Mr. Truman should step down from the presidency in favor of a Republican successor. The paper says the results should be in by late next week. The White House has remained silent on the proposals that Mr. Truman resign, but sources close to the presidency say the idea is "fantastic" and that Mr. Truman has no intention of resigning. When Republican Leader Robert Taft was asked about the proposal today, he smiled and said:—"The suggestion has some merit, but I feel we should leave the solution of that problem to the Democrats themselves."

### Molotov in Washington To Celebrate Revolution

Washington, Nov. 7—(UP)—Soviet Foreign Minister Molotov—who is in Washington to help celebrate the 29th anniversary of the Russian Revolution—paid a courtesy visit to President Truman in the White House this afternoon. White House Press Secretary Ross says that the President and the Russian diplomat didn't get into any weighty discussion of international affairs—that they just exchanged a few courteous remarks. Mister Truman has cabled anniversary congratulations to Moscow. Molotov is attending a reception in the Russian embassy tonight honoring the Revolution.

### Dreamboat Sets Record From Seattle to Miami

Miami, Nov. 7—(UP)—The far-flying Pacusan Dreamboat landed in Miami today after a non-stop flight from Seattle—the first such trip between the two cities. The Seattle-Miami hop—a distance of 2765 miles—is the longest straight line route possible in the United States. The Dreamboat made the distance in eight hours and 34 minutes.

### Designer Ridicules Idea Of Pushbutton Warfare

New York, Nov. 7—(UP)—One of the country's top designers of futuristic aircraft has poo-pooed the possibility of "push-button" warfare in the near future. John Northrop, builder of the "Flying Wing" and the Ram pursuit ship, says the U. S. "has no effective long range guided missiles and is only in the preliminary development stage of short-range ones. It will be two to five years," says Northrop, "before we have guided missiles worthy of the name." The real work of any war within the next decade, Northrop feels, will fall to bombers now built or being built.

### Hannegan Gets Blame For Democratic Fizzle

St. Louis, Mo., Nov. 7—(UP)—Blame for the Democratic failure in the elections was placed on Democratic National Chairman Robert Hannegan tonight by Representative Roger Slaughter of Missouri—"purged" in the recent Missouri primaries. Slaughter says Hannegan should resign as Democratic National Chairman.

## Student Party Votes To Petition General Assembly

### McAuliffe Will Speak At Armistice Day Celebration

#### All Classes Stop At 10:40 o'Clock Monday Morning

By Ed Joyner  
Major General Anthony C. McAuliffe, USA, the man who made the famous retort of "Nuts" to the Germans when asked if he were ready to surrender at Bastogne, will deliver the Armistice day address in Memorial hall at 10:50 o'clock Monday morning, November 11.

Classes will be dismissed at 10:40 and there will be no twelve o'clock classes so that all students may hear the address.

General McAuliffe's appearance here and the Armistice day program are being sponsored by the University Veterans Association, headed by Jim Chesnut, and the Chapel Hill Post of the American Legion.

Lee Will Introduce  
Major General William C. Lee, USA, retired, a native of Dunn and an alumnus of the University, who, along with McAuliffe commanded airborne troops in the American Army, will introduce General McAuliffe.

Following the program which will last less than an hour, there will be a luncheon in General McAuliffe's honor at the Carolina Inn. General Lee, members of the UVA advisory board, and other special guests will be in attendance.

In the airborne invasion of Holland he commanded the glider echelon and entered Holland by glider in September, 1944. In December of that year, in the absence of the Division Commander, he commanded the division and the attached troops in the defense of the key road center of Bastogne during the battle of the bulge.

### Grumman Suggests State Continue Overflow Centers

A recommendation that the 12 off-campus college centers now being operated for the overflow of congested North Carolina campuses be continued in 1947-48, with provision for establishment of more centers should the need arise, will be presented to the North Carolina College Conference in Greensboro on November 13 by Russell S. Grumman, director of the University Extension Division and secretary of the steering committee on veterans education.

The recommendation was approved along with two other resolutions by the steering committee at a recent meeting.

### 'Dogpatch Dispatch', Parade To Feature Sadie Hawkins Day

Keynote of the expected success of tomorrow's Sadie Hawkins day celebration is the cooperation between campus organizations that has produced the lavish preparations for the long-awaited event, Director Martha Rice of Graham Memorial said yesterday.

"I wish to thank everyone who has done anything on this day," declared Miss Rice. She described this year's celebration as an experiment to prove "just how effective inter-campus coordination can be."

Special Dogpatch Edition  
A special Chapel Hill edition of the Dogpatch Dispatch will reach the campus this afternoon. Produced by Roland Giduz, Barron Mills, Dave Owens, Bookie Jabine, and Bill Sexton of the DTH staff, under the general editorship of Old Man Mose, it is to be distributed by Daily Tar Heel carriers to vantage points about the campus at 4:30 o'clock.

The opening parade, to be led from the Y court at 3 p.m. tomorrow by Al Lynn and his Cornhuskers, will march to Emerson field. There the main activity of the day—the renowned

### Glee Club Will Broadcast from Hill Tonight

The Men's Glee club will broadcast over station WPTF tonight at 10:45 o'clock, from Hill Music hall. Students are welcome to the recital but must be seated in the hall by 10:15. During the concert absolute silence is required.

Selections on the program include: "Adoramus te, Christe" by Vincenzo Ruffo, choirmaster of the cathedrals of Verona and Milan, Italy during the 16th century; one of the masterpieces of American folk-art, "Tarantella," by Randall Thompson; the "Suabian Folk-Song" which was harmonized by Johannes Brahms; and an old English drinking song called "Down Among the Dead Men."

### Students Form Co-op Buying Club; To Get Groceries at Wholesale Prices

#### Seventy Students Join Organization

The "Co-op Buying Club," initiated by a group of campus veterans headed by Henry Saunders and Tom McDade, was informally organized last night when approximately 70 persons took "the first active step toward the establishment of a full-time co-op store in Chapel Hill."

At present, it will enable students enrolled in the University to place cash orders for the purchase of staple groceries, both canned and packaged. All orders taken by tomorrow will include food-stuffs needed by the purchasers until the end of the quarter. It was stated that beginning this January the organization will be enlarged to handle weekly deliveries.

As yet unincorporated, the Club will buy the groceries from wholesale stores in Durham at prices lower than and never to exceed the present retail rates in the local A&P store. The orders will be consolidated into case-lot groups and it was announced that the most reasonable prices in the wholesale range would be obtained for each item. This necessitates individual orders either by the case or by subdivision of a case.

For those interested in placing cash orders with the club, Saunders and McDade will be in the Y office today from 1:30 to 2 o'clock to make necessary arrangements. They will explain the details to any of those unable to attend the meeting last night.

### Stadium Seating Explained By Athletic Director Fetzer

Assuring students that the Athletic Association was at present doing its utmost to provide improved seating for University students at home football games, Athletic director R. A. Fetzer, speaking before the Di Senate Thursday evening, stated, "There is a movement now under way to enlarge the stadium, but alterations are impossible under present conditions."

Commenting on the present seating plan, whereby alumni get better seats than many students, he stated, "I personally feel alumni should have special privileges, and it is only fair that students share with them. If you do not feel this way now, you probably will when you are an alumnus."

Only 5,000 Predicted  
A partial explanation of the entire mix-up on the problem was given as he explained that last June the Athletic office was instructed that 5,000 students would be enrolled in school for the fall term. Accordingly 6,000 seats were set aside for student sections at all games, leaving a supposedly safe margin. However, with fall enrollment finally topping 6,800, the situation was thus further complicated.

For the Carolina-Duke game, to be played here November 23, all seats in the student section will be renumbered to permit one additional person per row, through shortening space for each seat by one inch.

In reply to a query concerning the possibility of placing all alumni on the opposite side of the field from the student section, to enable 20 to 20 yard-line seating for students, Fetzer replied that such a plan has not yet been considered, but that it might be in the future.

### Seniors Elect Dotson Palmer To Presidency in Close Race

#### Veteran Student Body Officer Defeats Charlie Tietjen by Margin of One Vote

Dotson Palmer, Sigma Chi president, defeated Charlie Tietjen yesterday afternoon. Palmer received 93 votes to 92 for Tietjen. Other officers are Judy Swain, vice president, Janet Johnston, secretary and Bill Halsey, treasurer.

Has Held Many Offices  
Palmer, a veteran of the Marines, was president of the sophomore class of 1942. He was junior representative to student council in 1943, candidate for student body president in the spring of 1943, Who's Who In American Colleges and Universities in 1943 and '44 and a member of the Freshman boxing and football teams during his first year at Carolina.

Other men in the presidential race were Charlie Donnell, Bill Storey, Omar Bradley and Dick Seaver. Nancy Saunders was runner up in the vice presidential contest. Other nominees were Elizabeth Eady, Jo Farris and Mac Cushman.

Secretary Runners-Up  
Margaret Whitney received the second highest number of votes for secretary. Virginia Gaston, Nancy Laird and Flo Ann Roberts were also nominated.

Halsey defeated Walter Stuart, Bob Heinz and J. B. Heyward in the race for treasurer.

### Campaign Seeks Dormitory Funds, Salary Increases

By Darley Lochner  
Student Party members voted unanimously yesterday afternoon to petition the General Assembly of the State of North Carolina, meeting in January, for the payment of bonded indebtedness on Lenoir Hall, the appropriation of funds to conclude the payment of promissory notes on the new dormitories, and a thirty per cent increase in faculty salaries.

Party chairman Chuck Heath said yesterday that the entire student body would be given an opportunity to sign the petition. A campaign for signatures, sponsored by the Student Party, will begin next Wednesday.

"We hope to have at least 3500 students sign this praiseworthy petition," Heath stated. He explained that food prices in Lenoir Hall would be decreased when the profits would no longer be used to pay the mortgage on the building. The same principle applies to the new dormitories now being constructed.

"Salary increases for teachers will help the University to keep outstanding men here, narrow the difference between salaries paid to faculty members at the University and men of equal qualifications at other schools and keep those men at the University who are necessary if we are to retain our high academic standard," Heath stated.

Washburn Chosen Secretary  
Bettie Washburn was elected Student Party secretary replacing Betty Ann Green, who resigned because of other duties.

Jack Booraem, Bettie Washburn, Baron Mintz, Peggy Rankin and Johnny Jones were appointed to a temporary steering committee to consider candidates for coming elections by Chairman Heath. This group will serve only until other men are selected by the party itself in regular election.

### Room Applications Must Be Renewed

It is urgent that the students listed here come by the housing office, 207 South building, to advise whether or not they wish to renew their application for a dormitory room during the January term. These students were:

Gerald Amundson, Frank B. Ashcraft Jr., Harry A. Billerbeck, Hubert C. Brown, Alvin C. Bush, F. E. Canfield, Jerome K. Darden Jr., Danell E. Daum, Dave Engel Jr., Dennis V. Gentry Jr., Edward A. Goodman Jr., Lawrence L. Hooper, Edgar D. Hoyle, Courtney A. Huntley, Robert Johnson, Arthur Jones and Nelson B. Jump.

Jack V. Laughlin, Herbert W. Lee, Charles K. McDermut Jr., Fairfax T. Mackerman, Webster S. Medlin, Donald H. Nelson, Paul Ramsey Jr., Robert B. Seligman, Walter R. Talley, William L. Thigpen, Fred G. Tucker Jr., Billy B. Zeigler, Daniel H. Zimmerman, William S. Bradshaw, William H. Coulter, Daniel J. Duffee Jr., Sam E. Fowler, George Mack and James H. Renn.

### Weather Today

North Carolina — Cloudy with showers tonight. Friday clear to partly cloudy except cloudy with showers over east portion in forenoon. Continued mild.

### Notice to All Students

By enactment of the student legislature of UNC, it is my duty as its presiding officer to appoint a representative committee to be charged with the responsibility of sending letters to institutions of North Carolina, requesting from each a representative, (preferably, all presidents of the invited schools) who shall meet with the president of the student body of UNC to discuss the possibilities of having a State Student Legislature Assembly. The President of UNC shall preside over the preliminary meeting in charge of deciding whether or not the state assembly shall meet.

If, at the planning committee meeting, it is decided to sponsor said assembly, the chairman of the legislature committee shall submit the proposed plan to the student legislature of UNC at which time it shall decide on the desirability of this institution sending an official delegation.

Appointed members of the legislative committee are Winkie Andrews, chairman, Larry Berry and Don Shropshire.

—Charles Warren,  
Student Body Vice-President
