The department's report reveals that bumper crops have reached harvest Burney, pianist, and Roger Duffie, under favorable, almost ideal conditions. There have been no crop-killing frosts in the big production areas -even to the north. As a result, the department has boosted its estimated corn production by more than four million bushels over its October estimate, making it the largest corn crop on record.

Quick Tax Reduction Seen by House Leader

Boston, Nov. 12-(UP)-The Republicans say tonight they intend not only to cut taxes, but to cut them in a hurry. Republican leader Joseph Martin of Massachusetts, who is slated to become the speaker of the GOP controlled House, says he believes a 20 per cent cut in personal income taxes will be passed and put into effect in the 1947 calendar year. The veteran congressman says the Republicans will act fast once Congress receives the President's budget message. That message usually comes in January.
