

Phantoms Face High-Flying Deacs At Wake Forest Tonight

SPORT SPINS

with

IRWIN SMALLWOOD

SOME OF THE SOUTH'S top collegiate runners will pause in Woollen gym March 1 for the fifth renewal of the Southern Invitational indoor games. That's assured already by the entry list that has hit a high of 17 colleges, from Florida to Virginia, to Southwestern and back again.

"From the entries already in, this promises to be the best indoor event we have had since the annual classic first got underway 18 years ago," opined Athletic Director Bob Fetzter yesterday afternoon as he viewed the final plans in his Woollen gym control center.

"To those who have already seen an indoor meet like this and liked it," continued Coach Bob, "it is a real classic, and to those who have never seen one, I would say don't miss it. It is an opportunity to see track events of the highest calibre in the South, and we should have several new records out of the tough competition promised."

The Invitational games were substituted for the conference indoor meet which was held for 13th consecutive years through 1942. However, the conference meet has not been reinstated again with the passing of the wartime era, mainly for the reason that by having an open event, better teams and individual runners can be entered. If and when the conference ever decides to have their indoor meet again, it will more than likely be incorporated in the annual Indoor Games here as one division.

Three more days remain for entries to be received, and among the schools still out who may come through are Navy, Catholic U. of Washington, and South Carolina. Already in the fold are such schools as Tennessee, Georgia Tech, Duke, Georgia, Virginia and Maryland.

It's something to plan for, this great indoor track classic, and it is a sports event that you will not soon forget!

THE FOX PREPARES TO "FOX" OPPONENTS

King Carl Snaveley's shift looks definitely out for the 1947 season, but the canny constructor of gridiron formations is busily working these hot and cold days to offset the loss of the maneuver that proved an asset more times than once during the 1946 campaign.

"I won't know for sure until I can read the rules more closely," was the word from the Silver Fox yesterday. "It is designed to do away with shifts like ours," he continued, "and I would say that it will mean the end of the Notre Dame maneuver also. However," Snaveley said, "I don't think it will hurt us very much."

Something like six or seven teams remain out for winter practice, and such new men in the fold as Al Bernot and Bill Smith make the outlook a little brighter. In addition to Ralph Strayhorn and Baxter Jarrell, fleet tailback Billy Myers will not be back for operations this fall. Also, Chuck Simmons and one or two others from last year may not be playing this season.

"I plan to end these winter practices in another week or two," concluded the Carolina grid czar in his chat. "It will depend on the weather during the next two or three days. I will begin my spring drills the first week of next quarter unless something happens to change present plans." Incidentally, summer practice will not be allowed this year for the first time in almost four years, and fall drills will probably not begin until the first week in September.

JUST SPORTS. A new member was added to the Daily Tar Heel sports staff yesterday. It all happened when a distinguished little cat sneaked into the office, jumped up on our desk and asked in her meowing manner "where is this guy who was talking about spring weather yesterday." Okay, we were wrong, but the little cat wanted to stay, and she agreed to tell all. To wit: Carolina needs a golf course of its own, a good one, that is. . . The Tar Heel boxing team has suffered untold damage since December. Charlie Lambeth will be unable to make the West Point trip, thus eliminating the sole remaining Sugar Bowl boxer from the team. What's the matter there? What happened to all the rest? . . . The Daily Tar, Heel failed to carry the Davidson story yesterday because it came in past the deadline. In fact, the game didn't get started until almost 9:30 in Charlotte.

Sports Highlights

(By United Press)

LES McMITCHELL, unbeaten king of the indoor milers in 1946, has announced that he'll compete in the 1000-yard run in Saturday's National AAU track meet in New York. McMitchell has won but one race in four starts this season. . . Twenty-eight race track fans went slightly "money-

happy" at Hialeah today when their daily double breadwinners came home to pay the phenomenal sum of over \$2,800—the largest payoff in the track's history. . . American League batting champion, MICKEY VERNON, has signed his 1947 contract with the Washington Senators. . . LYNN WALDORF, ex-Northwestern grid mentor, will sign a contract today with the California Golden Bears.

State Mermen Rated Strong

Three Tank Stars Nucleus of Outfit

Coach Willis Casey will bring one of the strongest swimming aggregations the South has ever seen to Woollen gym Saturday afternoon to meet Carolina's Blue Dolphins in the feature swimming attraction of the 1947 Southern conference swimming card.

The Red Terror team is built around three outstanding performers—Bill Kelly, Bill Ward and Bill Desperes. The big three of the State team have been knocking over loop swimming records all season and sports authorities expect the trio to provide plenty of fireworks against the Tar Heel mermen this weekend.

Kelly is one of the finest all-around swimmers in the nation. A former State student, he attended Carolina as a V-12 man in 1945 and was a top-notch performer for the Tar Heels. Kelly holds the Southern conference breaststroke record and is a member of the State medley and freestyle relay teams.

Ace Sprinter

Ward is also another former State student and Carolina V-12 athlete, where he starred as Casey's ace sprinter. He has tied or bettered the conference 50 and 100 records this year, besides being a vital member of the freestyle relay team.

Desperes, a newcomer, is a stand-out in the 220 and backstroke. His only defeat this season was to Johnny Hiles of Georgia in the 220. Desperes is rated a strong swimmer and will be favored in both the 220 and backstroke events here Saturday.

Supporting Swimmers

Supporting the Red Terror's "Terrific Trio" are Captain Reynolds and Gold in the sprints, Tinkey Hayward and Bill Cramer in the diving events, Bill Nufer in the backstroke and Ritchie in the breaststroke.

Locals Seek To Take Over Second Place In Loop Race

Hamilton, Paxton Expected To Pace Scottmen In Their Search For Ninth Conference Win

By Bob Goldwater

Fresh from their six and eight point victories over South Carolina and Davidson, the White Phantoms perform in their third tussle of the week tonight when they journey to Wake Forest for a return encounter with the Demon Deacons.

The Carolina cagers will be trying to take over undisputed possession of second place in the Southern conference, a position for which they are currently deadlocked with Duke with an 8-2 record. Possessors of a five-game loop winning streak, the Scottmen will be facing the quintet that dumped the league-leading State outfit, 44-39, last week. The Deacons, always hard to beat on their own court, are fighting for a tournament berth and need a triumph to come up from their eighth-place rating.

Same Starters

Never one to change starters amid streaks, Coach Tom Scott will open with the same five that has started every game since the victory skein began. This puts the team's two high scorers, Jim Hamilton and Bob Paxton, at forwards, Nemo Nearman at center, and Norm Kohler and Jim White at the guards. Johnny Dillon, improving of late, Taylor Thorne, Jim Hayworth and Dick Hartley will be the chief reserves. Hamilton, in the two contests at the start of the week, ran his circuit scoring up to 138 points to rank in a tie for fifth in the pointmaking parade.

Starters for Coach Murray Gresson are expected to be Jack Gentry, John O'Quinn, Doran Walters, Will Kaylor and Hank Lougee. Walters is right behind Hamilton in scoring with 137 points while Kaylor ranks 12th in the loop.

In the Tuesday clash against the Wildcats of Davidson, the Tar Heels, though hard pressed all the way, registered a 46-38 success with a late

Scoring Wizard

JIM HAMILTON

... among the leaders.

spurt providing the margin for victory. Leading by 20-18 at halftime, the Phantoms held a 10-point advantage at one time only to see Davidson whittle it down to three points. Two hooks by Dillon started the Scottmen back on the right road and they went on to capture their second win in two successive nights. Hamilton was high for Carolina with 14 markers.

Wrestlers, Boxers Prep For Contests

Carolina's wrestling and boxing teams continued heavy workouts yesterday afternoon in view of important clashes this weekend with Navy and Army respectively.

Coaches Mike Ronman of the boxing team and Chuck Quinlan of the wrestling team, are both up against the toughest foe of the season this Saturday, and both are prepping their lads strenuously for the bouts.

INTRAMURAL SCORE BOARD

Jayvees Down Bragg, 54-47

Locals Win 13th As Wagner Stars

By Gil McLeod

Fort Bragg, Feb. 19.—The Carolina jayvee quintet made it 13 in a row last night by downing the Cannoners of Fort Bragg, 54-47, in a game played in the main post gymnasium.

It was Cat Wagner who kept the Hayworthmen in the game as he hit for 14 points. Runner-up scoring honors went to Junie Bailey, who was also a star on defense.

The game reached the ten-minute mark with the clubs deadlocked at 16-16, but at this point the Tar Heels really started to find the mark from the outside and ran the lead up to 37-22 at the halftime.

It was a sluggish attempt at basketball by the juniors in the second half and they were outscored and outplayed all the way through the second period.

Box score:

Carolina (54)	Fort Bragg (47)
F—Wagner (14)	Berger (11)
F—Fitch (6)	Handlon (15)
C—Bailey (9)	McNaulty (4)
G—Swartzburg (7)	Lloyd
G—Nyimizic (8)	Hussey (9)
Reserves: UNC Weinstein (8), Curtis (2), Nathan.	
Fort Bragg: Bingly (4), Stein, Rosenber.

Do you believe in THRIFT?

"I'm a regular Scotsman for thrift. I never throw away anything that I can use again.

"Every year I salvage millions and millions of pounds of metal from what you might call junk.

"I collect all the old telephone equipment, wire and cable no longer useful to the Bell System . . . and all the machine scrap, turnings and rejected parts from the factories where I make Bell Telephone equipment.

"I turn this scrap metal into bars and billets of refined metals and alloys out of which I make new telephone equipment.

"I salvage rubber, textiles and paper, too . . . and anything I can't use again, I sell. Nothing is wasted.

"My thriftiness, as supply unit of the Bell System, is one reason why you get telephone service . . . the world's best . . . at the lowest possible cost.

"Remember my name. It's Western Electric."

Western Electric

A UNIT OF THE BELL SYSTEM SINCE 1882
