

Pledges Of Alpha Gamma Delta Honored In Winter Wonderland

Traditional Setting Is Used By Sorority To Entertain Pledges With Annual Dance

In a traditional setting of Winter Wonderland 23 Alpha Gamma Delta pledges were presented to the campus Saturday night in the ballroom of the Carolina Inn. Decorated with fir trees trim-

med with artificial snow, large mica-covered snowflakes and white balloons, the ballroom looked as if a snowstorm had just hit it. The pledges were presented in

front of a large blue screen which bore the Greek letters AGD in shining mica. Each pledge was presented with a nosegay of red carnations tied with gold ribbon and a gift. As each girl's name was announced by Mark Barker, she walked down the steps and was met by her date.

When all the pledges had been presented, they formed the Greek letters AGD in the center of the ballroom. The figure ended with Dick Smith singing the Rose Song. As the song ended, the balloons in the center of the ceiling were cut, and as they fell to the floor, which had been hanging from each pledge took one.

Pledges and their dates were Mary Deane Williams, Chapel Hill, president of the pledge class, with David Huntley, Lenoir; Joan Miller, Fayetteville, W. Va., vice president, with Merle Norcross, Kingsport, Pa.; Dorothy Manss, Wilmington, Del., secretary, with Doug Smith, Montvale, Va.; Lila Robinson, Winchester, Va., treasurer, with Andy Taylor, New York, N. Y.; Betty Prior, Troy, Pa., with Bill Bostic, Forest City;

Jean DeWitt, Apex, with Tommy Glass, Apex; Beth Ellen Edwards, Sunbury, with Bill Futch, Charlotte; Barbara Jackson, Kingsport, Tenn., with Alan Wiley, Springfield, Mass.; May Katherine Jones, Schufler, Va., with Ted Ashby, Hilton Village, Va.; Jane Dorothy Lyons, Tryon, with John Allen Cates, Hillsboro; Grevilda Snider, Denton, with Jack Owens, Winston-Salem; Rachel Sutton, Sylva, with Quay Grigg, Sylva; Elizabeth Taylor, Winston-Salem, with Ed Cappala, Charlotte; Polly Allison, Waynesville, with Irvin Holdash, Youngstown, Ohio.

Barbara Whipple, Perry, Ga., with Earl Justice, Canton; Mary Suratt, Glen Rock, N. J., with Jim Austin, Ridgewood, N. J.; Marjorie Wood, Fayetteville, West Va., with Randy Watson, Washington, D. C.; Barbara Schreffler, Raleigh, with Bev White, Tryon; Shirley Matthews, Virginia Beach, Va., with Hal Ward, Washington, D. C.; Ann Wellons, Charlotte, with Charles Covington, Charlotte; and Helen Boone, Albemarle, with Billy Hayes, Arlington, Va.

THE "COSMOPOLITAN Look" is shown in this shimmering satin dress suit. It's the current rave in New York, Boston, and Main Street. Top of the dress is black with short sleeves. You can choose from copper, turquoise or mauve pink for the background color, the dots remaining black. Cost—about \$23.

Minks Change Stripes Now For Fashion

By The Associated Press
Time was when a mink could not change his stripes, and all mink coats were brown.

Today the color range in mink rivals the rainbow, and a lady may choose from a dozen mutations the tone most flattering to her skin, eyes, and hair.

If she's a honey blonde, there's a Royal Pastel mink mutation in a tawny blonde shade, which will look as if it were grown for her. If she has gray hair, she may find flattery in some of the Silverblue tones. If she's a brunette, she may choose a ranch mink as dark as her own tresses.

Newest and rarest of the mink mutations is Aleutian Blue which has a bluish taupe cast with a darker stripe.

Among the most dramatic is Royal Kohinoor, a white mink with a black tip, used mostly for trimmings.

Then there is Bluefrost, which is a dark, almost black mink with a white tip, resembling the effect of silver fox.

A favorite with blondes is Breath of Spring Royal Pastel, a beige mink with white sides or Breath of Spring Silverblu, which is pale gray and white.

Mink breeders say the world's finest mink is Labrador wild mink, slightly lighter in tone than the dark ranch mink, with a bluish tinge.

The reddish toned mink that Grandmother used to wear is frowned on by top dealers these days. They say it is an inferior grade and an unflattering color. But wild eastern Canadian mink is accorded a goldstar for excellence.

Sumatra is nearly as large as Spain.

Independent Coeds Are Entertaining At Pine Room Dance Friday Evening

The Pine Room of Lenoir Hall will open its doors Friday night at 8 o'clock for a dance, sponsored by the Carolina Independent Coed Association for all students at the University.

The dance is given this quarter in order to give all the students an opportunity to get acquainted, and if the dance is a success, the CICA hopes to follow it with other dances open to everyone.

The dance is being planned by the CICA social committee together with its membership committee.

Chi Phi Plans Pledge Fete

A formal banquet and dance at the Chi Phi Friday night will open the festivities of the fraternity's annual pledge weekend.

Following the dinner, active fraternity members will provide entertainment and favors will be presented to the pledge members. Music for the dancing, which will follow, will be provided by an out-of-town band.

The special weekend will continue Saturday afternoon with an informal party at the fraternity house for all Chi Phi members and their dates. The weekend will end Saturday night at the fraternity house with a shipwreck party.

Another social event planned by fraternities for this week is an exchange dinner tomorrow night given by the Delta Kappa Epsilon for members of the Phi Delta Theta fraternity.

Mink breeders say the world's finest mink is Labrador wild mink, slightly lighter in tone than the dark ranch mink, with a bluish tinge.

chairman said. "The Publicity director of the SP was at that meeting and did not deem it necessary to ask any questions when the program was opened for discussion.

"Evidently he and the other participants in the meeting understood our plans. Therefore, this latest attack does not seem logically valid. It seems more like an attempt to discredit the honest efforts of the UP to bring better student government to the campus.

"I hope that this will put an end to all such blasts and that henceforth those who do not understand our objectives will attend our meetings and seek
