

# Kentucky Retains Top Position In UP Basketball Ratings

## N.C. State Jumps Into Eighth Place

NEW YORK, Feb. 19—(UP)—Powerful Kentucky, winner in 21 of 22 games, led the nation's college basketball teams for the fifth straight week today in the United Press ratings as Oklahoma A and M gained just a little ground and Indiana took over third place.

Coach Adolph Rupp's Wildcats who clinched the regular season Southeastern Conference championship last Saturday night by drubbing Tennessee, 36-61, received 27 first place votes and 338 out of a possible 350 points from the 35 leading coaches who make up the rating board. It was the ninth time this season that Kentucky topped the list.

The Aggies, who lead the Missouri Valley Conference and have a season record of 23 victories and only one defeat, drew four first place votes and 30 points as they picked up five points on the Wildcats from last week's rankings.

Points are awarded on the basis of 10 for a first place vote, nine for a second, and so on down to one point for 10th place. The coaches based their ratings on games played through Feb. 17.

The same teams comprised the top 10 last week, Bradley advancing from ninth to seventh place; N. C. State from 10th to eighth; S. John's dropping from sixth to ninth, and Brigham Young from eighth to 10th.

NEW YORK, Feb. 19—(UP)—Three Long Island University basketball stars were questioned by the district attorney tonight amid reports that the bribery scandal uncovered yesterday would spread to other schools.

Sherman White, Adolph Bigos and Leroy Smith of the LIU team were ushered into the DA's office by police officers for questioning some 24 hours after the arrest of six men—including three star City College of New York players—on bribery charges.

## Bud Wilkinson Still In Favor Of His Split T

COATESVILLE, Pa., Feb. 19—(AP)—Charles (Bud) Wilkinson of the University of Oklahoma told more than 200 other college and high school football coaches today they can have the single wing and T formations—he'll take his split T anytime.

The popular grid mentor spoke at a gathering of members of the football clan at the Coatesville High School football clinic. "I'm completely sold on it," he said. "But that doesn't necessarily mean the split T is the best. It has its bad points too."

Wilkinson said the split T failed him upon occasion in two ways:

- (1). Players had difficulty getting off a passing attack from the formation.
- (2). Fumbles on the split T were costly.

## Top Trackmen Expected For Conference Indoor Games

An estimated 600 of the South's top trackmen will be on hand in Woolen Gymnasium Saturday for the 16th annual Southern Conference Indoor Games. Some 47 schools have already entered and late entries are expected to run the total over the 50 mark.

Carolina is expected to run into stiff competition in defending the conference title it has won the last seven times the meet has been run. Champions in 11 of the preceding 15 runnings of the gala classic, the Tar Heels are favored to repeat this year despite the strong field.

Also favored to retain their title in the classic are Carolina's freshmen.

Georgia Tech and Navy, top SEC and Eastern independent track powers respectively, are expected to fight it out for non-conference division honors. Navy is defending champion.

## Fred Cone, Thomas Win Top Awards

CHARLOTTE, Feb. 19—(AP)—Jane Thomas of Salisbury, who last spring earned a place on the Catawba College varsity golf team, and Clemson College Full-back Fred Cone are winners of the 1950 Lewis E. Teague Memorial Awards as top amateur athletes of the Carolinas for 1950.

Miss Thomas, former North Carolina-Virginia champion, stepped into fast company last year, playing in the women's national at Atlanta and giving a good account of herself before bowing out in one of the late rounds.

Cone, 24-year-old senior from Alabama, has been a star Clemson performer for three years. He made the All-Southern Conference team the last two seasons.

He and Miss Thomas were voted the honors by a vote of Carolinas sportswriters.

The award is given in memory of Judge Lewis E. Teague of High Point, former AAU delegate.

The principal speaker at the awards dinner, scheduled here Monday, will be Alvin (Bo) McMillin, new coach of the Philadelphia Eagles pro football team. The trophies will be presented by Wallace Wade, Southern Conference commissioner.

## Co-Rec Night

A team composed of Chi Omega and Tri Delt Sororities and Sigma Nu Fraternity walked off with championship honors and three snappy Carolina pennants, as a result of the winter quarter Co-Recreational night held Thursday in Woolen Gym.

## Swimming Victory Over Princeton Only Bright Spot In Weekend Sports Picture

By Ed Starnes  
Carolina sports teams had a heavy weekend and managed to scrape up a win, two losses and a third place. The undefeated swimming team was the only victorious squad. The cagers and the gymnastics team both went down in defeat in Southern Conference events, and the indoor track team took third in the Maryland Invitational Track Meet.

The swimming team went out of the South for the first time and racked up a convincing 40-35 victory over Princeton. It was the 10th straight win for the Tar Heels. Donnie Evans won the 220-yard freestyle, Buddy Bararcke and Jim Thomas finished one-two in the 200-yard backstroke, Cecil Milton took second in the 200 and 440, and Barry Wall and Put Davis finished behind World-Champion Bob Brawner in the 200-yard breaststroke. R. S. White took second in diving.

The basketball team had an off-night and lost to N. C. State's Wolfpack by a 68-53 score on Saturday. The cagers took 109 shots in the course of the evening but made good on only 23. State also made 23 field goals, but converted 22 of 24 free throws for the margin of victory. It is the second time this season that Carolina has lost to State on free throws.

Carolina's indoor track team, consisting of 12 men, took third place in the Maryland Invitational Indoor Track Meet at College Park, Md. Competing against teams with 40 or more members, Carolina took two firsts, tied for first, and took two thirds in the meet to finish behind Maryland and Navy in team scoring. Dave

Willis won the 60-yard dash, Garrett Fitzgibbons won the 70-yard high hurdles, and Jack Moody tied for first in the high jump. George Verchick got third in the shot put, and Bobby Byrd took third in the mile run.

## \$3,050 Recovered, Police Investigate Cage Scandal

NEW YORK, Feb. 19—(UP)—Police recovered \$3,050 in alleged bribe money from a dusty shoebox of a player's home and hid the betting ring's confessed "middleman" in a hideaway hotel room today as they pieced together details of the latest basketball scandal.

Ed Warner, one of the three City College of New York star players who admitted throwing games for bribes as high as \$1,500 each, led officers to the basement of his home during the middle of the day. He turned over to them 28 \$100 bills and five \$50 bills. District Attorney Frank Hogan announced.

Hogan said one of the other players had a bank account and the third gave bribe cash to his relatives. Hogan didn't stipulate which of the other two players—Ed Roman or Al Roth—had the bank account.

Capt. William Grafnecker, superintendent of the district attorney's detective squad. New York was stunned by the basketball scandal, the fourth to hit the city in six years and the second since Jan. 1 Newspapers carried front-page headlines, and hinted of a sweeping new investigation in Brooklyn. The Brooklyn district attorney refused to confirm these reports, however.
