Tar Heel Tempo

By Nancy Burgess

During the week, long range plans in the form of elections and installations have been concluded as well as weekend plans and regular entertainment.

The PiKA's were hosts to the ADPI Sorority last night with an informal party at the house. This weekend they will welcome delegates from four other state

The story of Cinderella goes back at least to the year 610 B.C., in the legend of the Egyptian pharaoh Psammetichus. He ordered the country searched for the owner of a leather sandal dropped at his feet by an eagle. When he found her, he made her his queen.

chapters, climaxing the visit with a banquet and party Saturday night.

Visiting Greensboro the other night were the Sigma Chi's to serenade Beverly Bryant, pinned to Buddy McCall, Addie Belle Clements for Kemp Clenerin, and Katherine Hardin, now married to Norm Hardin. Jackie Jernigan, Sigma Chi Sweetheart at State, was also serenaded. The fraternity is now active formulating plans for its Derby on the 26th.

Today is reverse pledge-active day for the KA's with a soft ball game at Hogan's this afternoon and party tonight given by the losing team. Strangely enough, the pledges invariably lose these games, giving some flimsy excuse about the referee being an active. Tomorrow afternoon a cocktail party will precede the pledge dance at the Carolina Inn.

Tonight Dean Katherine Carmichael will speak at the initiation banquet of the National Education Sorority held at the Star-mountain Country Club. Currently, Dean Carmichael is holding a series of discussions in coed dorms and sorority houses concerning jobs and the first year after graduation. Last night she spoke in Alderman Dormitory.

Taking place tonight will be the Chi Omega's annual Founder's Day banquet at which the sorority's choice of "North Carolina's outstanding woman" will be presented with an award. The outstanding pledge and active awards will also be made.

Because it is in error by 26 seconds a year, the Gregorian calendar, started in 1582, will be one day off true astronomical year in 4900 A.D.

Faith Defense Will Be Topic Of Minister

Acting minister of the United Congregational Christian Church, J. Earl Danieley, will speak on "The Defense of Our Faith" at the regular worship service Sunday.

Danieley is a graduate student in chemistry and a member of Phi Delta Kappa educational fraternity. He has been serving the local church as pastor for the past few months.

George E. Muns, director of the Chapel of the Cross choir, will speak to the Canterbury Club on "Church Music" at 8 p.m. Sunday with supper in the Parish House.

The Bible Discussion Group will meet in the Parish House kitchen at 9:30 Sunday morning when the topic will be "Acts of the Apostles," led by Rev. Sherman. Coffee and doughnuts will be served. All students are welcome.

Regular services will be Holy Communion at 8 a.m., morning prayer, 11 o'clock, and evening prayer, at 8 o'clock.

NATIONAL ARROW WEEK

celebrating Arrow's 100 Years of style leadership

1851

1951

Campus life has certainly changed these past 100 years. Back in 1851 there were only 160 colleges in the entire country. Today, there are 1,849. No Rose Bowl game at the end of the football season in those days. No football season as a matter of fact. Open surveys were standard equipment of college Romeos—there wasn't a cream-colored convertible on the landscape. It was then a century ago that Arrow started manufacturing their famous collars . . . and in a few years they were setting campus styles. That's one thing that hasn't changed. Arrow is still style leader on America's campuses. College men everywhere know that the Arrow label always stands for smart styles, fine fabrics, meticulous tailoring the superior quality that reflects good taste.
