Radiomen Broadcast On WDNC

The Communications Center and Department of Radio have completed arrangements with Station WDNC-FM, Durham, enabling Carolina radio majors to get actual on-the-air experience to supplement their classroom training through daily programming direct from Swain Hall studios.

Radio students, under the direction of Student Station Manager Tom Maness, began broadcasting yesterday afternoon, presenting an hour and a half of programming from 4:30 until 6 o'clock. The programs are being broadcast five days a week over the Durham FM station.

The arrangement is similar to that of last year, when WDNC Manager Frank Jarman made arrangements for Carolina students to use the Swain Hall facilities to program through the Durham outlet. The programs are broadcast live from Chapel Hill and sent over telephone wires to Durham where they are sent out on the WDNC-FM transmitter.

By next year the University hopes to have its own 250 watt FM educational station for broadcasting in the Chapel Hill area. The application for such a station has recently been accepted by the Federal Communications Commission in Washington. "Until we get our own station," Maness said, "this arrangement with WDNC will give all of us a chance to gain actual radio experience."

Maness has appointed Walt Whitaker, senior from Graham, to the post of program director. Jack Markham, Durham, will be production director, and Alan Compton, Garner, chief engineer. Music director is Charlie George, Raleigh, and music librarian is Marty Armstrong, Hendersonville. Betty Steele, Durham, has been appointed continuity chief, and Tom Tucker, Monroe, is chief announcer.

Golden Fleece Will Conduct 48th Tapping

Honorary Society To Tap Monday At Memorial Hall

The Order of the Golden Fleece, highest men's honorary organization on campus, will conduct its 48th annual tapping ceremonies for new members next Monday night at 7:30 in Memorial Hall.

Following the tapping, the annual Valkyrie Sing will be held. This event each year gives fraternity, sorority, and dormitory groups a chance to compete for loving cups given by the order of the Valkyries, women's honorary organization.

The number and names of the men to be tapped will not be revealed until the ceremonies Monday.

At a surprise tapping last year Dr. Frank P. Graham was retapped in absentia into the organization. The year before that, Judge John J. Parker was retapped. Nine students were tapped into the organization last year.

The doors to Memorial Hall will be promptly closed at 7:30, the Fleece said, to preserve the impressiveness and solemnity of the service. All who wish to attend the tapping must be in their seats at that time.

The tapping of new members into the men's honorary order marks the Golden Fleece's only public meeting each year. It has been a practice since the group's founding in 1903 to conduct meetings and activities in secrecy.

Since the names of the officers are withheld from the public but are released at the tapping, the Jason, Hyparchos, Grammateus, and the Christopher for the past year will be recognized Monday. Members of the Fleece are chosen for their personal integrity, outstanding service in one or more fields of student activity, scholarship and leadership.

The order does not set a certain number for membership each year, but selects in proportion to the number of men on campus "deemed worthy of membership," a Fleece spokesman said.

In past years, the Fleece has inducted such outstanding men as the late O. Max Gardner and J. C. B. Ehringhaus, both former North Carolina governors; Dr. Graham; Greater University President Gordon Gray; Chancellor Robert B. House; author Thomas Wolfe and band leader and television star Kay Kyser.

Five Students Here Eligible For Grants By Morehead Fund

By Wali Dear

Five nominees, four of them Phi Beta Kappas, have been chosen from 125 applications to represent Carolina for the first Morehead Scholarships; Chancellor R. B. House announced yesterday.

The nominees are Calvin Theodore Leonard, Jr., Greensboro; Edward George Bilpuch, Adah, Pa.; Richard Hampton Jenrette, Raleigh; William Stanley Roth, Oteen, and Wyatt Helsebeck, Troy.

The nominations were forwarded by House on recommendation of the local Morehead scholarship committee headed by Dean William Wells.

The UNC nominees will be competing with other selectees from Carolina schools who also have remitted five nominations to the central committee headed by Coach Bob Fetzer. Schools ranging from Guilford, which has a 500 enrollment, to UNC, which presently enrolls 5,800, are submitting up to five nominations for the announced \$1,500 scholarships given on a yearly basis from a fund of \$2,000,000.

The usual plan of admission will be followed. Students will be admitted free upon presentation of identification cards at auditorium doors, which open at 7 p.m. Tickets for student wives, townspeople, and faculty will go on sale at 7:40 for \$1 each to fill any remaining seats.

The story of the Barter Theater and its young founder and director Bob Porterfield is a typical American "success story."

During the depression Porterfield knew hundreds of hungry actors looking for work and noticed that many people wanted to see the live theater in action but had no money. In the highlands of Virginia, his native land, he knew there were plenty of farmers that had surplus hams and other food they couldn't sell. He brought the actors and the audiences together renewing the ancient custom of bartering services rendered for commodities in modern actuality.

Each of the nominees has served in various student fields. Leonard, a first year law student, served as Student Body Vice President. He is now president of the Interdormitory Council.

Bilpuch was a standout of the defensive football team last year and is now doing graduate work in physics. Helsebeck is at present working on his M.A. degree and will go into the field of education.

Jenrette was editor of The Daily Tar Heel last year and served on the Student Council this year.

The Scholarships were set up last quarter under the Morehead foundation. This year the funds will go to those beginning graduate or special work.

Eventually, the funds will be extended to high school graduates. The scholarships have been compared to the Rhodes Scholarships.

Dean of Students Fred Weaver is on the Central Committee, the group which makes the final selections for the scholarships.

Officials expect that the announcements of the final choices will be made before June.

IFC Rushing

Only one person has signed up with Ray Jefferies at the Dean of Students office to be rushed by fraternities for spring rushing. The IFC has announced that it will extend the "signing-up period" through today.

Tuesday through Thursday, May 1-3, and Monday, May 7, have been set as the official rushing nights. Fraternities will be host to prospective pledges from 7 o'clock to 9:30 p.m. on these nights.

The big junior weekend will start on Friday with the annual Straw Hat Day. Straw hats will go on sale in the Y Court today for 50 cents.

The weekend windup on Saturday night will feature a picnic with food served by the Junior Class, dancing to hillbilly music, door prizes, and the blanket party as the evening's finale.
