

Collections Are Donated To Library

Highlighting the recent activities in the University Library has been the establishment of a collection of books in memory of Agatha Boyd Adams and an exhibition of famous North Carolina etchings by Louis Orr.

The memorial book collection being set up in honor of the late Mrs. Adams, former assistant head of the extension department for the library and wife of Dr. N. B. Adams of the Spanish Department, is organized and conducted by three members of the library staff. They are Edna A. Lane, Frances L. Yocum, and Nelhe Roberson.

These library staff members are now collecting any books which former friends of Mrs. Adams might wish to give. A contribution for the collection which has just recently arrived from Cornelia S. Love in Paris is a magnificent copy of "Histoire de la Peinture Espagnole" by Guinand and Batticle (Paris 1950).

Since the recent announcement of the establishment of the collection was made there has been an inspiring response.

Scholarship Competition Scheduled For December

The annual competition for Rhodes Scholarships will be held in all states in December, 1951. Scholars elected will enter Oxford in October, 1952.

The value of a Rhodes Scholarship is at present 500 English pounds per year. Any person winning a scholarship and being called into military service will have it preserved for him until he is out of service. Election is for two years with the possibility for a third year on the basis of the student's record at Oxford.

To be eligible a candidate must be (1) a male citizen of the United States and unmarried, (2) between the ages of 19 and 25 on October 1, 1952, (3) have completed at least his sophomore year by time of official endorsement of his college or university.

A candidate must apply either in the state in which he resides or in the state in which he has received at least two years of college education before applying. Applications must be in the hands of the state committee not later than November 3, 1951. North Carolina applications should be sent to Dean C. P. Spruille.

Preliminary selections will be made December 12 and final selections on December 15, 1951.

Winners Are Announced

Bobby G. Byrd, Selma, has been awarded the annual Phi Beta Kappa Award of \$100 for the rising self-help junior with the highest scholastic average.

Last year the award went to Edward S. Coley of Elizabeth City.

At the same time he announced this award, Dean Mackle released the winners of three other awards.

Francis Wood Drane, Monroe, and Charles Samuel Bartlett, Jr., Chapel Hill, have been picked to receive the Algernon Sydney Sullivan Award. This medal is given annually to the one man and woman who have best demonstrated an attitude of unselfish interest in the welfare of their fellowmen.

Miss Drane is past president of the YWCA, past president of the Valkyries, and a member of Pi Beta Phi sorority.

Bartlett is past president of Alpha Phi Omega service fraternity, active in YMCA activities, on the swimming team, and a member of Pi Kappa Alpha fraternity.

John L. Sanders, Four Oaks, past president of the student body, was given the John Johnston Parker, Jr. Medal for unique leadership in student government.

Single Subject Plan Tried At Park College

PARKVILLE, Mo.—The summer school program to be offered at Park College June 11 through August 15 will use the single subject plan as an experiment to give faculty and students an opportunity to try this controversial and still novel educational idea, according to President J. L. Swingle.

The college faculty has been discussing the plan for several weeks. Its adoption by this institution would be as significant an educational innovation for this school as adoption of the honors course plan and the senior comprehensive examination in 1927.

For this reason the administration believes that it should be given careful trial.
