Here's your Lift for Life!

Everywhere you go you'll see more and more Dr. Pepper vendors these days. There, waiting for you is a real "lift for life"—a stimulating, thirst-quenching Dr. Pepper to give you both pep and pleasure faster! Frosty cold, sparkling, delicious... Dr. Pepper "lifts" your energy within 2 to 8 minutes. Peps you up when you're low. No wonder everyone loves it. Look for Dr. Pepper and this handsome green vendor when you want a real lift for life!
