Game Is Won By George's Field Goal

Carolina Defense Plays Good Ball Throughout Game

Quarterback Sonny George of Wake Forest kicked a field goal with two minutes left to play in the game to give the Deacons a 9-7 win over North Carolina in Kenan Stadium yesterday before 30,000 spectators.

slim 7-6 lead until George split the uprights from 10 yards out.

North Carolina scored first when right halfback Chal Port took a pitchout from quarterback Marshall Newman and raced 73 yards on the second play of the second half. The Deacs got the touchdown back a few minutes later on a three-yard quarterback sneak by George. End Kokornick blocked George's extra point attempt.

Carolina's best offense was a good defense all afternoon. The Tar Heel line held for four downs inside its own five-yard line twice, and threw Wake Forest passers for long losses regularly. Junior Seawell, Tom Higgins, Dan Mainer, and a host of other Carolina defense players were standouts on every play.

Lighthouse Keeper Sights Russian Boat

WASHINGTON — A Japanese lighthouse keeper and several fishermen saw a Russian patrol boat race toward the area where an American B-29 Superfort bomber disappeared October 7 after Soviet fighters shot at it, U.S. officials reported yesterday. Meanwhile, in Tokyo the Air Force abandoned hope of finding any survivors from a missing C-46 courier plane which disappeared after taking off from an air field in Korea. All aboard the twin-engined plane were servicemen.

Tar Heels Cheer! Coaches Comment

By Louis Kraar
Rameses VIII, the new Tar Heel Ram, saw Carolina spirit come back to Kenan Stadium yesterday afternoon in spite of an adverse score. The Ram, obviously placid and content over the voluminous yells, calmly nibbled on grass. But that was enough for the crowd.

The final letdown during the closing moments of the game failed to squelch the new-born spirit. What started off as mediocre competition for peanut vendors ended in cheers that resounded all through the stands.

Through the stands, Dan Thorpe, head cheerleader, and the cheer squad reached their peak of enthusiasm in the last minutes of the contest. "Any man on our team can run 60 yards in a minute and sixty seconds!" exclaimed Thorpe. The stands were filled when that minute was over. Wake Forest supporters were hardly idle. Equipped with Cherryville High School's Band and their own, Deac fans gave solid support to their team.

White and Blue hats studded Carolina stands. A group of boys sitting on one of the front rows held up a huge Confederate flag which prompted the singing of "Dixie."

Rameses VIII exhibited what one cheerleader tagged "friskiness," but what appeared more like "Tar Heel Spirit." The ram, (See SPIRITS, page 3)

Stevenson Attacks Republicans Again

SAN ANTONIO—Gov. Adlai E. Stevenson declared yesterday the Republicans offer in the fight against world communism only a political DDT "guaranteed to contain no taxes, no anxiety and no effort." In a scornful attack on the GOP attitude on the Korean struggle.

The Carolina dressing room was truly a picture of dejection after yesterday's 9-7 loss to Wake Forest. The gloom was deepened by the fact that the team almost had the victory in their grasp, only to have a field goal in the last two minutes snatch it away.

Standing in the open court between the two dressing rooms it was not hard to tell on which side the winning team was quartered.

From the Wake Forest side the triumphant yells of victory awaited each player as one-by-one they straggled in off the playing field. Center of the attraction of course was Sonny George, Deacon quarterback, who sparked the team all afternoon and kicked the winning field goal.

On the other hand there was almost dead silence from the Carolina headquarters. Occasionally a loud and disgusted curse arose from the stillness but mostly there was silence.

The players didn't even speak to each other. Their main purpose (See I'M PROUD, page 3)

Ike Backers Meet Monday-Gerrard

The "Citizens For Eisenhower" group on the campus will hold its second meeting since its inception two weeks ago on Monday night at 8 o'clock in Gerrard Hall.

Ham Horton, chairman of the group, has announced that Professor Malcolm McDermott of the Duke University Law School will be the guest speaker.

The group has been active in the past week, setting up a table in the "Y" Court and distributing campaign literature. Also, they have made an attempt to get out the vote on election day by distributing information on how to vote by absentee ballot.

They will also make an attempt to get students who can vote a ride home on Saturday so that they can register.

Plans are being made for a rally some time in the near future and an attempt is being made to obtain a speaker of some note. The meeting Monday night is open to everyone and citizens of Chapel Hill who are interested in seeing the election of General Eisenhower are invited.

NEWS IN BRIEF

NEW YORK—Gen. Dwight D. Eisenhower gave a pat on the back to Gen. George C. Marshall last night and said that he himself is still a "no deal" man. His ultimate decisions, he said, were his alone. His camp was cheered by the pronouncement of Sen. Harry F. Byrd, Virginia Democrat, that he could not support the Democratic national ticket headed by Gov. Adlai Stevenson.

TYLER, Tex.—Sen. Joseph R. McCarthy (R-Wis.) left for Tucson, Ariz., yesterday after promising he would continue to "call the roll" of alleged Communists in government. Defending his Red-hunting methods, he said, "To talk in general terms of Communist infiltration in our government is a waste of time. You've got to name the individuals who are responsible if you want to get results."

SEOUL — American infantrymen battered Chinese Communists from their last toehold on towering Triangle Mountain in a bloody central front battle yesterday as Allied Sabre jets knocked down two Communist planes in air battles over northwest Korea. U. S. footsoldiers ran the Reds off Pike's Peak, last of four disputed heights on the central front mountain. The Reds already have lost 19,700 dead and wounded—about six Communist regiments—during the past 11 days of fighting on Triangle, Sniper Ridge and White Horse Mountain.

UNITED NATIONS, N. Y. — Russian Foreign Minister Andrei Y. Vishinsky took the UN stand yesterday to call for:

1. Immediate cessation of the Korea War
2. Unconditional return of all prisoners of war to their homelands "in agreement with international norms."
3. Withdrawal of all foreign forces—including the Chinese—from Korea.
4. Unification by the "Koreans themselves" under supervision of a commission which would include "parties directly concerned" and Russia—normally, at least, a non-belligerent.
5. Reduction of armaments by the Big Five powers by at least one-third. Conclusion of a peace pact among the Big Five, "considering that the North Atlantic Pact leads to international tensions."

George Ind \$7

Contributions turned into The Daily Tar Heel yesterday left only \$7 unpaid in George's \$20 medical bill. George is the campus canine.

Donations still are being accepted. They may be mailed or brought to The Daily Tar Heel office, second floor of Graham Memorial. The fund is to pay the dog's hospital bill incurred while he recuperated from gunshot wounds to the face.
