

# Soccer Team Staves Off Virginia To Win By 3-2

## Down In Front

By Biff Roberts

### On Publicity Directors

IT'S ALWAYS INTERESTING to look over the football brochures of our prospective opponents and see how the sports publicists rate their teams. Some go out on a limb and pick great things for the loyal sons of old Podunk. Others are more truthful, building up the strong points and pointing out the weak. And on the other extreme there are those which flood the pages with tears of remorse for their po' li'l boys who will be lucky to make it off the field after every game.

Notre Dame, whose fine coach Frank Leahy has long been a member of the crying-towel school, has put out a brochure that faces the situation realistically. It's not too full of enthusiasm nor shackled with pessimism. You get a pretty good picture of the fighting Irish by reading it.

To begin with the Irish have 31 lettermen back from last year's team which won seven, lost two, and tied one. Such stars as Jim Mutscheller, Bob Toneff, John Pettibon, Billy Barrett, Johnny Mazur, and Paul Burns are no longer around. Of course, the vast number of lettermen returning can be contributed in part to the use of the platoon system, but still they have 31 to our 21 returning for duty.

### Questions and Answers

BEFORE THE SEASON started the Notre Dame question marks were at end, tackle, and quarterback. Coach Leahy has had his quarterbacking problem eased, however, by the work of Ralph Guglielmi. Guglielmi has sparked the Irish to two wins (Texas and Purdue), one narrow loss (Pittsburgh), and a tie (Pennsylvania). He is only a sophomore but his generalship and passing have eased Leahy's situation tremendously.

The end problem seemed so acute last spring that Art Hunter, the regular offensive center last year, was switched to the wing post. The greatest loss was that of Jim Mutscheller, a great pass catcher, who caused us so much damage in our games with Notre Dame last year and in 1950. The tackles too, offered a little worry. Leahy had big men to put into the position, but all were green. His answers have come from such behemoths as 212-pound Fred Poehler, 203-pound Joe Bush, another 203-pounder, Bob Kelly, and 208-pound Bob Ready.

The guard positions are pretty well handled with team captain Jack Alessandrini, Tom Seaman, and Virgil Bardash well experienced. With Hunter shifted from center to end the pivot position was left fairly well open. Jim Schrader, on offense, and Dick Szymanski on defense, have turned out to be Leahy's top men there, however.

### Backing the Backfield

THE BACKFIELD, with Guglielmi pleasing so well at quarterback, hasn't bothered Leahy too much. Neil Worden, who was last year's high scorer and leading ground gainer, is back at fullback. At right halfback the Irish have one of their most powerful runners in 190-pound Johnny Lattner and also a good reserve in Paul Reynolds. The left half offers more of a problem because of inexperience but Frank Paterra and Joe Heap are both capable runners.

Most of the players are young, so even with 31 lettermen returning the Notre Dame boosters still like to point out that they are building for future years. Admittedly they are but, as has been a pleasant surprise to Leahy and company, they haven't done at all bad this season.

The schedule is one of the toughest in the country and although the Irish have done well thus far the worst is yet to come. After meeting the Tar Heels, they still must face Navy, Michigan State, Oklahoma, Iowa, and Southern Cal—hardly a breathing schedule.

### Reverse English

NOTRE DAME has come along well in the early stages of the season with their players performing better than expected. The Irish have shown their chlorophyllic complex in some of the games, especially in the loss to Pittsburgh and the first half play in the Texas game when they didn't get into Longhorn territory until the third period. But they have also shown that they have what it takes in the way they beat Texas in the second half and almost rallied to take Pitt before bowing, 22-19.

But before the season started the brochure predicted a not-too-bright picture for the Irish. The schedule was too tough and the season was called what "could be the worst of modern times." Because of the Irish's surprising play little has been done to fulfill this prediction. It seems that if it is to be true then the Notre Dames will have to be headed in the other direction—say sometime this Saturday.

## Football Team Works Long And Hard In Last Practice

By Tom Peacock

North Carolina's football team worked long and hard yesterday in its last rough practice before meeting powerful Notre Dame at South Bend in one of the country's leading intersectional battles.

The Notre Dame-Carolina contest will be the first game between a midwestern and southern team. The Tar Heels have played Texas, a southwestern school, and Wake Forest has played Baylor so far this year, and both Big Four teams came out on the short end of the score.

Notre Dame is a heavy favorite, but if results of previous years mean anything, the Tar Heels will give the Irish as hard a fight as they have had all year. Notre Dame beat Texas, 14-3, the week after the Longhorns came to Chapel Hill and took Carolina in its opener, 28-7. The Irish have been tied and have lost one this year, however.

Carolina's offense is working much smoother since last week's narrow defeat by Wake Forest. Freshman Marshall Newman has concentrated on line plays, and this week's practice plus last Saturday's game should give the former single wing star the ex-

perience he needs at split-T quarterback.

The North Carolina defense continued to work on Notre Dame plays that line coach Jim Camp brought back from a scouting trip. Leading the defense was tackle and last week's game captain, Tom Higgins, who was nominated by a screening board as a candidate for All-America. Higgins is considered by Carolina head coach Carl Snavely as the best man on the field in the Tar Heel-Wake Forest game.

Carolina's pass defense went through a thorough drill in preparation for the excellent passing of Notre Dame's quarterback, Ralph Guglielmi. The defensive secondary had a few lapses last week, allowing the Deacons to get a first down on the Carolina one yard line once, but is expected to be ready for the Irish.

### Swimming Practice

Swimming Coach Dick Jamer-son has announced that 30 boys reported for the Swimming team meeting yesterday. Practice begins at 3:45 today in Bowman-Gray pool. Anyone who missed the meeting and would like to come out is invited.

## Randolph, Russell Star For Carolina

By Paul Chaney

The Carolina soccer squad staved off a fourth quarter rally by the Virginia Cavaliers to take a well-earned 3-2 victory yesterday afternoon on Fetzer Field. The Tar Heels scored once in the second period and twice more in the third stanza, before the visitors from Virginia came up with two tallies in the final quarter.

After a scoreless first period, Carolina got their first marker late in the second stanza. Center forward Gerry Russell, high scorer on last season's eleven, made the score, with the aid of a neat assist by inside left Rennie Randolph.

Shortly after the half Randolph added the second Tar Heel tally. A moment later Rawleigh Tremain racked up a goal to give the local booters what seemed to be a comfortable lead.

Virginia got its first score midway in the fourth period. Nils Trulsson scored it on a penalty boot. With less than five minutes left to play in the game, Trulsson added a second goal to narrow the Tar Heel lead to one point.

Randolph, Tremain, Russell, and Harry Pawlik all played well in the Carolina forward wall. Co-Captain Barry Kalb did some outstanding defensive work from his left fullback spot. Goalie and Co-Captain Ben Tison played well also. He shut the Cavaliers out for the first three periods.

Trulsson was the whole show offensively for the visitors. Until he got hot in the last quarter the Tar Heel defense held the Cavaliers at bay. Goalie McGinley, and fullbacks Blanchard and Vest were outstanding on defense for the losers.

This is the first victory of the season for Coach Al Moore's Tar Heels. They dropped a 1-0 decision to State in the season's opener last week.

This is Virginia's second loss of the season. The Cavaliers were shut out by Duke, 4-0, at Durham last week.

Carolina takes to the road next week. Leaving Chapel Hill Sunday they journey to Virginia to

meet Roanoke College on Monday and the Washington and Lee Generals on Tuesday. The Tar Heels return here for a scrimmage against the Cherry Point Marines on Oct. 30.
