**APO Service Fraternity Sets  
Open Rush Meet This Evening**

The Alpha Phi Omega open rush meeting for all prospective pledges will be held tonight at 7:15 in the social room of the Lutheran Church on East Rosemary Street.

Jerry Campbell, pledgemaster of APO, has announced that the program for the evening will yield the "facts" as to the whats and wherefores of belonging to APO. Past and present projects will be outlined and discussed. Assistant Dean of Students Roy Holsten will help point out the role the fraternity plays in University life.

Membership in Alpha Phi Omega does in no way preclude affiliation with other fraternal groups. APO has over 200 active chapters throughout the United States, Canada, the Philippines, and Hawaii, and schools such as Yale, Wake Forest, California, and Alabama have active groups.

**Two Prisoners Escape Here**

Two "A grade" prisoners from the state camp at Hillsboro escaped from a work party near North Carolina Memorial Hospital yesterday morning. This party was working on curbing in preparation for the widening of the street.

The prisoners, both dressed in the blue uniforms of "trusties," just walked off. The youngest of the two is listed simply as "Earl." His age is listed as 33. He is tall, dark complected, has gold filled teeth, and is bald. The other escapee is listed as John Spivy, age 48, 5'9" tall, medium build, dark complected with a birthmark under one eye.
